HARMONY HOUSE DAGENHAM CIO**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2025**

The Trustees present their annual report together with the audited financial statements of the charity for the year 1 April 2024 to 31 March 2025. The trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Reference and administrative information set out on page 1 forms part of this report.

Harmony House was set up to support vulnerable residents in the London Borough of Barking and Dagenham. Our work encompasses the running of three nurseries and a multitude of community projects aimed at reducing social isolation in a space where all members of the community, from the youngest to the eldest, are empowered to live with independence, purpose, and joy.

Objectives and activities**a. Policies and objectives**

The Trustees confirm they have had regard to the Charity Commission's guidance on public benefit when reviewing aims and planning activities.

The Charity's objectives are:

- to promote social inclusion by preventing people from becoming socially excluded, relieving the needs of those who are socially excluded and assisting them to integrate into society;
- to develop the capacity and skills of the socially and economically disadvantaged community of Barking and Dagenham;
- to advance education of children primarily under statutory school age through early years provision and after-school clubs; and
- to undertake such other exclusively charitable purposes as determined by the trustees.

b. Strategies for achieving objectives

To achieve our objectives, we play a crucial role in:

- providing high-quality early childhood education: Laying strong foundations for lifelong learning and development.
- supporting the elderly and vulnerable: Equipping them with the tools and resources they need to live independently.
- combating social isolation: Creating welcoming spaces and initiatives that create connection and belonging.
- promoting inclusion and accessibility: Actively working to remove barriers to participation for all community member.
- building strong community links: Embedding ourselves in the heart of the community to stay attuned to its evolving needs.

HARMONY HOUSE DAGENHAM CIO**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2025****Achievements and performance****a. Early years provision**

Harmony House manages three nurseries (Dagenham, Hornchurch, Castle Green), which are central to both our charitable objects and financial sustainability.

- All three nurseries were rated "Good" at their most recent Ofsted inspections.
- Cosmetic refurbishments were completed at two nurseries, improving the environment for children and families.

Children on roll at 31 March 2025:

- Dagenham (HHD): 74
- Hornchurch (HX): 69
- Castle Green (CG): 97

Children supported with funded places:

- Working funding code, 9 months–2 years (Sept 2024–March 2025): HHD 12, HX 8, CG 21
- 2-year funding (April 2024–March 2025): HHD 54 (24 with code), HX 41 (22 with code), CG 74 (36 with code)
- 3-year funding (April 2024–March 2025): HHD 77 (36 with 30-hour code), HX 67 (25 with 30-hour code), CG 85 (45 with 30-hour code)

Leavers for Reception Year (Sept 2024)

- HHD: 32
- HX: 22
- CG: 29

Each nursery held 3 in-service training days.

b. Community Programmes**Silvernet**

Silvernet continued to run Get-Together groups and events to reduce social isolation for elders in the community.

- Groups supported: 6
- Members attending: 72
- Events organised: 4
- Referrals to additional support: 35

LBBD Handyman Project

This project was extended for another year to support elders with making their homes safer.

- Jobs Completed: 578

Harmony Home Care

This project ran throughout this financial year supporting elders with Gardening and House cleaning.

- Cleaning jobs completed: 97
- Gardening jobs completed: 619

Companions Service

The Companions Service ended in December 2024. Before closure, it supported elders members of the community facing isolation by offering emotional support and companionship. This was run by 3 part time staff members.

- Service users supported: 68
- Integrated back into the community: 14

HARMONY HOUSE DAGENHAM CIO

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Achievements and performance (continued)

NHS Leaflet Storage and Distribution Project

This project continued, and the contract has been extended until March 2026.

Connect Project

Launched in 2024 to support residents who have had a recent hospital discharge or are struggling with isolation for other reasons.

- Members supported: 21
- Staffing: 1 part-time worker

c. Volunteers and Staff

Volunteers and staff contributed to:

- Older people's services including Silvernet, Job2do, and Companions (until Dec 2024)
- Running 3 nurseries
- Visiting isolated elders in their homes and helping them re-engage socially through Connect projects
- Supporting service users with GP appointments, shopping, and social visits

The Trustees thank all staff, volunteers, and supporters for their dedication.

Financial review

a. Financial position at year end

In 2025, the Charity's Income was £2,146,607 (2024: £1,883,109), which includes:

- nursery fees (parents) of £593,055
- nursery fees (local authority) of £1,210,577
- government grants of £116,095
- non-governmental grants of £71,527
- rental income of £140,975
- donations of £1,520 and other charitable income of £3,582

and the expenditure totalled £2,394,524 (2024: £2,088,391), which included:

- employment costs of £1,619,504 (2024: £1,398,363)
- child care costs of £114,269 (2024: £130,666)
- premises costs of £256,986 (2024: £224,006)
- nursery rent of £102,000 (2024: £92,000)
- repairs and maintenance of £59,345 (2024: £45,786)

Income was less than resources expended in 2025, resulting in a deficit of £247,917 (2024: deficit £205,283). The net assets as year ended 31 March 2025 amounted to £216,545 (2024: £464,462).

The increase in income in 2025 reflects a return to expected levels following a period in which the nurseries were overlooked during a leadership gap. Since the appointment of a new CEO 18 months ago, significant work has been undertaken to rebuild nursery performance, with occupancy rising from around 30–40% to approximately 80% in two nurseries and 55% in the third. While preschool numbers at the Castle Green and Dagenham sites have recently fallen due to the opening of new school nurseries in the area, strategic refurbishments have been carried out to reduce preschool capacity at Dagenham and expand the baby room. The baby rooms at both Dagenham and Hornchurch are now full, representing the highest income-generating areas of the nurseries.

The funding landscape also shifted favourably in September 2024, when new government funding extended 30 hours of free childcare to children from nine months old. This has led to a surge in applications for baby places, which is expected to flow through to higher occupancy in toddler and preschool rooms over the coming years.

HARMONY HOUSE DAGENHAM CIO**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2025**

While the Charity recorded a deficit for the year, this was anticipated and aligned with a planned drawdown of reserves to support strategic developments, including the physical expansion of the Dagenham nursery, scheduled for completion and reopening in January 2026. The trustees consider the financial position to be stable and sustainable, with actual results tracking closely to conservative forecasts prepared during the year.

b. Reserves policy

The trustees have reviewed the charity's need for reserves in accordance with guidance from the Charity Commission. The restricted funds relate to grants received from funders with specific terms and conditions on what the funds are to be utilised for. The trustees consider that unrestricted reserves of between three and six months' expenditure will ensure that, in the event of a significant drop in funding or exceptional expenses, the charity's current activities will be able to continue while considering ways to raise additional funds. At 31 March 2025 the charity had net current assets in respect of unrestricted funds of £29,200, significantly below their target level of reserves.

The trustees acknowledge that the current level of unrestricted reserves falls short of the desired range and are actively monitoring this position. The shortfall is primarily due to a planned deficit in 2025, which supported strategic investments in staffing, infrastructure, and service expansion. These investments are expected to strengthen the charity's long-term sustainability and income-generating capacity. The trustees are confident that the charity remains a going concern, supported by strong occupancy levels, improved local authority funding, and a cash position that is currently ahead of budget. Detailed forecasting has been prepared to inform future financial planning and ensure that reserve levels are rebuilt over time. The trustees remain committed to maintaining financial resilience and will continue to assess the adequacy of reserves in light of operational risks and funding developments.

c. Going concern

During the current year, the charitable activities generated gross income of £2,146,607. The total assets less current liabilities for the year were £216,545 and the charity had net assets of £118,018 that related to unrestricted funds. At 31 March 2025 the charity had net current assets in respect of unrestricted funds of £29,200, significantly below their target level of reserves.

However, based on the charity's performance, the current cashflow and the trustees confidence, we believe the charity will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

d. Fundraising Statement

The Trustees confirm that:

- The charity's fundraising activities are carried out in compliance with the relevant statutory regulations.
- The Board monitors all fundraising carried out in the charity's name.
- During the year, the charity received 0 complaints related to fundraising.
- The charity takes active steps to protect vulnerable people in connection with its fundraising activities.

e. Principal risks and uncertainties

The Board of Trustees is responsible for ensuring effective risk management, and that internal controls are in place to appropriately manage the risk exposure of the charity.

Risk management

The Board has considered:

- The major risks to which the charity is exposed.
- The potential impact and probability associated with each risk.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

- Existing internal controls and accountability for them.
- Mitigating actions needed to reduce each risk to an acceptable level.

Internal control

The Trustees have overall responsibility for ensuring that the charity has appropriate systems of internal controls. Key controls include:

- Formal agendas and minutes of all Board of Trustees meetings.
- Detailed budgetary presentation for approval by the Board.
- Established organisational structure and reporting lines.
- Engagement of external professional advisors when required.

f. Plans for future periods

- Continued focus on raising nursery occupancy rates.
- Further refurbishment work planned at nursery sites to enhance provision.
- Restarting the Companions Service to continue to support the most vulnerable elders in our community.
- Ongoing delivery of Silvernet and Handyperson services to reduce social isolation and maintain independence for older people.
- Starting of new community projects to support our community, such as a Luncheon project to provide hot meals to those who are struggling and an intergenerational dance programme to bring together the youngest and eldest generations.

Structure, governance and management

a. Constitution

Harmony House Dagenham CIO registered with the Charity Commission on 11 April 2022 (number 1198573) and operates under a Constituion. Prior to this, Harmony House Dagenham was a Community Interest Company (CIC).

b. Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Constitution.

When appointing new trustees, the Board considers the skills, knowledge and experience of individuals. All trustees are allocated areas of responsibility aligned with their expertise.

c. Organisational structure and decision-making policies

Day-to-day management is delegated to the Chief Executive Officer, Bethan Whitaker, with professional advice taken as needed in legal, tax, finance, and HR matters.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Structure, governance and management (continued)

d. Policies adopted for the induction and training of Trustees

New trustees receive an induction designed to familiarise them with the charity's work, governance structure, and legal responsibilities under the Charity Commission framework. This includes an introduction to the Constitution, key policies, strategic plan, and current projects. Trustees are also provided with background information on the charity's history, finances, and areas of operation, enabling them to contribute effectively from the outset.

Ongoing development is supported through access to Charity Commission guidance, sector training, and relevant external resources. Where appropriate, trustees attend specialist training or briefings in areas such as safeguarding, finance, or governance. The Chair and Chief Executive also ensure that trustees are kept informed of emerging issues and regulatory changes that may affect the charity's work, promoting a culture of continuous learning and effective oversight.

e. Pay policy for senior staff

The senior management team comprises the key management personnel of the charity in charge of directing, controlling, running and operating the charity on a day-to-day basis.

The salaries of all senior staff are reviewed annually by the Personnel Committee and increased in accordance with the charity's pay policy.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, Griffin Stone Moscrop & Co, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Lorna Walsh

.....
Sister Lorna Walsh

(Trustee)

Date: 25 November 2025

HARMONY HOUSE DAGENHAM CIO

**STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 MARCH 2025**

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HARMONY HOUSE DAGENHAM CIO**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HARMONY HOUSE DAGENHAM CIO**

Opinion

We have audited the financial statements of Harmony House Dagenham CIO (the 'charity') for the year ended 31 March 2025 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HARMONY HOUSE DAGENHAM CIO (CONTINUED)

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

HARMONY HOUSE DAGENHAM CIO**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HARMONY HOUSE DAGENHAM CIO
(CONTINUED)****Auditors' responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures designed and implemented to detect irregularities, including fraud, are detailed below:

- Performing audit work over the risk of management override of controls, including evaluating the rationale of significant transactions outside the normal course of the charitable activity and any accounting estimates for bias;
- Carry out substantive checks on a sample basis to supporting documentation of individual transactions to give comfort the statement of financial activities does not contain any material irregular items;
- Verifying that material balances within the balance sheet are supported by third party evidence to confirm existence and valuation at the balance sheet date;
- Enquiry of management and those charged with governance around actual and potential litigation and claims; and
- Reviewing minutes of the trustees' meetings.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HARMONY HOUSE DAGENHAM CIO (CONTINUED)

conclusions are based on the audit evidence obtained up to the date of our Auditors' report. However, future events or conditions may cause the charity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

HARMONY HOUSE DAGENHAM CIO**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025****1. General information**

Harmony House Dagenham CIO is a Charitable organisation registered with the Charity Commission. The registered office is Baden Powell Close, Dagenham, Essex, RM9 6XN.

2. Accounting policies**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Harmony House Dagenham CIO meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

2.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income represents the value, net of value added tax and discounts, of the following streams:

- Grant receivable, which are recognised as income when the Charity becomes entitled to the grant.
- Contract services, including nursery fees, which are recognised as income when the service is provided.
- Room and equipment hire, including catering and conference facilities, which are recognised as income as the facilities are provided.
- Donations are recognised on receipt.

School fees and other charges are credited to the statement of financial activities on an accruals basis. School fees and registration fees billed in advance of the oncoming school term are recognised in the accounting period to which they relate.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Rental income represents amounts receivable from rent charged to various tenants for rooms at Dagenham for specified periods during the week and sometimes over the weekend.

HARMONY HOUSE DAGENHAM CIO**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025****2. Accounting policies (continued)****2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Tangible fixed assets and depreciation

Capitalisation of Tangible fixed assets is dealt with on a case by case basis and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the methods below.

Depreciation is provided on the following basis:

Leasehold improvements	-	10% straightline method
Motor vehicles	-	40% reducing balance method
Fixtures and fittings	-	25% straightline method
Office equipment	-	25% straightline method

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of financial activities.

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

HARMONY HOUSE DAGENHAM CIO**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025****2. Accounting policies (continued)****2.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.9 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

HARMONY HOUSE DAGENHAM CIO**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025****2. Accounting policies (continued)****2.10 Operating leases**

Rentals paid under operating leases are charged to the Statement of financial activities on a straight-line basis over the lease term.

2.11 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgment

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Critical accounting estimates and assumptions:

Useful lives of improvement in property and plant and machinery

Management reviews the useful lives and residual lives of the items of Improvement in property and plant and machinery on a regular basis.

Impairment of receivables

Management reviews their portfolio of receivables on a regular basis. In determining whether receivables are impaired and provision for bad debts is recognised, management makes judgements as to whether there is any evidence indicating that there is a measurable decrease in the estimated future cash flows expected.

HARMONY HOUSE DAGENHAM CIO

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025**4. Prior year adjustments**

An amount of £107,273 has been removed from both income and expenditure to eliminate internal recharges within the charity. This adjustment has no impact on the net result.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

26. Operating lease commitments

At 31 March 2025 the charity had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2025 £	2024 £
Not later than 1 year	102,000	102,000
Later than 1 year and not later than 5 years	336,000	327,000
Later than 5 years	172,225	181,500
	<u>610,225</u>	<u>610,500</u>

The following lease payments have been recognised as an expense in the Statement of financial activities:

	2025 £	2024 £
Operating lease rentals	<u>102,000</u>	<u>92,000</u>

27. Related party transactions

During the year, there were the following transactions with The Sacred Hearts Sisters 1983 Charitable Fund whose Trustees are the trustees of the charity:

- Included within expenses is an amount of £10,000 (2024: £10,000) relating to rent paid.
- Provision of guarantee in respect of a premises lease.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT

FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their annual report and financial statements for the year ended 31 March 2024.

Harmony House Dagenham is a charitable organisation managed by its trustees, who at present are the Sisters of the Sacred Hearts of Jesus and Mary. Harmony House Dagenham converted from a CIC (Company Registration No. 6565448) registered at Companies House from 15 April 2008 to a CIO (Registered Charity No. 1198573). Harmony House Dagenham registered with the Charity Commission on 11 April 2022 as per the Charity's trust deed.

We offer an Early years provision, services for older people and a variety of community programmes. We offer space and accommodation at Harmony House to other community ventures.

During this year we had to meet the cost-of-living crisis and the ongoing challenges to the recruitment and retention of nursery practitioners.

We have however successfully delivered our Early Years' service and managed a large programme of support for the older people in Barking and Dagenham. During this financial year we became a part of the Barking and Dagenham collective, partnering with five other voluntary organisations as Locality Leads to deliver the Cost-of-living crisis programme on behalf of the London Borough of Barking and Dagenham.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements and comply with the Charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

Public benefit

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

The Charity's objectives are as follows;

- To promote social inclusion for the public benefit by prevention people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society.
- To develop the capacity and skills of the members of the socially and eco-nomically disadvantaged community of the London borough of Barking and Dagenham in such a way that they are better able to identify and help meet their needs and to participate more fully in society.
- To advance education of children primarily under statutory school age through early years provision and after school clubs
- Such other charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the charity trustees may from time to time determine.

Principal Aims and Activities

Harmony House was established in 1993 in response to the needs of the recently arrived refugees in Barking and Dagenham. As the numbers and needs of refugees have diminished, Harmony House has channeled its resources to meet other priority needs of the community.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Activities

The activities are as follows;

Early Year settings

Harmony House Dagenham CIO manages 3 nurseries, which is the core services that financially supports our other objectives of being a charity. The last trading year has been a difficult one with respect to recruitment and retention of nursery practitioners. We have attended job fairs run by the local borough and the job centre and have been able to recruit 5 members of staff.

Dagenham

Our childhood centre at Dagenham provides high quality childcare at one of the most affordable rates in the borough. We aim to keep our fees as low as possible to support local families. The setting had its last Ofsted inspection in June 2024 and received a GOOD rating.

We had to re-register this nursery with Ofsted as we had changed status from being a Community Interest Company to a Charitable Incorporated Organisation on 11 April 2022. The occupancy rates have remained low after the pandemic in all the settings, although they are slowly improving. The increase in the cost of living may have affected the uptake although it has been very difficult to gauge the reasons behind the low occupancy rates.

As of 31 March 2024, there were 71 children on roll. (2023 :83). Throughout the year we provided places to 39 children through the Government's 2-year funding scheme. A further 77 children aged 3 years and over, access funding with 33 of them qualifying for 30 hours of free education. In September 2023, 26 children went up to school. At Christmas time the nursery children took part in a Nativity Play and Carol Concert. They played their part alongside other members of the Harmony House community: taking leading parts in the Nativity Play and even solo singing parts.

Hornchurch

This is the second Harmony House nursery that opened in January 2013. The building is next to the St Mary's R.C. Primary school in Hornchurch, with whom we have built a good relationship. The setting has a capacity for 44 children at any one time. The setting had its last Ofsted inspection in October 2022 and received a GOOD rating.

We had to re-register this nursery with Ofsted as we had changed status from being a Community Interest Company to a Charitable Incorporated Organisation on 11 April 2022.

As of 31 March 2024, there were 55 children on roll. (2023:55). Throughout the year we provided places to 18 children through the Government's 2 - year funding scheme. A further 58 children aged 3 years and over, access funding with 30 of them qualifying for 30 hours of free education. In September 2023 12 children went up to school. The staff at Hornchurch perform a graduation ceremony on a Saturday for the children who go to school. This enables the parents to attend the ceremony and be a part of the celebration.

Castle Green

Harmony House has managed Castle Green, on behalf of the local authority since 2015. The contract initially for 6 years was extended in February 2020 for a further 5 years. Castle Green is a nursery offering full day care for 50 weeks a year. The setting had its last Ofsted inspection in October 2022 and received a GOOD rating.

As with our existing Dagenham nursery, Castle Green is registered for 79 children, making these nurseries the two largest in Barking and Dagenham.

As of 31 March 2024, there were 94 children on roll. (2023 :105). Throughout the year we provided places for 45 children through the Government's 2-year funding scheme. A further 103 children aged 3 years and over, access funding with 51 of them qualifying for 30 hours of free education. In September 2023 54 children went up to school.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

In-Service Training

Each nursery had 2 in-service training days this year.

Silvernet,

A programme offering support to older people, was launched in August 2016. It was initially funded through a £300,000, three-year, Big Lottery grant. Since May 2020 a smaller service has been delivered, supported by a grant from the Mercer's Company. The grant was for £84,000 over two years which ended May 2022.

A further 2-year extension to the project was approved by the funders ending May 2024. The service consists of six get-together groups, events days, outings, and a computer club for elders.

We also deliver the Job2do programme as part of Silvernet. Through this service we offer gardening, housework, decorating and small DIY jobs to older people in their homes.

We had 6 social groups being supported with a total of 72 members attending these groups. The social groups have helped many of our socially isolated service users under our Companions project. The last year has been challenging due to the higher cost of living. Warm spaces that we offer at our social gathering venues have been helpful for the service users during the winter months.

We organised 4 events in the period from April 2023 to March 2024. These were the St. Patrick's Day, St Georges day, Halloween, and Christmas. An average of 65 older people attended each of these events.

Through our Job2do team we were able to continue with our housework, gardening, and DIY services. In total we completed 1078 jobs in total from April 2023 to March 2024. This service has been a lifeline to many of our vulnerable beneficiaries. Through this service we were able to identify 18 service users who needed additional support and were referred on to various services in the borough.

Companions Service funded by City Bridge Trust

The companions Service, funded for 5 years by the City Bridge Trust, began in January 2020. The aim of the service is to contact elders who are extremely isolated and have difficulty, for whatever reason, in leaving their homes. Three members of staff have been employed for 12 hours a week each

They have a case load of 16 service users each. Each service user gets a home visit every other week with telephone calls in between. The goal is to get as many service users as possible out of their homes; ideally to join community activity or even for a short walk to the local shops or park and take them out of Social isolation. The service is now well established and receives many referrals from the local health and social work teams. The team has been able to organise social gatherings where 10 to 12 clients can meet with staff. This has had the beneficial result of several clients striking up friendships and supporting each other with telephone calls.

We secured some additional funding from the Local Authority for 6 months due to the increased number of referrals for this service. This allowed our three paid Companions to work an extra 13 hours a week for 6 months. The extra working hours extra visits and which helped the clients integrate into the community faster. Over the period from April 2023 to March 2024 we have worked with 69 services users and were successful in integrating 21 of them back into the community.

On 29th September 2023 we took 45 people to the Blue Bell railway for a day out.

Overall last year has been very productive and we intend to carry on providing that service this year.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

N.H.S Leaflet Storage and Distribution Project

During the year we have continued to deliver the NHS Storage and Distribution from Harmony House. This service has been very busy with several campaigns undertaken by the N.H.S after the pandemic. Harmony House has been commissioned to deliver this project until the end of March 2025.

The Handy Person Service:

The Handyperson Service is delivered through Harmony House on behalf of the London Borough of Barking and Dagenham and the local N.H.S. The service is designed to provide practical support to residents who are at risk of slipping or tripping in their own homes. The service is free at the point of delivery to customers. This has been a well-used service with references coming from social workers, N.H.S staff and integrated teams in addition to directly from customers themselves.

This service is seen as a part of a prevention strategy on the part of the Local Authority and the local N.H.S: preventing residents from emergency admission to hospital needing residential care. In addition, the service is used to prepare customers' homes so that they can return to them safely and quickly after a stay in the hospital or residential care. The service completes small household DIY jobs that will help to prevent slips and trips for vulnerable adults. For example, we secure loose flooring surfaces, ensure lightbulbs are changed and repair and install banister rails on stairways. Last year alone we have installed 440 grab rails in bathrooms and by doorways to help Older People move more securely around their homes.

Cost of Living Project – Locality Lead

Harmony House was one of the five Locality Leads in the Cost-of-Living Crisis Project, commissioned by the London borough of Barking and Dagenham and the N.H.S.

Each Community Locality Lead acted as a focal point for their area, to discover what support is available and prototype solutions with local people, offer a triage service to discover how, where and who people turn to for help, linking people up to support as appropriate to help people manage wellbeing issues related to welfare, debt, housing, employment, and social isolation, as well as health conditions.

The project was awarded to Harmony House from the October 2022 and ended on the 31st of January 2024. The funding was extended for further six months from February 2024 to July 2024. During this period, we were funded for planning the continuation of a co-designed, coordinated, and visible cross sector response to the ongoing challenges caused by the cost-of-living crisis and upcoming challenges from winter pressures.

We will be working with the Local Authority, N.H.S and other local lead partners to achieve:

- A longer-term locality-based solution that focuses on people's strengths, helps people out of crisis and builds greater resilience across the community.
- A strengthened Locality Leads model – aligned with 3 localities and ensure the model is fit for purpose with networked civil society, connected to each other and residents at the heart.

Volunteers and staff

The volunteers and staff are involved in general management and core activities of the Charity:

- Help the socially and economically disadvantaged residents of Barking and Dagenham to develop the capacity and skills.
- Help in older people's service called "Silvernet" which includes Get Together groups, a Job2Do service, a Silver Surfer Computer club and Harmony House Companions service.
- Help in running 3 full time childcare nurseries catering to children aged 3 months to 4 years.
- Visit elderly isolated people in their own homes and try integrating them with other social groups in the community.
- The companions assist service users by accompanying them to GP appointments, café visits, shopping visits etc. to build their confidence to go out and make friends

The Board of Trustees would like to acknowledge the tremendous efforts of the volunteers, staff and the many supporters of the Charity for their kind and generous donations as well as their continued support in helping the Charity to achieve its objectives.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance

Significant activities and achievements against objectives

At 31 March 2024 there were 220 pupils registered at the nurseries. The child care fee income was £729,787 for the YE 31 March 2024 (2023: £788,699).

The most recent standard inspection by Ofsted in 2024 rated all the nurseries as Good.

The trustees place great importance on safety and security. Procedures and risk assessments are regularly reviewed.

Financial review

In 2024, the Charity's Income was £1,990,382 (2023: £1,977,849) and the expenditure totalled to £2,195,665 (2023: £1,952,534), which includes employment costs at £1,425,686 (2023: £1,371,306), child care costs £362,745 (2023: £282,634), premises costs of £177,421 (2023: £117,978), community project costs of £202,943 (2023: £149,966) and depreciation charge at £26,864 (2023: £30,650), (Note 7). Income was less than resources expended in 2024, resulting in a deficit of £205,283 (2023:surplus £25,315). The net assets as year ended 31 March 2024 amounted to £464,462 (2023: £669,745).

Going concern

During the current year, the charitable activities generated gross income of £1.99m (2023: £1.97m). The total assets less current liabilities for the year were £464k (2023: £669k).

Based on the charity's performance and the trustees confidence, the charity will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

Reserves policy

The trustees have reviewed the charity's need for reserves in accordance with guidance from the Charity Commission. The restricted funds relate to grants received from funders with specific terms and conditions on what the funds are to be utilised for. The trustees consider that unrestricted reserves of between three and six months' expenditure will ensure that, in the event of a significant drop in funding or exceptional expenses, the charity's current activities will be able to continue while considering ways to raise additional funds.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Risk management and internal control

Risk management

The Board of Trustees is responsible for ensuring effective risk management, and that internal controls are in place to appropriately manage the risk exposure of the Charity, in particular, the Board of Governors has considered:

- the major risks to which the Charity is exposed;
- the potential impact and probability associated with each risk;
- existing internal controls and accountability for them;
- mitigating actions needed to reduce each risk to a level that the Governors considers to be acceptable.

All significant activities undertaken are subject to risk review as part of the initial project assessment and implementation. The Board of Governors reviews the major risks that the Charity faces on a regular basis and controls are established as appropriate.

Internal control

The Trustees have overall responsibility for ensuring that the Charity has appropriate systems of internal controls across the Charity .

The key internal controls used by the Charity include:

- Formal agendas and minutes of all Board of Governors meetings
- Detailed budgetary presentation for approval by the Board of Governors
- Established organisational structure and lines of reporting
- Engagement of external professional advisors as and when necessary

Through the controls established for the running of the Charity, the Board of Governors are satisfied that the major risks identified are adequately mitigated where necessary. It is recognised that the controls established can only provide reasonable but not absolute assurance that major risks have been adequately managed.

Structure, governance and management

Harmony House Dagenham CIO (Registered Charity No. 1198573) registered with the Charity Commission on 11 April 2022 as per the Charity's trust deed. The registered address of Harmony House, Baden Powell Close, Dagenham RM9 6XN.

The Trustees who served during the year and up to the date of signature of the financial statements were:

Sister N Emperor	(Resigned 22 July 2024)

Turner Barbara	(Appointed 1 November 2024)

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Recruitment, appointment and training of trustees

When appointing new Trustees to the charity, the Board of Trustees consider the skills, knowledge and experience of the individual in making the appointment.

All Trustees have been allocated an area of responsibility which, where possible, is in accordance with their skills and experience.

The first nominated charity trustees listed above were appointed as detailed in the Harmony House Dagenham CIO constitution. None of the Trustees has any beneficial interest in the charity. If the CIO is wound up, the members of the CIO have no liability to contribute to its assets and no personal responsibilities for settling its debts and liabilities.

Organisational structure

The Trustees have delegated the day-to-day management of the charity to Whitaker Bethan, a new CEO appointed on 26 April 2024. The Trustees and CEO, take professional advice:

- legal advice regarding the leasing/licensing relating to property
- day-to-day financial advice from the Finance Manager, Kamal
- day-to-day HR advice from Kelly Lawlor.

Other matters

Pay policy for senior staff

The senior management team comprises of the key management personnel of the charity in charge of directing, controlling, running and operating the charity on a day-to-day basis.

The salaries of all the members of senior staff are reviewed annually by the charity's human resources committee and increased in accordance with its pay policy.

Auditor

In accordance with the company's articles, a resolution proposing that KLSA LLP be reappointed as auditor of the Charity will be put at a General Meeting.

Disclosure of information to auditor

Each of the Trustees has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the auditor is aware of such information.

The Trustees report was approved by the Board of Trustees.

Sister Lorna Walsh
Trustee

14 January 2025

HARMONY HOUSE DAGENHAM CIO

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2024

The Trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF HARMONY HOUSE DAGENHAM CIO

Opinion

We have audited the financial statements of Harmony House Dagenham CIO (the 'Charity') for the year ended 31 March 2024 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HARMONY HOUSE DAGENHAM CIO

Responsibilities of Trustees

As explained more fully in the statement of Trustees responsibilities, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with trustees and other management, and from our commercial knowledge and experience of the sector; and
- we focused on specific laws and regulations which we considered may have a direct material effect on the operations of the charity's financial statements or the operations of the charity, including the Charities Act 2011, data protection, anti-bribery, employment laws, environmental and health and safety legislation.

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HARMONY HOUSE DAGENHAM CIO

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- carried out a review of the incoming grants during the year ensuring transactions were at arm's length.
- investigated the rationale behind significant or unusual transactions.
- verified income to the supporting receipts and other documentation on a sample basis to confirm classification between restricted and unrestricted funds.
- read minutes of meetings of those charged with governance.
- performed year on year analytical procedures on grants.
- reviewed validity of expenditure on a sample basis and in particular reasonableness of allocation of expenditure against restricted funds.

To address the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- enquiring of management as to actual and potential litigation and claims.

and we communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit. The potential effect of these laws and regulations on the financial statements varies considerably.

Firstly, the Charity is subject to laws and regulations that directly affect the financial statements including financial reporting legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statements items.

Secondly, the Charity is subject to laws and regulations as well as grants terms and conditions where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the dismissal of teaching staff and replacement of school governors as well as termination of grants. We identified the following areas as those most likely to have such an effect: Ofsted inspections and the terms attached to the Mercer's Company, The City Bridge Trust and The National Lottery Community Fund grants. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any. Therefore, if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards; for instance, any non-compliance with laws and regulations and fraud which is far removed from transactions reflected in the financial statements would diminish the likelihood of detection. Furthermore, the risk of not detecting a material misstatement due to fraud is greater than the risk of not detecting one resulting from error.

Fraud may involve deliberate concealment by, for example, forgery or intentional omissions, misrepresentation, or through an act of collusion that would mitigate internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HARMONY HOUSE DAGENHAM CIO

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Other matters

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with the Charity's trust deed, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" effective 2019 in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

This has been done in order for the financial statements to provide a true and fair view in accordance with current Generally Accepted Accounting Practice.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Shilpa Chheda (Senior Statutory Auditor)

HARMONY HOUSE DAGENHAM CIO

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

Harmony House Dagenham CIO is a Charitable organisation registered with the Charity commission. The registered office is Baden Powell Close, Dagenham, Essex, RM9 6XN.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's trust deed, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Charity.

1.4 Income

Income represents the value, net of value added tax and discounts, of the following streams:

- Grant receivable, which are recognised as income when the Charity becomes entitled to the grant.
- Contract services, including nursery fees, which are recognised as income when the service is provided.
- Room and equipment hire, including catering and conference facilities, which are recognised as income as the facilities are provided.
- Donations are recognised on receipt.

HARMONY HOUSE DAGENHAM CIO

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

School fees and other charges are credited to the statement of financial activities on an accruals basis.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Rental income represents amounts receivable from rent charged to various tenants for rooms at Dagenham for specified periods during the week and sometimes over the weekend.

Deferred income

School fees and registration fees is billed in advance of the oncoming school term and are recognised in the accounting period to which they relate.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	10% straightline method
Fixtures and fittings	25% straightline method
Motor vehicles	40% reducing balance method

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

HARMONY HOUSE DAGENHAM CIO

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

1.9 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

HARMONY HOUSE DAGENHAM CIO

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

2 Critical accounting estimates and judgements

(Continued)

Useful lives of improvement in property and plant and machinery

Management reviews the useful lives and residual lives of the items of Improvement in property and plant and machinery on a regular basis.

Impairment of receivables

Management reviews their portfolio of receivables on a regular basis. In determining whether receivables are impaired and provision for bad debts is recognised, management makes judgements as to whether there is any evidence indicating that there is a measurable decrease in the estimated future cash flows expected.

19 Related party transactions

During the year, there were the following transactions with The Sacred Hearts Sisters 1983 Charitable Fund whose Trustees are the trustees of the charity:

- Included within administration expenses is an amount of £10,000 (2023: £10,000) relating to rent paid.
- Provision of guarantee in respect of a premises lease.

A trustee, who was also a Chief Executive Officer, received remuneration during the year. During the year the CEO was remunerated as follows

	Power by which the payment is permitted	2024 £	2023 £
Marie Kearns	Employed by trustees	34,537	58,531

Other than the above, no trustee or other person related to the Charity had any interest in any contract or transaction entered into by the Charity during the year or the preceding year other than stated above.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT

FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their annual report and financial statements for the year ended 31 March 2023.

Harmony House Dagenham is a charitable organisation managed by its trustees, who at present are the Sisters of the Sacred Hearts of Jesus and Mary. Harmony House Dagenham converted from a CIC (Company Registration No. 6565448) registered at Companies House from 15 April 2008 to a CIO (Registered Charity No. 1198573). Harmony House Dagenham registered with the Charity Commission on 11 April 2022 as per the Charity's trust deed.

We offer an Early years provision, services for older people and a variety of community programmes. We offer space and accommodation at Harmony House to other community ventures.

During this year we had to meet the challenge of the after effects of the pandemic, the cost-of-living crisis and the ongoing challenges to the recruitment and retention of nursery practitioners.

We have however successfully delivered our Early Years' service and managed a large programme of support for the older people in Barking and Dagenham. During this financial year we became a part of the Barking and Dagenham collective, partnering with five other voluntary organisations as Locality Leads to deliver the Cost-of-living crisis programme on behalf of the London Borough of Barking and Dagenham.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements and comply with the Charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

Public benefit

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

The Charity's objectives are as follows;

- To promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society.
- To develop the capacity and skills of the members of the socially and economically disadvantaged community of the London borough of Barking and Dagenham in such a way that they are better able to identify and help meet their needs and to participate more fully in society.
- To advance education of children primarily under statutory school age through early years provision and after school clubs
- Such other charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the charity trustees may from time to time determine.

Principal Aims and Activities

Harmony House was established in 1993 in response to the needs of the recently arrived refugees in Barking and Dagenham. As the numbers and needs of refugees have diminished, Harmony House has channeled its resources to meet other priority needs of the community.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

Activities

The activities are as follows;

Early Year settings

Harmony House Dagenham CIO manages 3 nurseries, which is the core services that financially supports our other objectives of being a charity. The last trading year has been a difficult one with respect to recruitment and retention of nursery practitioners. We have attended job fairs run by the local borough and the job centre and have been able to recruit 4 members of staff.

Dagenham

Our childhood centre at Dagenham provides high quality childcare at one of the most affordable rates in the borough. We aim to keep our fees as low as possible to support local families. The setting had its last Ofsted inspection in October 2018 and received a GOOD rating.

We had to re-register this nursery with Ofsted as we had changed status from being a Community Interest Company to a Charitable Incorporated Organisation on 11 April 2022. The occupancy rates have remained low after the pandemic in all the settings: although they are slowly improving. The increase in the cost of living may have affected the uptake although it has been very difficult to gauge the reasons behind the low occupancy rates.

As of 31 March 2023, there were 83 children on roll. (2022 :86). Throughout the year we provided places to 46 children through the Government's 2-year funding scheme. A further 74 children aged 3 years and over, access funding with 33 of them qualifying for 30 hours of free education. In September 2022, 28 children went up to school. At Christmas time the nursery children took part in a Nativity Play and Carol Concert. They played their part alongside other members of the Harmony House community: taking leading parts in the Nativity Play and even solo singing parts.

Hornchurch

This is the second Harmony House nursery opened in January 2013. The building is next to the St Mary's R.C. Primary school in Hornchurch, with whom we have built a good relationship. The setting has a capacity for 44 children at any one time. The setting had its last Ofsted inspection in March 2018 and received a GOOD rating.

We had to re-register this nursery with Ofsted as we had changed status from being a Community Interest Company to a Charitable Incorporated Organisation on 11 April 2022.

As of 31 March 2023, there were 55 children on roll. (2022:44). Throughout the year we provided places to 12 children through the Government's 2 - year funding scheme. A further 41 children aged 3 years and over, access funding with 22 of them qualifying for 30 hours of free education. In September 2022, 12 children went up to school.

The staff at Hornchurch perform a graduation ceremony on a Saturday for the children who go to school. This enables the parents to attend the ceremony and be a part of the celebration.

Castle Green

Harmony House has managed Castle Green, on behalf of the local authority since 2015. The contract initially for 6 years was extended in February 2020 for a further 5 years. Castle Green is a nursery offering full day care for 50 weeks a year.

As with our existing Dagenham nursery, Castle Green is registered for 79 children making these nurseries the two largest in Barking and Dagenham.

As of 31 March 2023, there were 105 children on roll. (2022 :108). Throughout the year we provided places to 69 children through the Government's 2-year funding scheme. A further 114 children aged 3 years and over, access funding with 51 of them qualifying for 30 hours of free education. In September 2022, 38 children went up to school.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

In-Service Training

Each nursery had 2 in-service training days this year.

Silvernet,

A programme offering support to older people, was launched in August 2016. It was initially funded through a £300,000, three-year, Big Lottery grant. Since May 2020 a smaller service has been delivered, supported by a grant from the Mercer's Company. The grant was for £84,000 over two years which ended May 2022.

A further 2-year extension to the project was approved by the funders ending May 2024. The service consists of six get-together groups, events days, outings, and a computer club for elders.

We also deliver the Job2do programme as part of Silvernet. Through this service we offer gardening, housework, decorating and small DIY jobs to older people in their homes.

We had 6 social groups being supported with a total of 78 members attending these groups. The social groups have helped many of our socially isolated service users under our Companions project. The last year has been challenging due to the higher cost of living. Warm spaces that we offer at our social gathering venues have been helpful for the service users during the winter months.

We organised 4 events in the period from April 2022 to March 2023. These were the St. Patrick's Day, St Georges day, Halloween, and Christmas. An average of 65 older people attended each of these events.

Through our Job2do team we were able to continue with our housework, gardening, and DIY services. In total we completed 610 jobs in total from April 2022 to March 2023. This service has been a lifeline to many of our vulnerable beneficiaries. Through this service we were able to identify 18 service users who needed additional support and were referred on to various services in the borough.

Companions Service funded by City Bridge Trust

The companions Service, funded for 5 years by the City Bridge Trust, began in January 2020. The aim of the service is to contact elders who are extremely isolated and have difficulty, for whatever reason, in leaving their homes. Three members of staff have been employed for 12 hours a week each

They have a case load of 15 service users each. Each service user gets a home visit every other week with telephone calls in between. The goal is to get as many service users as possible out of their homes; ideally to join community activity or even for a short walk to the local shops or park and take them out of Social isolation. The service is now well established and receives many referrals from the local health and social work teams. The team has been able to organise social gatherings where 6 to 8 clients can meet with staff. This has had the beneficial result of several clients striking up friendships and supporting each other with telephone calls.

We secured some additional funding from the Local Authority for 6 months due to the increased number of referrals for this service. This allowed our three paid Companions to work an extra 13 hours a week for 6 months. The extra working hours extra visits and which helped the clients integrate into the community faster. Over the period from April 2022 to March 2023 we have worked with 48 services users and were successful in integrating 21 clients back into the community.

In July 2022 we took 25 people to a theatre show. This sparkling, foot-tapping, feel-good show evoked the wonderful mix of entertainment that accompanied the optimistic youth of the post-war generation and was packed with nearly fifty singalong hits which the participants enjoyed. Overall last year has been very productive and we intend to carry on providing that service this.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

N.H.S Leaflet Storage and Distribution Project

During the year we have continued to deliver the NHS Storage and Distribution from Harmony House. This service has been very busy with several campaigns undertaken by the N.H.S after the pandemic. Harmony House has been commissioned to deliver this project until the end of March 2024.

The Handyperson Service is delivered through Harmony House on behalf of the London Borough of Barking and Dagenham and the local N.H.S. The service is designed to provide practical support to residents who are at risk of slipping or tripping in their own homes. The service is free at the point of delivery to customers. This has been a well-used service with the referrals coming from social workers, N.H.S staff and integrated teams in addition to directly from customer themselves.

This service is seen as a part of a prevention strategy on the part of the Local Authority and the local N.H.S: preventing residents from emergency admission to hospital needing residential care. In addition, the service is used to prepare customers' homes so that they can return to them safely and quickly after a stay in the hospital or residential care. The service completes small household DIY jobs that will help to prevent slips and trips for vulnerable adults. For example, we secure loose flooring surfaces, ensure lightbulbs are changed and repair and install banister rails on stairways. Last year alone we have installed 440 grab rails in bathrooms and by doorways to help Older People move more securely around their homes.

Cost of Living Project – Locality Lead

Harmony House is a Locality Lead in the Cost-of-Living Crisis Project commissioned by the London borough of Barking and Dagenham and the N.H.S.

Each Community Locality Lead acts as a focal point for their area, to discover what support is available and prototype solutions with local people, offer a triage service to discover how, where and who people turn to for help, linking people up to support as appropriate to help people manage wellbeing issues related to welfare, debt, housing, employment, and social isolation, as well as health conditions.

The project was awarded to Harmony House from the October 2022 and scheduled to end on the 31st of January 2024. During this period, we will be part of the project for planning the continuation of a co-designed, coordinated, and visible cross sector response to the ongoing challenges caused by the cost-of-living crisis and upcoming challenges from winter pressures.

We will be working with the Local Authority, N.H.S and other locality lead partners to achieve:

- A longer-term locality-based solution that focuses on people's strengths, helps people out of crisis and builds greater resilience across the community.
- A strengthened Locality Leads model – aligned with 3 localities and ensure the model is fit for purpose with networked civil society, connected to each other and residents at the heart.

Volunteers and staff

The volunteers and staff are involved in general management and core activities of the Charity:

- Help the socially and economically disadvantaged residents of Barking and Dagenham to develop the capacity and skills .
- Help in older people's service called "Silvernet" which includes Get Together groups, a Job2Do service, a Silver Surfer Computer club and Harmony House Companions service.
- Help in running 3 full time childcare nurseries catering to children aged 3 months to 4 years.
- Visit elderly isolated people in their own homes and try integrating them with other social groups in the community.
- The companions assist service users by accompanying them to GP appointments, café visits, shopping visits etc. to build their confidence to go out and make friends

The Board of Governors would like to acknowledge the tremendous efforts of the volunteers, staff and the many supporters of the Charity for their kind and generous donations as well as their continued support in helping the Charity to achieve its objectives.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

Achievements and performance

Significant activities and achievements against objectives

At 31 March 2023, there were 243 pupils registered at the school; the total number registered from April 2023 is expected to rise. The child care fee income was £788,699 for the YE 31 March 2023 (2022: £718,253).

The most recent standard inspection by Ofsted in 2023 rated all the nurseries as Good.

Income from other charitable activities comprised of government grants at £829,871 (2022: £948,537), contracts and agreement grants at £126,750 (2022: £100,868), catering income at £105,053 (2022: £106,714), rental income at £118,958 (2022: £121,621), Donations at £0 (2022: £5,712) and internal projects at £4,275 (2022: £24,016)

The trustees place great importance on safety and security. Procedures and risk assessments are regularly reviewed.

Financial review

In 2023, the Charity's expenditure totalled to £1,952,534 (2022: £1,978,383), which includes employment costs at £1,371,306 (2022: £1,337,877), child care costs £282,634 (2022: £304,519), premises costs of £117,978 (2022: £215,342), community project costs of £149,966 (2022: £86,521) and depreciation charge at £30,650 (2022: £34,124), (Note 7). Income was more than resources expended in 2023, resulting in a surplus of £25,315 (2022: £102,727). The net assets as year ended 31 March 2023 amounted to £669,745 (2022: £644,430).

Going concern

During the current year, the charitable activities generated gross income of £1.97m (2022: £2.02m). The total assets less current liabilities for the year were £669k (2022: £644k).

Based on the charity's performance and the trustees confidence, the charity will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

Reserves policy

The trustees have reviewed the charity's need for reserves in accordance with guidance from the Charity Commission. The restricted funds relate to grants received from funders with specific terms and conditions on what the funds are to be utilised for. The trustees consider that unrestricted reserves of between three and six months' expenditure will ensure that, in the event of a significant drop in funding or exceptional expenses, the charity's current activities will be able to continue while considering ways to raise additional funds.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

Risk management and internal control

Risk management

The Board of Trustees is responsible for ensuring effective risk management, and that internal controls are in place to appropriately manage the risk exposure of the Charity, in particular, the Board of Governors has considered:

- the major risks to which the Charity is exposed;
- the potential impact and probability associated with each risk;
- existing internal controls and accountability for them;
- mitigating actions needed to reduce each risk to a level that the Governors considers to be acceptable.

All significant activities undertaken are subject to risk review as part of the initial project assessment and implementation. The Board of Governors reviews the major risks that the Charity faces on a regular basis and controls are established as appropriate.

Internal control

The Trustees have overall responsibility for ensuring that the Charity has appropriate systems of internal controls across the Charity .

The key internal controls used by the Charity include:

- Formal agendas and minutes of all Board of Governors meetings
- Detailed budgetary presentation for approval by the Board of Governors
- Established organisational structure and lines of reporting
- Engagement of external professional advisors as and when necessary

Through the controls established for the running of the Charity, the Board of Governors are satisfied that the major risks identified are adequately mitigated where necessary. It is recognised that the controls established can only provide reasonable but not absolute assurance that major risks have been adequately managed.

Structure, governance and management

Harmony House Dagenham CIO (Registered Charity No. 1198573) registered with the Charity Commission on 11 April 2022 as per the Charity's trust deed. The registered address of Harmony House, Baden Powell Close, Dagenham RM9 6XN.

Prior to this Harmony House Dagenham was a CIC (Company Registration No. 6565448) registered at Companies House from 15 April 2008.

The Trustees who served during the year and up to the date of signature of the financial statements were:

Sister N Emperor	(Appointed 11 April 2022)
Hannah Kearns	(Appointed 11 April 2022)
Sister Eileen McLoughlin	(Appointed 11 April 2022)
Sister Lorna Walsh	(Appointed 11 April 2022)
Sister Margaret Patricia Gallagher	(Appointed 11 April 2022)
Sister Siobhan O'Keeffe	(Appointed 11 April 2022)

Recruitment, appointment and training of trustees

When appointing new Trustees to the charity, the Board of Trustees consider the skills, knowledge and experience of the individual in making the appointment.

All Trustees have been allocated an area of responsibility which, where possible, is in accordance with their skills and experience.

The first nominated charity trustees listed above were appointed as detailed in the Harmony House Dagenham CIO constitution. None of the Trustees has any beneficial interest in the charity. If the CIO is wound up, the members of the CIO have no liability to contribute to its assets and no personal responsibilities for settling its debts and liabilities.

HARMONY HOUSE DAGENHAM CIO

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

Organisational structure

The Trustees have delegated the day-to-day management of the charity to Ravi Pillai, Acting CEO, in the absence of Marie Kearns who is currently on long term sick leave. The Trustees and Acting CEO, take professional advice:

- legal advice regarding the leasing/licensing relating to property
- tax advice from the auditors
- day-to-day financial advice from the Finance Manager, Aleem Islan
- day-to-day HR advice from Kelly Lawlor.

Other matters

Pay policy for senior staff

The senior management team comprises of the key management personnel of the charity in charge of directing, controlling, running and operating the charity on a day-to-day basis.

The salaries of all the members of senior staff are reviewed annually by the charity's human resources committee and increased in accordance with its pay policy.

Auditor

KLSA LLP were appointed as auditor to the charity and a resolution proposing that they be re-appointed will be put at a General Meeting.

Disclosure of information to auditor

Each of the Trustees has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the auditor is aware of such information.

The Trustees report was approved by the Board of Trustees.

Sister Lorna Walsh

Trustee

12th January 2024

HARMONY HOUSE DAGENHAM CIO

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2023

The Trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF HARMONY HOUSE DAGENHAM CIO

Opinion

We have audited the financial statements of Harmony House Dagenham CIO (the 'Charity') for the year ended 31 March 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2023 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HARMONY HOUSE DAGENHAM CIO

Responsibilities of Trustees

As explained more fully in the statement of Trustees responsibilities, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with trustees and other management, and from our commercial knowledge and experience of the sector; and
- we focused on specific laws and regulations which we considered may have a direct material effect on the operations of the charity's financial statements or the operations of the charity, including the Charities Act 2011, data protection, anti-bribery, employment laws, environmental and health and safety legislation.

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HARMONY HOUSE DAGENHAM CIO

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- carried out a review of the incoming grants during the year ensuring transactions were at arm's length.
- investigated the rationale behind significant or unusual transactions.
- verified income to the supporting receipts and other documentation on a sample basis to confirm classification between restricted and unrestricted funds.
- read minutes of meetings of those charged with governance.
- performed year on year analytical procedures on grants.
- reviewed validity of expenditure on a sample basis and in particular reasonableness of allocation of expenditure against restricted funds.

To address the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- enquiring of management as to actual and potential litigation and claims.

and we communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit. The potential effect of these laws and regulations on the financial statements varies considerably.

Firstly, the Charity is subject to laws and regulations that directly affect the financial statements including financial reporting legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statements items.

Secondly, the Charity is subject to laws and regulations as well as grants terms and conditions where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the dismissal of teaching staff and replacement of school governors as well as termination of grants. We identified the following areas as those most likely to have such an effect: Ofsted inspections and the terms attached to the Mercer's Company, The City Bridge Trust and The National Lottery Community Fund grants. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any. Therefore, if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards; for instance, any non-compliance with laws and regulations and fraud which is far removed from transactions reflected in the financial statements would diminish the likelihood of detection. Furthermore, the risk of not detecting a material misstatement due to fraud is greater than the risk of not detecting one resulting from error.

Fraud may involve deliberate concealment by, for example, forgery or intentional omissions, misrepresentation, or through an act of collusion that would mitigate internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

HARMONY HOUSE DAGENHAM CIO

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HARMONY HOUSE DAGENHAM CIO

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Other matters

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with the Charity's trust deed, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" effective 2019 in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

This has been done in order for the financial statements to provide a true and fair view in accordance with current Generally Accepted Accounting Practice.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

HARMONY HOUSE DAGENHAM CIO

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

Charity information

Harmony House Dagenham CIO is a Charitable organisation registered with the Charity commission. The registered office is Baden Powell Close, Dagenham, Essex, RM9 6XN.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's trust deed, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Charity.

1.4 Income

Income represents the value, net of value added tax and discounts, of the following streams:

- Grant receivable, which are recognised as income when the Charity becomes entitled to the grant.
- Contract services, including nursery fees, which are recognised as income when the service is provided.
- Room and equipment hire, including catering and conference facilities, which are recognised as income as the facilities are provided.
- Donations are recognised on receipt.

HARMONY HOUSE DAGENHAM CIO

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

(Continued)

School fees and other charges are credited to the statement of financial activities on an accruals basis.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Rental income represents amounts receivable from rent charged to various tenants for rooms at Dagenham for specified periods during the week and sometimes over the weekend.

Deferred income

School fees and registration fees is billed in advance of the oncoming school term and are recognised in the accounting period to which they relate.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	10% straightline method
Fixtures and fittings	25% straightline method
Motor vehicles	40% reducing balance method

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

HARMONY HOUSE DAGENHAM CIO

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

(Continued)

1.9 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

HARMONY HOUSE DAGENHAM CIO

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

2 Critical accounting estimates and judgements

(Continued)

Critical judgements

Provision for dilapidations

Management has recognised provisions for dilapidations and major repairs in its financial statements which requires management to make judgements. The judgements, estimates and associated assumptions necessary to calculate these provisions are based on historical experience and other reasonable factors.

Useful lives of improvement in property and plant and machinery

Management reviews the useful lives and residual lives of the items of Improvement in property and plant and machinery on a regular basis.

Impairment of receivables

Management reviews their portfolio of receivables on a regular basis. In determining whether receivables are impaired and provision for bad debts is recognised, management makes judgements as to whether there is any evidence indicating that there is a measurable decrease in the estimated future cash flows expected.
