Financial Review

A balance at the end of the year of £15,899.</p> <p>The Trustees decided to retain these funds at year end to cover expected operating costs and to fund and upfront cost for future events.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>Our policy for reserves aims to ensure that on a prudent basis the Trustees have sufficient reserves to continue operations. In setting the</p>

		<p>reserves we consider the following reasons:</p> <p>a) The risk of an unforeseen emergency or other unexpected need for funds, eg an unexpected large bill or finding 'seed-funding' for an urgent project</p> <p>b) Covering unforeseen day-to-day operational costs, eg employing temporary staff</p> <p>c) A source of income, eg a grant, not being renewed. Funds might be needed to give the trustees time to take action if income falls below expectations</p> <p>d) Planned commitments, or designations, that cannot be met by future income alone, eg plans for a major asset purchase or to a significant project that requires the charity to provide 'matched funding'</p> <p>e) The need to fund short-term deficits in a cash budget, eg money may need to be spent before a funding grant is received.</p>
Amount of reserves held	Para 1.22	£15,899
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	At year end reserves were around our target level. Excellent progress had been made from our initial starting point less than two years ago.
