WILD MARLOW

England & Wales - Charity number 1197934

Accounts

Treasurer's Report for AGM – February 27th 2025

Wild Marlow once again generated a surplus in the year. For 2024, the figure was £2335. This arose from Income of £8420 and Expenditure of £6084.

There were three main sources of Income : Membership (£2138), Donations (£3300), Events & Sales (£2982). No Grants were received during the year.

There were five elements of Expenditure: Projects (£839), Purchases for Resale (£1884), Donations (£1745), Promotion (£1423), and Overheads (£193).

Two of the 4 key projects started in 2023 continued in 2024: The Vole Project funded by Thames Water and The Marlow Fire Station Project funded by Bucks CC.

Wild Marlow's biennial Photo Competition ran throughout the year. The resultant calendar was responsible for the vast majority of Events and Sales revenue and Purchases for Resale expenditure.

A single donation of £1745 was made in support of Save Marlow's Greenbelt's defence of the decision to refuse planning permission to Marlow Film Studios. Wild Marlow's donation was used to help cover legal costs in the Public Inquiry which has just ended. This donation was covered in full by personal contributions from individual trustees.

The majority of Promotion expenditure was again on the new website, which was launched during the year, to expand its capabilities.

At the end of the year, Wild Marlow's bank balance stood at £9692.

Achievements and Performance

	SORP reference	
	Para 1.20	<p>Our major activity of the year was the beginning of a Water Vole Recovery and Reintroduction Project. Once common in our area, a sighting of water vole is now very rare. This project has necessitated considerable investment in trail cameras, mink traps/rafts. This has been funded through generous donations and grants.</p> <p>Our second Bee Festival, scheduled for July, was unfortunately cancelled late in the day because of freak, unseasonal weather. A small loss was incurred for the day,</p>

		<p>which was recovered by a pop-up event distributing plants for pollinators locally.</p> <p>A major work party reinstated a wildflower area around Marlow Fire Station after it had been laid to lawn. A good working relationship has been developed with the service and further work will be carried out in 2024/5.</p> <p>These larger activities were supplemented throughout the year by wildlife themed events, including walks to appreciate swifts, bats, glow worms, bumblebees, wild orchids and butterflies as well as various practical work parties.</p>

Achievements and Performance

	SORP reference	
	Para 1.20	<p>The year's biggest achievement saw Marlow become recognised as England's first "Bee Town". This was celebrated at Marlow's first Bee Festival. This event was very well-attended and generated widespread awareness of and interest in the challenges faced by bees and other pollinators.</p> <p>The photo competition and the subsequent exhibition and calendar showcased local nature perfectly. Entrants came from right across the age spectrum.</p> <p>These larger activities were supplemented throughout the</p>

		year by wildlife themed events, including walks to appreciate swifts, bats, glowworms, bumblebees, wild orchids and butterflies. Work party activities included helping to restore the pond at a local primary school, creating habitats at a local cemetery and continued work on a wildflower area in a local park.
