Employees & Wages

The charity does not have any employees and pays no wages.

Bankers

We have received money solely via PayPal in this our first accounting period. We have a bank account with The Co-Operative Bank, but it has not been used as of yet.

Our Aims & And How they Deliver Public Benefit

Below summarise are our aims and objectives:

Education/training

We disseminate information via our website, and blog about the harmful effects of micro plastics on the environment. We also give advice to businesses and charities on plastic pollution.

The Advancement Of Health Or Saving Of Lives

We remove plastic from the environment (primarily coastlines) and this has a (immeasurably small) positive cumulative impact on the health of flora and fauna including humans.

Environment/conservation/heritage

By removing plastic from the environment we are attempting to return it to its natural state.

Ensuring we Deliver

We monitor web traffic and search terms to check that our website, is delivering information to the public.

We also regularly publish metrics on the amount of plastic removed from beaches, relative to donations. The metric for this is GBP/KG.

Finances

Our funding is supplemented by direct payments for goods and services from Southwest Environmental Limited and from the personal funds of Will Thorpe (Trustee). At present the charities direct income is not sufficient to meet our expenditure, hence the subsidies.

Trustees & Volunteers also pay for some of their own food and fuel.

Income

Our income for this for our accounting period £610. Broken down as follows:

- £50 Donation from Southwest Environmental Limited
- £500 Grant from Sea Changers
- £60 Various Donations from Members of the Public

Grant from Sea Changers was restricted: Not to be used for the purchase of food and drink.

Out Goings

Our outgoings of £276 paid direct from our PayPal Account are for equipment:

- Large Bulk Bags for Collection of Plastics
- Gloves
- Camping Equipment (Table, Pegs, Propane, Saucepans, Bowls and Mugs)

The above equipment is required to ensure

- The efficient collection plastic from remote coastline locations.
- The safe, and hyenic living working conditions for trustees and volunteers.

Taxation

As a charity, Dorset Drugs Advice Centre is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or s256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges have arisen in the Charity.
