

Trustee's Report

The charity was set up on 11 March 2022 to help the Horn of African people integrate into the local Birmingham and British culture and community and the sense of solidarity and cohesion into their family and social life by face-to-face interaction and through social medial.

A bank account was applied for but not yet completed in this reporting period therefore there has been no income or expenditure in this period.

The charity set out (designed) its strategic plan for achieving its objectives in its immediate and long term plan.
