The trustees present their statutory report together with the financial statements for HEP Horizons from inception on 24 February 2022 to 31 July 2023.

The financial statements have been prepared in accordance with the accounting policies set out on pages 14 to 16 and comply with HEP Horizons' constitution, applicable laws and the requirements of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

Objectives and Activities

Principal Activities

The objectives of HEP Horizons are to advance education for the public benefit in particular the education of children and young people, particularly those from disadvantaged communities or circumstances including, without limitation by

- a) providing educational support such that they have equal access to the same educational opportunities as those from more advantaged backgrounds, and
- b) providing support to individuals and organisations advancing the education of such people.

Horizons aims to create game changing opportunities for children and young people across Haringey and Enfield, by addressing inequality in access to extra-curricular activities including: creative arts, sports, technology, academic support and experiences.

Review of Activities

Horizons aims to:

- a) Secure funding and develop partnerships to enable equity of access to extra-curricular activities
- b) Deliver specific opportunities for children and young people
- c) Focus our support on children and young people from disadvantaged backgrounds and those facing significant barriers.

Horizons was formally incorporated at the beginning of this reporting period and therefore an initial focus has been to develop the vision, strategy, communication and operations of the organisation. Horizons was introduced to school leaders across Haringey and Enfield to develop relationships such that schools could draw on opportunities and funding from Horizons to benefit their students. Horizons staff and trustees made significant relationships with potential delivery partners and supporters, including Tottenham Hotspur Foundation and The Brit School. Wider branding, social media accounts and the website were established by Easter. Horizons then held a successful official launch and fundraising gala "One Step Beyond" at Alexandra Palace in October 2022 with national media coverage.

Objectives and Activities (continued)

Review of Activities (continued)

During this period, Horizons undertook a number of activities, including:

- ◆ A music talent competition "Sound the Alarm" evaluated by industry judges, which led to a number of entries and the winner joining major stars on stage at Horizons' launch event and delivering a solo performance
- ◆ Support for the winner and runner up to Sound the Alarm for a future career in the music industry, including a professional recording session and vodcasting session with industry leaders
- ◆ A day for primary age students creating a short film with Charlie Higson, entered into the Smiley Charity Awards
- ◆ Vodcasting at Spiritland studios with Suggs and Football Beyond Borders with two secondary age students
- ◆ A podcasting workshop "Pitch a Podcast" in partnership with Little Cactus to support students to find their voice and develop the technical skills to produce a professional podcast
- ◆ Securing funding from Progress Foundation to build on Pitch a Podcast with a podcasting work experience week for Year 12 students in July
- ◆ Offers for young people and school to access: 50 free places made available to The Ultimate Seminar 2023 with music industry executives; free access to the Ellevote football app for children and young people in Haringey and Enfield; and discounted access to opportunities at The Brit School.

Horizons has now positioned itself to deliver further opportunities for children and young people. However, despite some successful fundraising, the fundraising environment is challenging. The shared vision along with income, ongoing capacity and in-kind support from Haringey Education Partnership continues to be significant and provides stability.

Structure, Governance and Management

HEP Horizons was incorporated on 24 February 2022 as a charitable incorporated organisation. Haringey Education Partnership (company number 11122483) is the parent company for Horizons. As set out in the constitution for Horizons, the parent has the power to appoint and remove charity trustees on the provision of notice to the CIO.

Trustees

The current charity trustees are listed on page 1 of this document.

Two trustees (Valerie Hannon and James Page) were appointed by the parent company, comprising the Chair of the Board and Chief Executive of Haringey Education Partnership.

Three trustees (Anne Baxendale, Resham Mirza and Patrick Cozier) were selected from an open recruitment process among school leaders in Haringey and Enfield.

Structure, Governance and Management (continued)

Trustees (continued)

After serving as Chair of Trustees, Anne Baxendale resigned her position as a trustee and was replaced by James Page as Chair. No trustee was sought to replace Anne Baxendale and the trustees continued with the remaining four trustees.

Trustees met as a Board on a monthly basis through this period to take key decisions and provide strategic direction.

Key management personnel

Through this period, Horizons has benefitted from a slim staffing structure. Initially, this included a fundraising lead and deputy, replaced in March 2023 with the appointment of a new Chief Executive. In addition, Haringey Education Partnership provided in-kind support through additional capacity from the HEP team.

Fundraising

The environment for fundraising is challenging. However, Horizons has raised money through the following routes:

- a) Substantial donations from the parent company Haringey Education Partnership, including significant investment to support the initial set up of Horizons
- b) Fundraising at the Horizons launch event
- c) A charitable donation from Pointless Celebrities
- d) One successful application to a foundation
- e) Private donations from individual donors and sponsored events

Public Benefit

The trustees have noted the Charity Commission guidance on the public benefit requirement under the Charities Act 2011 and are confident that the activities of HEP Horizons comply with this requirement.

The trustees will ensure that, in administering the charity, they will continue to pay due regard to the Charity Commission guidance on public benefit.

Structure, Governance and Management (continued)

Trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of the income and expenditure of the Charity for that period.

In preparing these statements the trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently;
- ◆ observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102);
- ◆ state whether applicable United Kingdom accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;
- ◆ make judgements and accounting estimates that are reasonable and prudent; and
- ◆ prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and to disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Each of the trustees confirms that:

- ◆ so far as each Trustee is aware there is no relevant audit information of which the charity's auditor is unaware;
- ◆ each Trustee has taken all the steps that they ought to have taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

This information is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

The trustees are responsible for the maintenance and integrity of financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Financial Review for the period ended 31 July 2023

Financial Report

The financial results for the period to 31 July 2023 are set out in the sections below.

Total income for the year amounted to £363,735 and total expenditure amounted to £302,169 resulting in a surplus for the period of £61,566. Total reserves as at 31 July 2023 amounted to £61,566 and the total cash balance was £101,804.

Reserves Policy and financial position

The charity aims to keep at least a year's worth of basic operating expenditure in reserves to ensure its continued financial viability. Reserves at 31 July 2023 are comfortably in excess of this and all reserves are unrestricted. The trustees consider that these are sufficient to cover the current commitments and continuing activities of the charity and allow for continued charitable expenditure over the coming year.

Risk Management

The following risks – and related mitigating activities – have been identified by the trustees to be actively managed.

- a) Failure to fundraise leads to Horizons reducing or ceasing funding for charitable activities
- b) Horizons can no longer meet core costs and trustees must determine the charity is no longer a going concern
- c) Safeguarding or other incident occurs as part of a Horizons event causing reputational damage
- d) Mismanagement of grant funding by a school (or other recipient) leads to reputation damage
- e) Action by a Horizons trustee or ambassador leads to reputational damage
- f) Audit of accounts finds significant issues in management of Horizons finances
- g) A Horizons donor is discovered to have given funds from an illegitimate source leading to reputational damage.

Future plans

The moral purpose and charitable objects of Horizons remain unchanged. Looking ahead, the trustees are pleased to continue Horizons' focus on providing greater equity of access to extra-curricular activities. Trustees are clear there is scope for a) Horizons to deliver new opportunities for vulnerable students in Haringey and Enfield schools, and b) to develop a grant giving process for Haringey and Enfield schools to enable them to support their children and young people in the most effective way. A key challenge will be balancing the ability to fundraise with the costs (particularly staffing) of running the charity and using funding effectively to support children and young people.

Trustees' report Period from 24 February 2022 to 31 July 2023

Chair of Trustees

Independent auditor's report to the trustees of HEP Horizons

Opinion

We have audited the accounts of HEP Horizons (the 'charity') for the period from 24 February 2022 to 31 July 2023 which comprise the statement of financial activities, the balance sheet, the principal accounting policies and notes to the accounts. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the accounts:

- ◆ give a true and fair view of the state of the charity's affairs as at 31 July 2023 and of its income and expenditure for the period then ended;
- ◆ have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- ◆ have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the accounts section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the accounts, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the accounts is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the accounts are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

Other information (continued)

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- ◆ the information given in the trustees' annual report is inconsistent in any material respect with the accounts; or
- ◆ sufficient accounting records have not been kept; or
- ◆ the accounts are not in agreement with the accounting records and returns; or
- ◆ we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Auditor's responsibilities for the audit of the accounts (continued)

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- ◆ the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations; and
- ◆ we obtained an understanding of the legal and regulatory frameworks that are applicable to the charity and determined that the most significant frameworks which are directly relevant to specific assertions in the financial statements are those that relate to the reporting framework (Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011).

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- ◆ making enquiries of management as to their knowledge of actual, suspected and alleged fraud; and
- ◆ considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- ◆ performed analytical procedures to identify any unusual or unexpected relationships;
- ◆ tested journal entries to identify unusual transactions; and
- ◆ assessed whether judgements and assumptions made in determining the accounting estimate for the property valuations were indicative of potential bias.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- ◆ review of the minutes of meetings of those charged with governance; and
- ◆ enquiring of management as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

Auditor's responsibilities for the audit of the accounts (continued)

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and with regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Chair of Trustees

Principal accounting policies Period from 24 February 2022 to 31 July 2023

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are laid out below.

Basis of preparation

These financial statements have been prepared for the period 24 February 2022 to 31 July 2023. This is the first year of accounts for the charity so there is no comparative information displayed.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102, Charities SORP FRS 102), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the requirements of the Companies Act 2006. In line with FRS102, expenditure is recognised in the period in which costs are incurred.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Going Concern

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The directors have made this assessment in respect of a period of one year from the date of approval of these accounts, within the context of a future challenging financial landscape. The trustees have received and reviewed a comprehensive and rigorous assessment of going concern and liquidity. They are cognizant of the challenging fundraising environment and the need to control expenditure accordingly.

Income

Income is recognised in the period in which the charity has entitlement to the income, the amount of income can be measured reliably and it is probable that the income will be received.

Grants and donations are recognised when the charity has confirmation of both the amount and settlement date. In the event of grants or donations pledged but not received, the amount is accrued for where the receipt is considered probable. Amounts received for application in future periods are held on the balance sheet as deferred income and released to the statement of financial activities in the relevant period. In the event that a grant or donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Donations in kind

The charity currently does not have to pay any accommodation costs for its premises and receives administrative support for which it is not charged. It has been decided that the accounts should reflect a reasonable calculation of these charges and corresponding income in the form of donations in kind should be included to reflect the costs the charity would have to bear if it no longer had this support.

When the charity receives donated equipment that is also reflected in the accounts as a cost and corresponding income.

Expenditure recognition

All expenditure is accounted for on an accruals basis and stated inclusive of irrecoverable VAT.

Expenditure on raising funds includes all expenditure associated with generating donations and grants for the charity.

Expenditure on charitable activities comprise expenditure on the charity's primary charitable purposes. It includes costs directly attributable to the activity as well as the central overheads including governance costs.

Fund structure

Restricted funds comprise monies raised for a specific purpose, or donations subject to donor-imposed conditions.

Unrestricted funds represent those monies which are freely available for application towards achieving any charitable purpose that falls within the charity's charitable objects.

Debtors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid. They have been discounted to the present value of the future cash receipt where such discounting is material.

Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition.

Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the charity anticipates it will pay to settle the debt. They have been discounted to the present value of the future cash payment where such discounting is material.

Principal accounting policies Period from 24 February 2022 to 31 July 2023

Statement of cash flows

The financial statements do not include a statement of cash flows because the charity is considered a small charity and is therefore exempt from the requirement to prepare such a statement under the Charities SORP FRS 102 Update Bulletin 1.

Judgements and key sources of estimation uncertainty

In the application of accounting policies the trustees are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities.

The estimates and underlying assumptions are reviewed on an ongoing basis, and cash flow projections are based on estimates and information available at the time which could change and are inherently subject to change depending on government policy and guidelines. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

1 Donations and grants

	Un- restricted £	Restricted £	Total 2023 £

The restricted funds represent grants and donations received for specific purposes within HEP Horizons. The purposes for which the funds have been received are described in the above table.

10 Related party transactions

During the period, HEP Horizons received in-kind support in the form of Staffing and Office space from Haringey Education Partnership for a value of £18,313.

During the period, HEP Horizons received donations of £125,000 and £94,000 from Haringey Education Partnership.

During the year, HEP Horizons incurred expenditure to Haringey Education Partnership of £235,736, to which it owed Haringey Education Partnership £29,095 at the year-end, which is included in creditors.

During the period, the charity received aggregate donations of £3,900 from one Trustee.
