LITTLE BLEEDERS

TRUSTEE'S REPORT

FOR THE YEAR ENDED 31 MAY 2025

The trustees present their annual report and financial statements for the year ended 31 May 2025.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

Objectives and activities

Little Bleeders exists to support children and young people living with bleeding disorders by:

- Promoting participation in sport and physical activity.
- Providing grants to enable access to sports clubs, equipment, and specialist support.
- Raising awareness and tackling misconceptions about physical activity for people with bleeding disorders.

The trustees confirm they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the Charity Commission's guidance on public benefit when planning activities and setting the charity's strategic direction.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Activities

In 2024, Little Bleeders pursued its aims through:

- Operating the **Sports Fund Grant Programme** to provide financial assistance to families.
- Developing updated **guidance materials** on safe sport participation in collaboration with The Haemophilia Society.
- Raising awareness of the benefits of physical activity for young people with bleeding disorders through ambassador stories and founder Alex Dowsett's story.

Through these objectives and activities, Little Bleeders strives to create a positive impact in the lives of young people affected by bleeding disorders, promoting health, confidence, and community engagement.

Achievements and performance

Significant activities and achievements against objectives

The Sports Fund continued to be the charity's flagship programme. Grants were awarded to families across the UK, supporting children with bleeding disorders to take part in physical activities they would otherwise be unable to access.

Examples of Impact (anonymised)

- Case Study 1 – "Liam" (age 12): Liam received funding towards cricket pads and protective gear to allow him to join his local cricket club. His mother shared: "We were unsure if cricket would be possible, but the grant and advice gave Liam the confidence to try, and now he's thriving."
- Case Study 2 – "Ella" (age 6): Ella's family used the grant to access dance and acrobatic lessons with a suitably trained instructor. Dancing has greatly improved her joint mobility and self-confidence.
- Case Study 3 – "Josh" (age 15): Josh was awarded a grant for gym membership and tailored personal training. This enabled him to maintain strength and fitness safely, supporting his long-term joint health.

Through these interventions, Little Bleeders helped young people develop physical and mental resilience, reduce isolation, and lead healthier lives.

Strategic Focus

The trustees prioritised strengthening partnerships with sports organisations and NHS haemophilia centres to create a supportive network for families. Work was also undertaken to improve digital resources, including an updated website section on "**Sport and Bleeding Disorders.**"

Financial review

During the year the charity received donations of £12k, (2024: £39k), while making grants of £3.5k (2024:£3k) Alongside admin expenses incurred the current free reserves balance stands at £65k (2024: £61k) The trustees believe this is sufficient cover to meet the running expenses of the charity.

All funds held by the charity are unrestricted.

The majority of expenditure was on grant-making activities and programme delivery. The charity maintained a prudent reserves policy, ensuring sufficient unrestricted funds to cover six months' operating cost

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to at least six month's expenditure. As discussed above, the free reserves balance stands at £65k which is currently well in excess of six months operating expenses. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Major risks

The trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity was established by a charitable trust deed on 31st March 2022 .

The Board of Trustees meets regularly to set strategy, monitor activities, and ensure good governance. Day-to-day operations are managed by a volunteer with support from a small team of volunteers.

TRUSTEE'S REPORT (CONTINUED) FOR THE YEAR ENDED 31 MAY 2025

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr A Dowsett
Mrs J Dowsett
Mr D Hart
Mrs N Hubert
Mr J Woyton
Mr J Millard
Ms Kate Burt

Recruitment and appointment of trustees

The Board regularly reviews its skills mix and provides induction and training for new trustees.

Organisational structure

The charity is successfully managed through a clear and well-structured governance framework, ensuring that all activities are delivered effectively and in line with its charitable objectives. Operating solely within the UK, the charity is dedicated to supporting young people under the age of 18 who are living with bleeding disorders, with a particular focus on encouraging safe participation in sport and movement as a means of managing their condition and enhancing their overall wellbeing.

Oversight is provided by a committed Board of Trustees, made up of seven members with a broad range of skills and professional backgrounds. The current trustee board includes individuals with expertise in haemophilia healthcare, physiotherapy, finance, legal compliance, sport coaching, and charity governance. This diverse blend of knowledge ensures informed decision-making and a strong foundation for sustainable growth.

The trustees meet to review strategic priorities, financial performance, and operational delivery. They are responsible for ensuring that the charity adheres to all relevant regulatory and legal requirements, including those set by the Charity Commission for England and Wales. Risk management, impact measurement, and ongoing evaluation are embedded into the governance process to maintain accountability and transparency.

A key element of the charity's success is its formal partnership with The Haemophilia Society. As a larger, well-established organisation, The Haemophilia Society provides vital support in areas where scale and capacity might otherwise be limiting. This partnership allows the charity to extend its reach and impact while maintaining a clear and independent governance structure. The collaboration has proven to be highly effective, strengthening the delivery of shared objectives and ensuring young people with bleeding disorders receive well-rounded, consistent support across services.

The strength of the charity's leadership, combined with a clear mission, trusted partnerships, and dedicated operational delivery, has enabled it to build a reputation for high-quality support and meaningful impact in the lives of young people with bleeding disorders across the UK.

Plans for the Future

In 2026, Little Bleeders will:

- Continue grants through the Sports Fund programme
- Develop partnerships with aligned pharmaceutical companies to boost fundraising efforts
- Collaborate with The Haemophilia Society for a new online event: Sports Day
- Launch a new digital resource hub for families and professionals.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2025

1 Accounting policies

Charity information

Little Bleeders is an unincorporated charity in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 3 of these financial statements. The nature of the charity's operations and principal activities are to provide support, education, and advocacy for individuals affected by bleeding disorders, raise awareness about these conditions, and fund research into treatments and cures.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The charity has opted to prepare their accounts on a receipts and payments basis.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

The charity has limited overhead expenditure as its key purpose is to issue grants to others. All trustees are volunteers and no payments are made.

The trustees have considered the position of the charity and its requirements for the coming 12 months and believe the charity should be considered a going concern.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity receives the income is received.

1.5 Expenditure

Expenditure is recognised once the expenditure has been paid.
