3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Risk management

The trustees have identified and reviewed the major risks to which the charity is exposed, in particular those related to the operations and finance of the charity, and are satisfied that systems are in place to mitigate those risks.

Financial risk management and policies

The charity holds or issues financial instruments in order to achieve three main objectives being:

- a) to finance its operations
- b) to manage its exposure to interest and currency risks arising from operations and from its sources of finance; and
- c) for generating funds.

In addition various financial instruments (e.g. trade debtors, trade creditors, accruals and prepayments) arise directly from the charity's operations.

Credit risks

The charity monitors credit risk closely and considers that its current policies of credit risk checks meets its objectives of managing exposure to credit risk.

The charity has no significant concentrations of credit risks. Amounts shown in the balance sheet represent the maximum credit exposure in the event other parties fail to perform their obligations under the financial instrument.

It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

OBJECTIVES AND ACTIVITIES

Objectives

The charity is established for the purpose of the advancement of charitable purposes (according to the law of England and Wales) as the trustees see fit from time to time in particular but not limited to making grants towards advancing the orthodox Jewish faith, the relief of sickness and preservation of health and the relief of financial hardship and poverty.

Activities

The charity makes grants to various institutions which are identified by the trustees as advancing the objectives of the charity. There are no changes envisaged in the immediate future.

Public benefit

The trustees have considered the Charity Commission's guidance on public benefit and consider that the charity conforms with them.

The following sections for achievements and performance and financial review and investment policy form the strategic report of the charity.

I report to the trustees on my examination of the financial statements of Ktrust Ltd ('the charity') for the year ended 30 November 2023.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
