This includes the operation of a community care farm to improve wellbeing and quality of life.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	We provide inclusive educational and vocational experiences in animal care, horticulture, crafts, and environmental activities. Our aim is to increase confidence, independence, and social engagement, especially for young people and adults with special educational needs (SEN), disabilities, or those facing other life challenges.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees confirm they have had due regard to the Charity Commission's guidance on public benefit.

Policy on social investment including program related investment	Para 1.38	
Contribution made by volunteers	Para 1.38	Sandy's Farm is powered by over 20 dedicated volunteers. In addition to giving their time, they have supported us with donated materials, food, and other essentials. Their efforts keep the farm

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the year, Sandy's Farm has provided hands-on opportunities for over 100 young people with special educational needs, disabilities, or social disadvantages through placements, volunteering, and alternative education. The launch of ASDAN qualification delivery on-site allowed students to achieve meaningful progress toward vocational and life skills.</p> <p>We completed and opened a new education cabin with donated materials and volunteer labour, enabling sheltered, year-round learning. Our weekly Young Farmers Club, goat-walking sessions, and Mini Pony Club welcomed dozens of participants from across the community, many of whom struggle with mainstream settings.</p> <p>The mobile petting farm visited schools, care homes, and community events, promoting inclusion and rural education while reaching individuals unable to visit the farm. Media exposure following a visit by MP Nigel Farage and coverage by GB News helped raise nearly £20,000 and sparked new referrals from Essex County Council.</p> <p>Volunteers recovering from addiction, social isolation, or unemployment reported improved wellbeing and a renewed sense of purpose through their involvement. Our work continues to bridge gaps in education, therapy, and social connection for vulnerable groups in Essex.</p>
Achievements against objectives set	Para 1.41	<p>Sandy's Farm set out to create an inclusive, supportive environment where individuals of all ages and abilities could engage in animal care, horticulture, and outdoor learning. We achieved this by:</p> <ul style="list-style-type: none"> • Delivering over 100 structured

		<p>placements for students with special educational needs and disabilities (SEND), fulfilling our objective to provide practical education and personal development opportunities.</p> <ul style="list-style-type: none"> • Launching ASDAN qualification pathways to support vocational skill-building in line with our mission to develop employability and independence. • Constructing and opening a new education cabin, enhancing our ability to deliver year-round services, and directly contributing to our goal of creating accessible learning spaces. • Expanding community engagement through weekly clubs and mobile outreach sessions, aligning with our aim to promote social inclusion and reduce isolation. • Sustaining operations entirely through volunteer support and donations, demonstrating strong alignment with our founding vision of community-powered impact. <p>All these achievements have directly contributed to improving the quality of life, confidence, and skills of our beneficiaries, while fostering a greater sense of community and purpose.</p>
<p>Performance of fundraising activities against objectives set</p>	<p>Para 1.41</p>	<p>Fundraising activities at Sandy's Farm this year focused on generating core income to sustain free and low-cost access for vulnerable young people and adults. Despite limited capacity and no paid staff, we successfully:</p> <ul style="list-style-type: none"> • Raised nearly £20,000 following national media exposure, including support from MP Nigel Farage and GB News. • Received in-kind donations of timber, fencing, animal feed, and construction materials, helping complete essential infrastructure like our new education cabin. • Launched a GoFundMe campaign, actively promoted across social media, which

		<p>helped attract small-scale recurring donations from supporters.</p> <ul style="list-style-type: none"> • Attended community events and fetes with our mobile animal unit to raise awareness and collect contributions, expanding both visibility and income streams. • Submitted multiple grant applications (including National Lottery and Tendring District Council funds) in line with our goal to secure long-term financial sustainability. <p>While we remain heavily dependent on volunteer support and one-off donations, this year's fundraising performance has laid a foundation for greater future resilience and growth.</p>
Investment performance against objectives	Para 1.41	Sandy's Farm does not currently hold any financial investments. All available funds are used directly for operational purposes and charitable activities. As such, there was no investment activity during the period, and no investment objectives were set or reviewed.
Other		
Review of the charity's financial position at the end of the period	Para 1.21	At the end of the reporting period, Sandy's Farm continued to operate with no financial reserves. The charity remained reliant on volunteer labour, in-kind donations, and direct trustee support to cover core costs. Although cash flow has been tight, the farm remained operational throughout the year thanks to significant community support and the personal contributions of trustees. Income from mobile farm visits, educational placements, and fundraising has increased, helping to reduce the deficit, though the charity remains financially vulnerable without core grant funding.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Sandy's Farm does not currently hold financial reserves due to limited unrestricted income and high ongoing operational costs. As a volunteer-run organisation, any funds received are used immediately to support frontline delivery of services. However, the trustees recognise the importance of building a reserves policy and aim to establish a small operating reserve in

		future years to ensure continuity of services and to manage unforeseen costs. This will be reviewed as the charity's financial position stabilises.
Amount of reserves held	Para 1.22	0
Reasons for holding zero reserves	Para 1.22	The charity operates on a volunteer-only basis with limited unrestricted income. All funds received are immediately used to support the delivery of essential services. Due to financial constraints and reliance on donations, Sandy's Farm has not been able to build up a reserve. Trustees have personally supported shortfalls when needed. Establishing a reserve remains a future objective once core funding is secured.
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Sandy's Farm is experiencing growing interest and engagement from the community, local authorities, and schools. This has led to increased referrals and demand for our services. While the charity currently operates without core funding, the trustees are confident in the long-term sustainability of the project. We have submitted multiple grant applications and are in discussions regarding service agreements with Essex County Council. With continued community support and increasing visibility, the trustees are optimistic about securing the funding required to sustain and expand operations in the year ahead.
The charity's principal sources of funds (including any fundraising)	Para 1.47	Community donations, mobile petting farm visits, educational placements, in-kind support, and online fundraising. Grant applications are underway to secure long-term funding.

SANDY'S FARM

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 1 APRIL 2023

I report on the accounts of Sandy's Farm for the year ended 1 April 2023 which are set out on pages three to six.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year (under section 144 (2) of the Charities Act 2011 (The Act) but that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act;
- To follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the Charities Act); and
- To state whether particular matters have come to my attention.

Basis of independent examiner's Statement

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes considerations of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
