Objective and activities

iZinga Assist is an agency that created and provides a digital platform that facilitates the verification, compliance, ratings and assisting of non-profit organisations in sub-Saharan Africa. The aim of the platform is to restore the trust and transparency between international donors and the non-profit sector.

Harnessing the power of modern technology, we have developed a robust method and created a digital platform to evaluate, rate and verify NPOs, aiming to instil confidence in donors in making philanthropic choices. iZinga Assist offers a platform where NPOs can be verified, and donors can discover credible, ethical and transparent organisations. In connecting donors with reputable NPOs, we aim to facilitate the proper allocation of funds to those who truly deserve them.

The CIO was dormant during this period.

Financial review

No transactions took place during this period.

Trustees' responsibilities statement

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the method and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for the keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
