Introduction & Context

Oriel Myrddin (Reg. 1197707) is a Charitable Incorporated Organisation (CIO). Oriel Myrddin CIO was established in January 2022, with the long-term aim of taking over the operations of Oriel Myrddin Trust, an unincorporated charity (charity registration number 1031498) which is currently responsible for Oriel Myrddin Gallery on Church Lane, Carmarthen. The Gallery building is owned by Oriel Myrddin Trust, and held by Carmarthenshire County Council as Custodian Trustee.

In 2020, funding was secured for an ambitious capital redevelopment scheme – the redevelopment of the original gallery building and renovation of 2 empty properties on King Street (owned by Carmarthenshire County Council) which will be joined onto the gallery, creating additional spaces for learning and participation, and for commercial activity including a shop and café. The capital works will start in 2023/24 with the aim of the Gallery reopening in April 2025.

At the point of reopening, the CIO will take responsibility for the operation of the redeveloped Gallery and all associated activity.

Capital funding for the redevelopment has been secured from Carmarthenshire County Council (£2m) and Arts Council Wales (1m). The capital redevelopment is being managed by Carmarthenshire County Council, on behalf of Oriel Myrddin Trust.

Oriel Myrddin Trust receives annual revenue funding from Arts Council Wales and Carmarthenshire County Council. When the Gallery reopens in 2025, the CIO will receive this revenue funding as the operational body.

Structure, Governance & Management

The charity is governed by its Constitution. The governing body of the charity is the Board of Trustees. The Board of Trustees is responsible for the overall governance of the charity. Trustees are recruited for their expertise and experience; a skills audit is conducted annually.

The Board currently consists of 7 trustees, which can be increased to a maximum of 12. Trustee appointments are for a term of up to three years and a trustee may ordinarily serve a maximum of two terms. Carmarthenshire County Council can nominate a maximum of 2 trustees. There must be at least 3 trustees at any one time, with a minimum of 2 independent trustees.

We are actively working on trustee succession planning, to ensure the needs of the organisation are met and to enable a Board of diverse skills and backgrounds to be maintained and developed.

The Board meets at least once every quarter. The Board elects a Chair for a term of up to three years, which may be renewed once.

Activities in 2022/23

Activity during 2022/23 focused on resolving the legal matters relating to the capital development and the relationship between all the key stakeholders, namely Oriel Myrddin Trust and Oriel Myrddin CIO as the charitable bodies responsible for the Gallery, and Carmarthenshire County Council and Arts Council Wales as the funding bodies.

A Heads of Terms agreement has been prepared which outlines the responsibility of each stakeholder, the timeline, and the list of legal agreements that each stakeholder will be required to sign up to at various points in the process, including lease agreements for the properties which will make up the redeveloped Gallery. The Heads of Terms were agreed and signed in August 2023.

Oriel Myrddin CIO received independent legal advice from Hugh James Solicitors in relation to these legal agreements.

Financial Review

There was no financial activity during 2022/23 as the CIO does not currently have its own funds or assets, or any sources of income. During 2024, the trustees intend to secure a bank account and appoint independent

accountants through an open process, in preparation for taking over the operations in 2025.

Reserves Policy

The charity does not currently have a reserves policy as it doesn't have any reserves yet. A policy will be discussed and agreed by the trustees in 2024.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and group and of the income and expenditure of the charity and group for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material
- departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Board of Trustees on 19th April 2024 and signed on their behalf by:
