## NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 29 MARCH 2025

### Company information

HOPE HUMANITARIAN RELIEF ORGANIZATION  
3 FOLD KINGS NORTON BIRMINGHAM  
B38 9BL

### 1. ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of these financial statements, together with the key judgements and areas of estimation uncertainty, are set out below. These policies have been consistently applied throughout the year unless otherwise stated.

#### 1.1 Accounting convention

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) — effective 1 April 2021 (“Charities SORP (FRS 102)”), the Financial Reporting Standard applicable in the UK (FRS 102), the Companies Act 2006, and the Charities Act 2011.

RIBA Free Foundation meets the definition of a **public benefit entity** under FRS 102.

Assets and liabilities are initially recognised at cost or transaction value, unless otherwise stated in the relevant accounting policies.

As the charity qualifies as a **small entity** under the provisions of FRS 102, the charitable company has taken advantage of the disclosure exemptions available under Section 1.11 of FRS 102, including:

- Exemption from disclosing the carrying amounts of each category of financial assets and financial liabilities at the reporting date, as required by Section 11.41 of FRS 102; and
- Exemption from presenting a cash flow statement as a primary statement within these financial statements.

#### 1.3 Income

Income is recognised when the charity is entitled to the funds, the receipt is probable, and the amount can be measured reliably.

Income from donations, grants and similar sources is recognised when the charity has an enforceable right to the income, any performance conditions attached to the income have been met, and it is probable that the economic benefits associated with the transaction will flow to the charity.

# HOPE HUMANITARIAN RELIEF ORGANIZATION

## NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE PERIOD ENDED 29 MARCH 2025

Where income is received in advance of meeting any performance-related conditions, such amounts are deferred and recognised in future periods when the conditions for entitlement are satisfied.

### **1.4 Fund accounting**

The charity maintains two types of funds — unrestricted and restricted — in accordance with the principles set out in the Charities SORP (FRS 102).

Unrestricted funds are funds that are available for use at the discretion of the Trustees in furtherance of the general charitable objectives of the organisation and which have not been designated for any specific purpose.

Restricted funds are funds that can only be used for particular purposes specified by the donor or through the terms of an appeal. Such funds are expended in accordance with the donor's instructions.

### **1.5 Expenditure**

All expenditure is recognised on an accruals basis and is classified under headings that aggregate all costs related to the category of activity. Where costs cannot be directly attributed to a specific heading, they are apportioned on a reasonable and consistent basis that reflects the use of resources.

Expenditure on raising funds includes the costs of fundraising events, campaigns, publicity, and public relations, together with any associated support costs.

Expenditure on charitable activities includes the direct costs of delivering the charity's objectives and associated support costs necessary to carry out those activities.

Irrecoverable VAT is charged as an expense to the activity to which it relates.

### **Allocation of support costs**

Support costs are those costs that, while necessary to deliver the charity's activities, do not themselves constitute direct charitable expenditure. These include costs relating to administration, finance, human resources, information technology, and governance.

Support costs have been allocated between the cost of raising funds and charitable activities on a reasonable, consistent, and justifiable basis — as detailed in Note 1.9 to the financial statements.

### **1.6 Tangible fixed assets**

It is the policy of the Trustees to capitalise individual items of tangible fixed assets with a cost of £500 or more. Items costing below this threshold are written off to expenditure in the year of purchase.

# HOPE HUMANITARIAN RELIEF ORGANIZATION

## NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE PERIOD ENDED 29 MARCH 2025

Tangible fixed assets are stated at cost less accumulated depreciation and any impairment losses.

Depreciation is provided to write off the cost of tangible fixed assets over their estimated useful lives on a systematic basis, commencing in the year of acquisition and ceasing in the year of disposal.

### 1.7 Cash at bank and in hand

Cash at bank and in hand includes cash balances and deposits that are repayable on demand, together with short-term, highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

Bank overdrafts that are repayable on demand and form an integral part of the charity's cash management are included within cash and cash equivalents in the statement of cash flows. All other overdrafts are presented within current liabilities.

### 1.8 Taxation

Hope Humanitarian Relief Organization is a registered charity within the meaning of Finance Act 2010.

Accordingly, the charity is potentially exempt from taxation on income and gains falling within Part 11 of the Corporation Tax Act 2010 and Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income and gains are applied for charitable purposes.

### 1.9 Support Cost

Support costs represent those costs incurred in support of the charity's activities but which do not directly relate to a single charitable project. These costs have been apportioned based on management estimates of time, usage, and the level of staff involvement in each activity.
