We bear much of the financial burden and the risk is that if people are not able to support us financially, we would be unable to get our own property and also support a large number of people in the community who come to us for help in times of crises.</p>
Other		<p>We are Christian church, we gather together to worship our Lord Jesus Christ, touching people's lives and studying the Word of God and follow the supernatural divine direction of God Almighty.</p>
