01 Objectives and Activities

01: Objectives and Activities

02 Achievements and Performance.

Mission Statement:

Laura's Light is committed to supporting individuals affected by mental illness through financial assistance, guidance, education, and rehabilitation services. Our goal is to raise awareness about mental health issues, promote public education, and fund initiatives that provide essential care and support to those in need. We aim to empower both individuals and communities by advancing mental health awareness and facilitating access to crucial resources for recovery and well-being.

03 Financial Review.

Main Activities:

Laura's Light participated in the London Landmarks Half Marathon, a significant milestone as our first event of this kind. The marathon was a great success, raising essential funds for mental health initiatives and increasing awareness of our mission. Funds raised will help us advance our work in supporting individuals affected by mental health challenges.

Public Benefit:

The funds raised through the London Landmarks Half Marathon will directly support programs that assist individuals affected by mental health challenges, including access to care, education, and rehabilitation services. Additionally, some funds will enable *Laura's Light* to participate in similar events in the future, helping us achieve our long-term fundraising goals. By raising awareness and reducing stigma, this activity aligns with our commitment to delivering meaningful public benefit.

02: Achievements and Performance

Fundraising:

Over the course of the year, *Laura's Light* raised more than **£22,368**, with a significant portion coming from the **London Landmarks Half Marathon**. We also received generous support from individuals and businesses, including a local beauty company that contributed through their own fundraising efforts. These combined efforts have enabled us to directly fund mental health initiatives and set the foundation for future fundraising events, ensuring continued support for those in need. Additionally, some funds will be allocated to future fundraising events to sustain and expand our impact.

Impact and Success Stories:

- Repeat support to charities that we have worked with previously.
- Provided financial assistance to a collaborative partnership between a local café and Mental health organisation which facilitates weekly mental health sessions for the local community.
- Partnered with a local beauty company to raise awareness, demonstrating how small businesses can make a significant impact on mental health causes.
- A participant from the Half Marathon reflected: *"Being part of Laura's Light gave me a purpose, knowing my efforts were helping others on their mental health journey."*

Key Metrics:

- Events Held: 1 major event (London Landmarks Half Marathon)
- Funds Raised: £22,368
- Community Reach: Engaged over 50 people through awareness efforts, with 714 individual donations across our campaigns.

05. Future Plans

In the coming year, Laura's Light is excited to participate again in the TCTS London Marathon and London Landmarks Half Marathon 2025, continuing to raise awareness and funds through these events. We also plan to organise one of our own fundraising events, which will help us engage directly with our supporters and build a stronger community. Additionally, we aim to foster closer relationships with the mental health organisations we financially support, with more face-to-face meetings to explore where we can offer further assistance. The reason we didn't make bigger donations in this financial year is to enable us to spend more on future fundraising for even bigger fundraising returns. We will also not be changing administrative processes to lower costs.

06. Statement of Responsibilities

The trustees confirm that the annual report and financial statements are a true and fair representation of the charity's activities. Trustees are committed to ensuring proper governance and compliance with the Charity Commission's requirements.
