Trustees' Report on Activities for the Year

The trustees are pleased to present this report on the charity's continued activities and ongoing commitment to our mission over the past year. Our work remains rooted in the values of compassion, service, and support for those in need. Much like the previous year, we have sustained our core initiatives through the faithful support of our donors, members, and volunteers. We remain steadfast in our mission to serve individuals in both spiritual and practical ways, in the name of Christ.

Outreach and Community Engagement

Throughout the year, the charity has continued its regular monthly outreach on the first Saturday of each month. This ongoing effort to connect with individuals and families in the

local community has remained a key part of our mission. Our volunteers have consistently gone out to share the message of Christ while offering practical help, maintaining the strong relationships we have built in the community.

Similar to the previous year, our focus during the winter months has been on supporting homeless individuals, particularly around Romford, Stratford, and Ilford stations. These areas have continued to be focal points for our street outreach, where we have provided warm meals, blankets, and other necessities. Our volunteers have shown unwavering dedication in carrying out these activities, ensuring that support reaches those most in need during the coldest months.

As before, our approach combines practical assistance with compassionate, spiritual support. These interactions continue to remind us of the importance of human connection, and we remain committed to being a consistent presence for the vulnerable and marginalized.

Support through Donations and Volunteer Contributions

Our ongoing work has once again been made possible by the generosity of our donors and the dedication of our volunteers. Just as in previous years, financial contributions have allowed us to purchase essential supplies and sustain our outreach programs. Volunteers have continued to play a crucial role, with 3–4 individuals typically taking part in outreach events, depending on availability.

We are encouraged by the continued spirit of giving and partnership within our community. Our volunteers remain the backbone of our operations, and their willingness to serve has been essential in keeping our efforts active and effective.

Venue and Services

Our regular Sunday services have continued to take place at The United Reformed Church Hall on Mill Lane, Chadwell Heath, Romford, RM6 6RS. These gatherings remain central to our spiritual outreach and community building. Held weekly from 9:00 am to 10:30 am, the services offer a welcoming space for worship, fellowship, and mutual encouragement.

The stability and consistency of our venue and service times have allowed us to maintain strong connections with those who attend, and we are grateful for the continued support of the church.

Challenges and Future Outlook

While our activities have remained largely consistent with previous years, the ongoing demand for our services presents continued challenges. We are mindful of the need to strengthen our resources—both human and financial—as we look to the future. Our aim remains to expand our reach and increase our impact in areas where support is most needed.

Looking ahead, we are committed to deepening our community engagement, welcoming new volunteers, and exploring additional opportunities to serve those facing hardship. The message of Christ remains our guiding light, and we are determined to continue offering hope and practical help to those in need.

Conclusion

The trustees would like to express heartfelt thanks to everyone who has supported our work throughout the year. Your generosity, time, and prayers have enabled us to continue our mission faithfully and effectively. As we look forward to another year, we remain hopeful and prayerful that new opportunities will arise to expand our reach and strengthen our impact.

Together, we continue in our calling to serve, guided by love and compassion, and grounded in our shared commitment to care for those most in need.

Thank you for your continued support.

Trustees' Report on Activities for the Year

The trustees are pleased to present this report on the activities and achievements of the charity over the past year. Our mission continues to be guided by our core values: compassion, service, and support to those in need. The charity's work has been driven by the generosity of our donors, members, and volunteers, and we are proud of the impact we have made within our community. We remain committed to providing support to individuals in need, both spiritually and practically, in the name of Christ.

Outreach and Community Engagement

Every first Saturday of the month, the charity has continued its mission to reach out to individuals and families in our local communities. Our dedicated volunteers go out to engage with people, share the message of Christ, and provide practical help to those in need. This outreach effort remains an integral part of our work, and we are grateful for the opportunity to meet the spiritual and physical needs of those we encounter. We strive to show compassion, offer support, and bring hope to individuals who may be facing difficult circumstances.

In addition to regular outreach efforts, our charity has been particularly active in providing vital support to homeless individuals in the winter months. As the colder weather sets in, we recognize the increased vulnerability of those sleeping rough, especially around transportation hubs. This year, we have made several trips to the streets surrounding Romford, Stratford, and Ilford stations, where we provide warm food, blankets, and other essential supplies to homeless individuals. These outreach events have taken place on a regular basis, and our volunteers are committed to making a positive difference for those experiencing homelessness.

Our approach has always been practical and compassionate—meeting immediate physical needs while also offering emotional and spiritual support to those in need. Each time we visit these areas, we are reminded of the importance of human connection, and we continue to be motivated by the desire to serve those who are often overlooked and marginalized.

Support through Donations and Volunteer Contributions

The charity's ability to carry out its work is made possible through the generous donations and contributions of our members, volunteers, and the wider community. We rely on these donations to fund our activities, purchase food, blankets, and other essential supplies, and to cover the costs of our regular outreach efforts. We are immensely grateful for the contributions that have been made, both financially and in terms of time and effort from our volunteers. On any given occasion, we may have 3-4 volunteers helping with outreach, though the number may vary depending on availability.

The spirit of giving within our charity remains strong, and it is through the partnership of donors and volunteers that we continue to serve the community. Our volunteers are an essential part of the team, working tirelessly to ensure that our outreach initiatives are successful and that we can meet the needs of those we serve. Their commitment to our cause has been an inspiration, and we look forward to continuing to grow and expand our volunteer base in the future.

Venue and Services

Our regular services continue to be held at The United Reformed Church Hall, located at Mill Lane, Chadwell Heath, Romford, RM6 6RS. This venue has provided us with a welcoming and accessible space to gather as a community and continue our spiritual and charitable work. The services take place every Sunday from 9:00 am to 10:30 am, and we are grateful for the ongoing support of the church in providing this space for us.

The regularity of our services is an essential part of our outreach and enables us to continue building connections with individuals in our community. These services are a space for worship, reflection, and encouragement, as well as an opportunity to connect with those we serve. We remain committed to providing a safe and welcoming environment for all individuals, regardless of their circumstances.

Challenges and Future Outlook

While we are proud of what we have accomplished this year, we are also aware of the challenges that lie ahead. As demand for our services continues to grow, we recognize the need to expand our resources, both in terms of donations and volunteers. We also hope to extend our reach to other areas in need, ensuring that our charity's work continues to make a positive impact on a broader scale.

In the coming year, we are committed to further strengthening our relationships within the community, engaging new volunteers, and continuing to provide essential services to those in need. We hope to expand our outreach initiatives, increase our fundraising efforts, and explore additional ways to support those who are vulnerable and marginalized. We also aim to ensure that the message of Christ continues to guide all that we do, bringing hope, comfort, and support to those who need it most.

Conclusion

The trustees would like to take this opportunity to thank all of our supporters—donors, volunteers, and members of the community—who have made this year's activities possible. Without your help, we would not be able to continue the work we do. Your generosity and dedication are deeply appreciated, and we look forward to continuing to serve together in the years ahead.

As we move forward, we remain focused on our mission to serve others, showing the love of Christ through both word and action. We pray that the coming year brings new opportunities to extend our reach, deepen our impact, and bring hope to those in need.

Thank you for your continued support.
