Statement of Trustees' Responsibilities

The trustee is responsible for preparing the Trustee's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales require the trustee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustee are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustee is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES
FOR THE YEAR ENDED 30 JUNE 2024**

I report on the accounts of Five Circles Dog Rescue CIO (charity number 1198552) for the period ended 30 June 2024, which are set out on pages 5 to 8.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023

1 Accounting policies

1.1 Basis of the preparation of accounts

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Charity Commission Statement of Recommended Practice - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (second edition).

The Trustees confirm that the Charity is a public benefit entity as defined by FRS 102.

The trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees have adopted the going concern basis of accounting in preparing the financial statements.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Fund accounting

1.2.1 Unrestricted Funds

These funds can be used for any of the charity's purposes.

1.2.2 Restricted Funds

These funds have been given to the Trust for a particular purpose to be used in accordance with the wishes of the donor.

1.3 Depreciation

The policy is that assets are capitalised that cost over £1,000 and have an ongoing value in use to the charity.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

1.4 Income

Donations, gifts, legacies and similar incoming resources are accounted for when receivable, which is when the Charity becomes entitled to the resource. Deferred income represents accounts received for future periods and is released to incoming resources in the period for which it is received. Gift Aid reclaimable on donations to the Charity is included with the amounts received. Investment income, represented by bank interest is credited to the Statement of Financial Activities on a receivable basis.

1.5 Expenditure

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for the expenditure. The direct costs have been allocated as described below. The indirect costs have been allocated as described in note 6.

Charitable activities: comprise of those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs: costs incurred in the governance of the Trust and associated constitutional and statutory requirements. These costs are allocated to charitable activities.

Raising funds: costs incurred in raising income for the charity.

Irrecoverable VAT is charged to the Statement of Financial Activities as incurred.

1.6 Financial Instruments

The charity has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are recognised initially in the accounts at transaction price, including any transaction costs. At the end of each accounting period, basic financial instruments are recognised at amortised cost. For debt instruments this is calculated using the effective interest rate method.

1.7 Critical estimate and judgements and key sources of estimation uncertainty

In the application of the Charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision effects both current and future periods.
