Chairman Forward

I am delighted to introduce the MAT CHARITY annual report of the board of trustees. As you will see, we have made this year about laying down a strong foundation for supporting those who need our services.

We have taken stock of our strategy, mission and values and developed these further with our young people to make sure MAT CHARITY delivers on its original ethos of being a truly person centred institution.

Our flagship programme has been MAT CHARITY 'Cuppa & Chat' is still taking the lead in our services. With the high profile of 'Mental Health' we are committed to continuing to provide a safe and secure environment for those we continue to support.

We continue to develop our programmes with and for those suffering with their mental wellbeing. They remain our most important stakeholder and we are committed to allowing every opportunity for service users to shape the future of the charity.

I would like to offer my heartfelt thanks to all who contributed in so many ways to making the past year so successful. To our senior management team, old and new, for their support, advice and guidance; to our trustees, volunteers for giving us their time and expertise; to the staff of MAT CHARITY for their hard work and determination; to our loyal and dedicated volunteers who are such a valuable part of our team; to our supporters and fundraisers from all over the globe who once again have shown how much they care with their unstinting support and their incredible achievements.

I hope that like me you will be inspired by our plans to help those suffering with their mental wellbeing realise their ambition, contribute to society in a meaningful way - and want to be a part of our story.

For, and on behalf, of the board of Trustees,
Michael Carroll-Owen / Co-Chair

Report of the Trustees cont'd

For the year ended 31 March 2023

The trustees and directors present their report and accounts for the year ended 31 March 2023.

Objectives and how they are achieved:

Vision

A world where every person can access support for their Mental Wellbeing in a way that they wish and starting where they feel most comfortable

Mission

To prepare people for life by ensuring they get the support, guidance and opportunities they need to succeed after Mental Health events.

Values

Our core values are driven by the following factors:

MAT CHARITY supports all people, through the promotion of health & wellbeing.

Ensuring people have access to a support service when they face a Mental Health event by providing a support service i.e. informal group counselling and a safe space that is easy for them to access in their time of need and challenging perception by doing research.

Geographic Scope

Our delivery is primarily aimed at those aged 16+ and to facilitate services which aimed to ensure that we empower and involve Our programmes are largely based within the South Yorkshire as it stands.

Programs, Results of the Year and Achievements

To date, this includes:

MAT CHARITY

MAT CHARITY continues to focus on three core areas – mental health, education and homelessness. As a charity, we want to see these subjects integrated better in the United Kingdom's mainstream Mental Health policy, building a strong foundation for future generations and; - enabling them to receive the best all-rounded holistic support. All three areas have been created as individual projects within MAT CHARITY, focusing on establishing a holistic support service that can cater for those who have been through Mental Wellbeing issues to have the independence and empowerment to be able to move forward

Public Benefit

Throughout 2023 the MAT CHARITY supported those suffering with their mental wellbeing from all walks of life.

The charity provides those suffering with their mental wellbeing a platform to openly talk about their issues in a closed Safe Environment through the means of a helpline and further support services. MAT CHARITY has a special focus on working with men & boys due to the lack of support services there are available for them in this area of work, but the charity is for both genders to be able to access.

Risk Management

The trustees are responsible for the overseeing of the risks faced by the charity. Detailed considerations of risk are delegated to the Senior Management of the charity. Risks are identified, assessed and controls established throughout the year. A formal review of the charity's risk management processes is undertaken on an annual basis.

The main risks that the trustees have identified and the plans to manage those risks are:

Reputation

The charity's success is built on its reputation for the well-being of our volunteers and staff. We manage this risk through safeguarding policies, staff recruitment policies and active identification and resolution of health and safety related issues through undertaking strict risk management assessments for each activity the charity undertakes.

Money

Our ability to continue is reliant on public donations, corporate support and grant programs. This risk is managing by marketing activity, having a reputation for worldwide excellence and cash-flow management.

Programs and Activities

The charity's programs require the most able volunteers and staff to facilitate our activities to benefit the public with optimum excellence. We manage this risk by combining attractive benefits and recruiting a diverse workforce to make our charity the most inclusive organisation to work for. Our all volunteers and staff undergo initial training and Continual Professional Development (CPD).

Through the risk management processes established for the charity, the trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

Serious Incidents

No serious incidents were reported.

Environmental Sustainability Policy

The MAT CHARITY commits itself to minimising its impact on our environment through
