The charity is a Charitable Incorporated Organisation (CIO) foundation formed on 25 February 2022 and is governed by a constitution.

Method of recruitment and appointment of trustees

The trustees of the charity are appointed by the trustees at a duly convened meeting.

Roleystone Horse and Pony Sanctuary

Trustees' report (continued) for the year ended 31 March 2025

Objectives and activities

The charity's objects

To promote humane behaviour towards equines by providing appropriate care, protection, treatment and security for equines which are in need of care and attention by reasoning of sickness, maltreatment, poor circumstances or ill usage and to educate the public in matters pertaining to equine welfare in general and the prevention of cruelty and suffering among equines.

The charity's main activities

Promote humane behaviour towards Equines by providing appropriate care, protection and security and to rehome equines where appropriate. We also provide school and work placements for educational needs.

Public benefit statement

In setting our objectives and planning our activities our Trustees have given serious consideration to the Charity Commission's general guidance on public benefit and in particular animal welfare.

Achievements and performance

We have put our track system and a new Field Shelter onto the sanctuary which is amazing for the horses to stay out during the winter and also the field shelter is helpful with the hot summers. This is a big improvement for the sanctuary. We have had many volunteers from corporate companies on away days to help improve our fencing and painting which is an ongoing necessity.

Our volunteers work to the best of their ability to keep the sanctuary running smoothly and giving the horses the best quality of life. Great care is taken when dealing with the elderly horses and ponies in our care, they are all on the correct medication and administered on a daily basis.

Financial review

The net expense for the year was £24,738, all of which was unrestricted in nature.

Reserves policy

The charity's free reserves, excluding fixed assets, at the year end were £111,911.

The charity does not have a formal reserves policy, however we are retaining and building funds in order to purchase more land if the opportunity arises. The land which the stables stands on is rented on a year by year basis and we are hoping that if this land ever comes up for sale we will have enough funds to purchase it.

Approved by the board of trustees on 17/11/25

Independent examiner's report to the trustees of Roleystone Horse and Pony Sanctuary

I report to the charity trustees on my examination of the accounts of the CIO for the year ended 31 March 2025, which are set out on pages 5 to 8.

Responsibilities and basis of report

As the charity trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the CIO's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act;
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Structure, governance and management

The charity is a Charitable Incorporated Organisation (CIO) foundation formed on 25 February 2022 and is governed by a constitution.

The CIO existed alongside the previous charity of the same name during the previous financial year. The CIO has the same objects as the old charity and in light of this the trustees had agreed to transfer the old charity's net assets to the new CIO on 1 April 2023 and to manage the closure of the old charity. This set of accounts has therefore been prepared on the basis that a merger of the 2 organisations has taken place.

Method of recruitment and appointment of trustees

The trustees of the charity are appointed by the trustees at a duly convened meeting.

Public benefit statement

In setting our objectives and planning our activities our Trustees have given serious consideration to the Charity Commission's general guidance on public benefit and in particular animal welfare.

Achievements and performance

We had many plans for the land owned by the sanctuary. Putting down a track so the horses would have access to outside space in the winter and also building another field shelter in the back field, but unfortunately, the bad weather caught up with us and we were not able to access the land with machinery, so this has been put on hold. We have plans to do this in summer of 2024.

Our volunteers work to the best of their ability to keep the sanctuary running smoothly and giving the horses the best quality of life. Great care is taken when dealing with the elderly horses and ponies in our care, they are all on the correct medication and administered on a daily basis.

Achievements and performance

The CIO was formed on 25 February 2022 and since its registration the work of the Sanctuary has continued through the unincorporated charity, Roleystone Horse and Pony Sanctuary. Arrangements were made to transfer all assets to the CIO from 1 April 2023. Prior to this the unincorporated charity made a donation to the CIO in order to purchase a piece of land which had previously been rented by the unincorporated charity for many years. This has provided security regarding the future of the Sanctuary, by means of a permanent location to house the animals.

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act;
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

Going concern

The trustees are satisfied that there are no material uncertainties about the charity's ability to continue.

Incoming resources

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity becomes entitled to the resources, if it is more likely than not that the trustees will receive the resources and the monetary value can be measured with sufficient reliability.

Grants and donations

Grants and donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Where grants are related to performance and specific deliverables, they are accounted for as the charity earns the right to consideration by its performance.

Taxation

As a charity the organisation benefits from rates relief and is generally exempt from income tax and capital gains tax but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

Tangible fixed assets

Tangible fixed assets costing more than £1,000 are capitalised and included at cost including any incidental expenses of acquisition. Gifted assets are shown at the value to the charity on receipt. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost on a straight line basis over their expected useful economic lives as follows:

Freehold land: nil

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
