SHRI GURU RAVIDASS TEMPLE (FOLESHILL)

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST JULY 2025

The trustees present their report with the financial statements of the charity for the year ended 31st July 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives detailed in the governing document are:

1. The advancement of Religion according to the teachings of shri Guru Ravidass
2. Promote Ravidassia faith by providing a place of worship
3. Promote Ravidassia faith by educating people in the teachings of Shri Guru Ravidass
4. Helping those in need through poverty and sickness.

Public benefit

The management committee and the trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance given on charities and the advancement of religion. The work of the temple gives rise to public benefit by enabling ordinary people to live out their faith as part of the community through:

- (a) The maintenance of a place of worship with the services of a religious worker who is tasked to serve and meet the spiritual and religious needs of devotees.
- (b) The provision of resources for the teaching of the principles of Shri Guru Ravidass Ji.
- (c) The provision of care and advice for the congregation and local people.
- (d) The provision of langar, a community kitchen providing free meals to the congregation and local people.

Volunteers

The Charity required approximately 19,240 hours of volunteer's efforts in the year to carry out its obligations particularly in the areas of maintenance, preparation and management of festivals, events, catering and administration. It is difficult to attribute an economic value to this contribution that the volunteers make of their time but it is crucial to the basic function of the Charity. The committee ensures that best value is derived from the efforts of the volunteers.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

The objectives detailed in the governing document were achieved in this year as follows:

- (a) The advancement of Religion according to the teachings of Shri Guru Ravidass
The charity provided religious services at the temple
- (b) Promote Ravidassia faith by providing a place of worship
The charity managed and maintained the temple.
- (c) Promote Ravidassia faith by educating people in the teachings of Shri Guru Ravidass
Literature and materials in both English and Punjabi are made available to the congregation and local people.
- (d) Helping those in need through poverty and sickness
This objective was achieved by the provision of Langar, (meals and refreshment), each day for the congregation and others.

Issues outstanding at the start of the year:

- 1. Begin the process of recording and claiming gift aid.
- 2. Make arrangements for a second religious worker to come to the temple.

Matters arising during the year:

- 1. We are now recording and claiming Gift Aid. The first claim was submitted in October 2024 and was successful.
- 2. A second religious worker has been identified, and the necessary application has been submitted. We are currently awaiting a decision from UKV&I.
- 3. Refurbishment work in the dining area has been completed. In addition, improvements have also been carried out in the ladies' toilets.
- 4. The dining-area refurbishment included some thermal improvements. However, we are continuing to explore additional measures to enhance the building's overall thermal efficiency.
- 5. Off-site parking is available through NP and the Livingstone Road Surgery, who provide access to their car park facilities for weekend use. This arrangement is generally sufficient, though capacity remains an issue during our annual celebration. Further enquiries and options are being pursued.

For the future the following issues need to be addressed:

- 1. Continue to look into parking solutions.
- 2. Continue to look into measures to improve thermal efficiency.

FINANCIAL REVIEW

Reserves policy

Over and above any Restricted Funds, it is the policy of the charity to maintain unrestricted reserves not committed or invested in tangible assets, which are the free reserves of the charity, at a level, which equates to approximately three years unrestricted expenditure. This should provide sufficient funds to cover operational costs of the current activities of the charity in the event of a significant decline in donations income. The period would then give sufficient time to consider how the funding would be replaced or the activities changed.

In addition, the unrestricted reserves also need to be available to fund future work anticipated on the temple and any other planned capital expenditure should the charity be required to do so within a short time scale. In particular, major refurbishments to the temple building are planned. The target levels for free reserves have therefore not been achieved. For the foreseeable future, net incoming resources will be accumulated, subject to the capital expenditure planned, until the target levels are achieved.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The charity is governed under the rules laid down in its constitution adopted on 18th December 2021.

Organizational structure

The Executive Committee members are elected by members using a democratic electoral system and serve a term of two years. New trustees do not receive formal training but are guided in their duties by the existing trustees.

The Executive Committee, (Charity Trustees), may meet regularly, (and ad hoc when required), to consider the proper running of the trust and its activities. There are time limited sub-committees which deal with specific issues and matters as directed by the Executive Committee. Those sub-groups report to the Executive Committee, which then considers their recommendations.

The four Honorary Trustees are appointed by the members are responsible for maintaining continuity in the event of action(s)/event(s) which would render the trustees position(s) untenable. They meet the executive committee of the charity when necessary.
