Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To develop the capacity and skills of the members of the socially and economically disadvantaged community of Grace Mary to Lion Farm and the surrounding area in such a way that they are better able to identify, and help meet their needs and to participate more fully in society.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As a newly registered charity in this period, we have not undertaken any activities and thus our accounts illustrate this. We experienced unforeseen delays in opening a bank account.

In the next period we plan to look at activities which will benefit our communities' developing skills, confidence and providing new and exciting opportunities.

In planning our activities for the year, we will ensure the Charity Commissions guidance on public benefit remains at the forefront of our minds and always discussed at trustee meetings.
