## STRUCTURE, GOVERNANCE AND MANAGEMENT

### Organisational status

The Pendle Foundation was registered as a charity on 1<sup>st</sup> February 2022 under the provisions of the Charities Act (Charity number: 1197750) and is governed by a trust deed dated 18<sup>th</sup> January 2022.

### Organisational structure

The Board currently consists of the trustees and is responsible for key policy decisions and the effective governance of the organisation overall. The trustees take care of the day to day running and legal requirements of the charity and the Board meets on a regular basis.

### Recruitment and appointment of new trustees

Trustees are appointed to reflect the skills required to support the Board and its range of activities. The trustees themselves appoint new trustees to the Board and provide appointees with a full orientation on the services provided, the decision-making processes of the charity and the roles and responsibilities of a trustee, including their legal obligations under applicable laws.

### Risk management

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to ensure that regular reports are produced and that necessary steps can be taken to address any issues arising.

## OBJECTIVES AND ACTIVITIES

The principal activities of the charity are to advance such charitable purposes as the trustees see fit from time to time by providing grants, land and premises to organisations, charities and communities exclusively for the public benefit.

### Public benefit

In setting out the charity's objectives and planning of activities the trustees have given careful consideration to the Charity Commission's general guidance and section 17(5) of the Charities Act 2011. The trustees are confident that the charity offers services of real and practical use to the local population and therefore complies with the responsibility placed on all charities under the Charities Act 2011 to demonstrate a public benefit.

### Risk assessment

The trustees review the major risks faced by the charity during their regular meetings and confirm there are systems in place to mitigate them. Internal risks are minimised by the segregation of duties and procedures for authorisation of all transactions.

## ACHIEVEMENTS AND PERFORMANCE

The charity had no transactions in the prior financial year. However, this year the charity received a substantial donation from a trustee in the form of a property. The charity chose to sell this property which resulted in a significant cash injection in the year. This has been used to award grants in the current year and to provide funding for the foreseeable future. There is still a balance of over £2 million in the bank at the year end.

### Related parties

The charity awarded grants in the year to The Sanctuary of Healing Trust, a charity which Antony Clarkson is also a trustee. Details of the related party transactions can be seen in note 11.

### Grant making policy

The charity invites applications for funding of projects from individuals, charities and community organisations in particular for public benefit. The applications are made directly to the trustees, who meet regularly to assess the applications. The trustees then approve or reject the grants. Projects may be funded over varying periods of time, but the majority are made as one-off payments.

### REPORT OF THE TRUSTEES (CONTINUED) FOR THE YEAR ENDED 31ST MARCH 2024

---

#### FINANCIAL REVIEW

The attached statement of financial activities shows how funds were raised and applied during the year.

This statement separates funds which the charity controls itself (unrestricted funds) from those that have to be spent in a manner determined by the donor (restricted funds). In this financial year, all funds are unrestricted. During the year ended 31<sup>st</sup> March 2023 the charity was dormant. However, the charity has been operating in the current financial year.

There was a significant donation of a building made to the charity from Antony Clarkson for a value of £2,200,000 in May 2023. The building was subsequently sold by the charity. This has resulted in the high bank balance at the end of the financial year of £2,112,861. Due to the significantly high bank balance, bank interest received in the year was £47,406. Other than general overheads incurred, the charity awarded grants of £122,070.

The net movement in funds in the year was £2,110,701 which has arisen from the donation and sale of the property giving rise to a healthy bank balance which is in excess of grants awarded.

#### Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are free reserves of the charity, at levels which equate to an excess of its projected needs for the forthcoming year, thereby providing sufficient funds to cover management, administration and support costs and enable the ongoing development of projects. The trustees believe the net asset position is sufficient to satisfy such requirements although these levels of free reserves are reviewed on a regular basis.

#### Future plans

The charity will continue to support individuals, charities and community organisations in the furtherance of its objectives of supporting the general public.

#### STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with the United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the charitable company and of the surplus or deficit of the charitable company for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP and FRS 102;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

#### STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as we are aware, there is no relevant audit information of which the charity's auditors are unaware, and each trustee has taken all steps that he or she ought to have taken as a trustee in order to make himself or herself aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

#### AUDITORS

The auditors, Ainsworths Limited, are not proposed for re-appointment as the charity is anticipating it will be subject to audit exemption in the future.

#### CHARITY REQUIREMENTS

This report has been prepared in accordance with requirements set down by the SORP 2019.

## REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE PENDLE FOUNDATION

---

### OPINION

We have audited the financial statements of The Pendle Foundation for the year ended 31st March 2024 which comprise the Statement of Financial Activities, the Balance Sheet, Cash Flow Statement and the notes to the Financial Statements including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31<sup>st</sup> March 2024 and of the charity's incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant section of this report.

### Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, including the trustee's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF  
THE PENDLE FOUNDATION (CONTINUED)**

---

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the *Charities (Accounts and Reports) Regulations 2008* requires us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of the trustees**

As explained more fully in the trustees' responsibilities statement [set out on page 3], the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE PENDLE FOUNDATION (CONTINUED)

### Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 151 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charity and the nature of the sector in which it operates, we have identified that the principal risks of non-compliance with laws and regulations related to, but were not limited to, the Charities Act 2011 and tax legislation.

We have evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the override of controls) and determined that the principal risks were related to management bias in accounting estimates and judgements. Our audit procedures designed to address these risks included, but were not limited to:

- Enquiries with management, regarding any known or suspected instances of non-compliance with laws and regulations and fraud;
- agreement of the financial statements disclosures to the underlying supporting documentation;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risk of material misstatement due to fraud;
- challenging assumptions and judgements made by management in their significant accounting estimates;
- obtaining an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve concealment by misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

Ainsworths Limited is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 121 of the Companies Act 2006.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with section 151 of the Charities Act 2011 and the regulations made under 154 of that Act. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## 1. ACCOUNTING POLICIES

### **Statutory information**

The Pendle Foundation is a charitable company, limited by guarantee, registered in England and Wales. The charity's registered number and registered office address can be found on the Company Information page. Each member's personal liability is limited to an amount not exceeding £1.

### **Basis of preparation**

The financial statements have been prepared under the historical cost convention, in accordance with Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Trustees have taken advantage of the provisions of section 474(1) of the Companies Act 2006 and have prepared an income and expenditure account instead of a profit and loss account.

### **Incoming resources**

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income from donations, legacies, fundraising and similar incoming resources are included in the year in which they are receivable.

Any income received for specific purpose is accounted for as restricted funds when receivable.

### **Resources expended**

Expenditure is accounted for on an accruals basis (inclusive of attributable value added tax which cannot be recovered) and has been classified under the principal categories related to the cost.

Costs allocated to activities in the furtherance of the charity's objects are those directly associated with achieving the charity's goals. Governance costs are those incurred in connection with the management of the company's assets, organisational administration and compliance with constitutional and statutory requirements. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

### **Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees in the furtherance of the general activities of the charity. Surplus funds can be allocated to restricted projects if the trustees believe they are required.

Restricted funds are funds subject to specific restriction imposed by the donors for the purpose of any appeal in which the funds are raised and can only be used for particular purpose within the objects of the charity.

### **Debtors**

Short term debtors are measured at transaction price, less any impairment.

### **Creditors**

Short term creditors are measured at transaction price.
