## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The charity has successfully run 3 virtual National MDTs where complex cancer cases are discussed and then learnings from these cases disseminated. This has harmonised best practice and highlighted where centres are offering procedures or other treatments not on offer in other centres. This has directly led to the transfer of patients care to super specialist centres.</p> <p>We also ran our second face to face annual event meeting attended by 150 people from across all the healthcare professions who look after Oesophageal and gastric cancer patients. This meeting highlighted the latest areas of research and shared best practice in managing these complex patients. Feedback from this meeting was extremely positive with 97.3% of people stating they were highly satisfied with the event overall.</p> <p>We hosted our first UKIOG webinar which was attended by 190 people from across all the healthcare professions who look after Oesophageal and gastric cancer patients. Feedback from this meeting was extremely positive with 92% of people stating they would recommend the webinar to professional colleagues.</p>
