**STATEMENT OF TRUSTEES RESPONSIBILITIES
FOR THE YEAR ENDED 31/12/2023**

Charity Law and the Companies Acts require the Board to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to

- Select suitable accounting policies and then apply them consistently,
- Make judgments and estimates that are reasonable and prudent and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any material departures disclosed and explained in the financial statements:

The trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the responsibility of the auditors in relation to the trustees' report is limited to examining the report and ensuring that on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.
