## **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST MAY 2025**

### **Objectives and Activities**

To advance health and save lives through (1) The promotion of public awareness of glioblastoma and the issues surrounding the condition (2) The provision of grants to organisations focusing on advancement in understanding and treatment of Glioblastoma

As these accounts relate to the 3rd year of the charity's existence, the main activities relating to this year have been fundraising events to accrue funds to enable the provision of grants mentioned above.

There have been a number of events that have taken place during this time namely:

1. Bath half marathon 2025 (March) runners organised by Wendy and Gareth Cooper (Trustee)
2. London Landmarks Half marathon 2025
3. Individually organised fundraising events e.g. John Elsey Sea to Summit challenge
4. 1 runner in the London Marathon (Dave Cooper)
5. Personal donations from charity supporters

From an awareness perspective the charity Facebook page has received many new visits, and remains home to the charity video which describes what the charity does and why it exists.

### **Trustee Selection**

Within the year we had 1 trustee step down (Lucy Singleton) and be replaced by a new trustee (Hester Thompson). We continue to review as trustees what the needs of the charity are after 3 years, and therefore which trustees we might wish to ask to join us in the

### **Achievements and Performance**

In its 3rd year, the charity accounts stand at £52,181.02.

For this year the main achievement has been to further build our available funds, but just over £10,000. This has been done via the aforementioned fundraising, linked to the events we have bought places at.

We have not made any grants in our 3rd year, as we have received no applications for these grants.

**KATHARINE RUTHERFORD'S SUNSHINE GLIOBLASTOMA FOUNDATION**

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31ST MAY 2025**

**Financial Review**

During 2024/25, funds increased due to a combination of fund raising linked to half marathons (x2), having a runner in the London marathon, and the efforts of John Elsey who completed his "Sea to Summit" challenge, raising a significant chunk of our funds for the year. Outgoings were £2,466, either paying for the entry fees for these events or the only other expenditure being on help on our tax return. At the end of the 2024/25 year, our reserves held therefore sat at £52,181.02. The cash balances held at the end of the year are considered adequate as the fundraising we get from the Half Marathons/events, significantly exceeds our entry costs, and our other outgoings are very low outside of any grants.

**Reserves Policy**

Our reserves are held so as to provide funds for organisations as and when we receive grant requests. Such requests have started to filter through and are discussed during trustees meeting

**Public Benefit**

All trustees have had access to the guidance issued by the Charity Commission on public benefit

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The Charities Act 2011 require the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the trust and of the surplus of the trust for that period. In preparing those financial statements the trustees are required

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare financial statements on the going concern basis unless it is inappropriate to presume that the trust will continue in existence.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the trust. They are also responsible for safeguarding the assets of the trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST MAY 2024

### Trustee Selection

The original set of trustees was selected based on proximity to Katharine, but also by trying to match the needs of the charity to skills of the individuals. As we move towards the end of the 2nd year of the charity, we have started to discuss (in trustees meetings) the needs of the charity going forwards, and the individuals we will look to approach as part of the transfer of trustees in the future. As part of this review Stephen Rutherford ceased his role as a trustee in the year, and will be replaced in February 2025.

### Objectives and Activities

To advance health and save lives through (1) The promotion of public awareness of glioblastoma and the issues surrounding the condition (2) The provision of grants to organisations focusing on advancement in understanding and treatment of Glioblastoma

As these accounts relate to the 2nd year of the charity's existence, the main activities relating to this year have been fundraising events to accrue funds to enable the provision of grants mentioned above.

There have been a number of events that have taken place during this time namely:

- 1 Bath half marathon 2023 (October) runners organised by Wendy and Gareth Cooper (Trustee)
- 2 Bath half marathon 2024 (March) runners organised by Wendy and Gareth Cooper (Trustee)
- 3 Personal donations from charity supporters

From an awareness perspective the charity Facebook page has received hundreds of new visits, and remains home to the charity video which describes what the charity does and why it exists.

### Trustee Selection

The original set of trustees was selected based on proximity to Katharine, but also by trying to match the needs of the charity to skills of the individuals. As we move towards the end of the 2nd year of the charity, we have started to discuss (in trustees meetings) the needs of the charity going forwards, and the individuals we will look to approach as part of the transfer of trustees in the future.

### Achievements and Performance

In its 2nd year, the charity accounts stand at £42,169.20. As mentioned last year, the charity funds also benefited from us transferring over the funds which were previously left in the community bank account, which was used whilst the charity was being set up

This year the main difference the charity has made has been issuing its first grant, given to Action Medical research for Children. The specific grant we have made, will contribute to funding a study, led by Professor Anderson and Dr Donovan at UCL Great Ormond Street Institute of Child Health, and will aim to develop new treatments for high-risk brain cancer in children, specifically Medulloblastoma and high-grade gliomas. These immunotherapy treatments, called chimeric antigen receptor (CAR) T cell therapy, have already been used effectively in treating some blood cancers treatments, and will be designed to be both gentler (which is very important given the side effects of current treatments), and more effective than current treatments for children.

**Financial Review**

During 2023/24, funds increased due to a combination of fund raising linked to half marathons (x2), and the transference of funds from the community fund set up whilst the charity registration was being formalized. Outgoings were higher, driven by entrance fees for Half Marathons, as well as our first grant being given out (£5,000). At the end of the 2023/24 year, our reserves held therefore sat at £42,169.20. The cash balances held at the end of the year are considered adequate as the fundraising we get from the Half Marathons, significantly exceeds our entry costs, and our other outgoings are very low outside of any grants.

**Reserves Policy**

## INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees of Katherine Rutherford's Sunshine Glioblastoma Foundation on the accounts for the year ended 31st May 2024 set out on pages 7 to 9.

### RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The charity's trustees consider that an audit is not required for this year (under section 144 (2) of the Charities Act 2011 (the Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of the Act),
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145 (5) (b) of the Act), and
- state whether particular matters have come to my attention.

### BASIS OF INDEPENDENT EXAMINER'S STATEMENT

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the organisation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the

### INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

### **Trustee Selection**

The original set of trustees was selected based on proximity to Katharine, but also by trying to match the needs of the charity to skills of the individuals. As we move towards the end of the 2nd year of the charity, we have started to discuss (in trustees meetings) the needs of the charity going forwards, and the individuals we will look to approach as part of the transfer of trustees in the future.

As these accounts relate to the first year of the charities existence, the main activities relating to this year have been fundraising events to accrue funds to enable the provision of grants mentioned above. There have been a number of events that have taken place during this

1. A fundraiser at Yeo Valley hosted by Gareth Cooper (Trustee)
2. A fundraiser at Yeovil Rugby Club hosted by George Cooper (Trustee)
3. "A Big Walk" organised by Gareth Cooper

### **Achievements and Performance**

In it's first year, the charity accounts stand at £5,710.90. In addition to this a number of funds were paid into the Community bank account that was used to set up the charity, but these were transferred to the main charity bank account after the end of the first year of accounts. As aligned with the charity commission these funds will be included in therefore in the 2nd year of our charity accounts, but this means that at the time of writing (08.10.2023) the company accounts now sit at £38,113.33.

The main difference the charity has made in year 1 has been around the awareness of Glioblastoma. Our social media pages are followed by over 350 people, and we post regular to our audience. Central to this has been a video commissioned during the first year to explain the charity to our followers. As a result our followers continues to grow steadily, meaning more individuals being aware of

Due to need to raise funds, and due to the charity being brand new and not having immediate awareness, we have not granted any funds to organisations aligned to our governing documents.

### **Financial Review**

See attached accounts.

### **Reserves Policy**

Our reserves are held so as to provide funds for organisations as and when we receive grant requests. Such requests have started to filter through and are discussed during trustees meeting.
