

Trustee Report Jan 2022 to March 2023

During the above period Devon EMS Volunteers provided medical cover for 216 events of various types and complexities, many of which were Community Events.

Our volunteer base remained fairly static at between 25 and 20 volunteers, and our board of trustee's static at 5.

During this period we operated a fleet of four Ambulances and three cars.

During February of 2023 we moved our training and operational base from the South Devon Railway at Buckfastleigh to Bridge House in Newton Abbot on a three-year lease.
