## Levy2 Trustees' Report For the financial year ended 31 March 2025

---

The Trustees present their annual report and financial statements of the Charity for the year ended 31 March 2025. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's CIO Constitution, the Charities Act 2011 and the requirement of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

### **Structure, governance and management**

Levy2 is a registered Charity, number 1198595, and is constituted under a CIO Constitution document dated 12 April 2022. The Charity was established by an unrestricted grant from the Joseph Levy Foundation following an agreement signed on 24 March 2022.

Levy2 does not actively fundraise but seeks to manage the resources it has carefully in order to provide funds to make grants in accordance with its objects.

New Trustees are appointed by existing Trustees. The CIO Constitution provides for a minimum of two Trustees and no maximum.

The Trustees meet quarterly, principally to consider the making of grants and to review investment performance. The relatively straightforward nature of the Charity's affairs and the small number of Trustees means that no sub-committees are considered necessary.

All Trustees are made aware of their obligations when taking on the appointment.

### **Risk management**

The affairs of the Charity are very straightforward and hence the risks to which it is exposed are minimal. The principal risks are in relation to managing the Charity's investments, both as regards maintenance and growth of capital and maximising income. To mitigate this risk, the Trustees employ professional investment managers to manage the investments in accordance with stated requirements.

### **Objectives and Activities**

The Charity's objects, as set out in its CIO Constitution are "... such exclusively charitable purposes as the charity trustees may in their absolute discretion determine "and the Trustees intend to apply the income of the assets under their control and may apply the whole or any part or parts of the capital of such assets in furtherance of the objects.

In practice the Charity intends to fulfil its objectives by making grants as determined by its Trustees.

In November 2024, with these objectives very much in mind, an important decision was taken by the Trustees to distribute the Charity's assets over the next 12-18 months. The Trustees expect the process of winding up the Charity to be completed in 2026.

Our **vision** is of a world where all people feel connected, valued and included.

Our **mission** is to promote change by partnering with organisations which offer resources and opportunities for marginalised communities. We want to support people who do not feel part of a community and communities which do not feel part of society.

**Levy2**  
**Trustees' Report**  
**For the financial year ended 31 March 2025**

---

**Investment policy**

The Trustees have agreed an investment policy with the Charity's investment managers which states that a balance will be achieved between capital growth and income, putting an emphasis on providing the best possible income to the grantees, without losing sight of the need for long term capital growth.

**Achievements and Performance**

Since the Charity's registration in April 2022, the Trustees have successfully opened both bank and investment accounts, held and minuted regular board meetings, created Charity policies, declared commitment to charitable purposes and identified future plans for the Charity. Grants have begun to be given during the year, with the most significant amount being a commitment to Barzilai Medical Centre in Israel.

**Public Benefit**

The Trustees have had due regard to the Charity Commission guidance on public benefit and consider that the Charity's aims and objectives comply with this.

**Fundraising**

The charity does not undertake fundraising activities and therefore does not work with professional fundraisers.

**Plans for the future**

Using the Charity's vision and mission as a guideline, the Trustees intend to develop and implement a spend-out strategy which both aligns with the grant making policy and reflects their priorities. The Trustees continue to act in the best interests of the Charity, and this significant decision has been made in the knowledge and understanding that the Charity's funds will continue to make a positive difference in the lives of others and in the world around us.

**Reserves policy**

At 31 March 2025, total Charity funds held were £1,912,561 of which £2,648,000 is invested and £49,001 is held in liquid funds. Included within creditors is grants committed to at the year end, but not paid, of £780,000. Investments will be liquidated to pay these commitments as they fall due. The Trustees intend to continue to maintain sufficient investment funds to provide an ongoing income to enable grants to be made to worthy causes. The Trustees also intend to maintain sufficient cash reserves to enable grants to be made and to give flexibility to make emergency payments to worthy causes as the need arises. Reserves may vary from year-to-year dependent on fluctuations in income and depending on the quality and appropriateness of grant applications. Should reserves increase significantly trustees will consider whether there are larger projects they consider it appropriate to support or whether they consider it appropriate to provide regular funding to a cause or causes over a sustained period.

**Levy2**  
**Trustees' Report**  
**For the financial year ended 31 March 2025**

---

**Trustees' responsibilities in relation to the financial statements**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 28/10/2025 and signed on their behalf by:

### Independent Examiners Report to the Trustees and Members For the financial year ended 31 March 2025

---

#### Independent examiners report to the Trustees of Levy2

I report to the trustees on my examination of the accounts for Levy2 ("the charity") for the year ended 31 March 2025.

#### Responsibilities and basis of report

As the charity trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not comply with these records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Levy2**  
Notes to the Financial Statements  
For the financial year ended 31 March 2025

---

**1. Accounting Policies**

**1.1 Basis of accounting**

The financial statements have been prepared in £ sterling on the historical cost basis and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102)).

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**1.2 Funds structure**

The Charity has a single expendable endowment fund, created by a grant from the Joseph Levy Foundation. The income of this Trust is restricted to furtherance of the Charity's objectives. The terms allow the capital of the fund to be spent if the Trustees so determine.

**1.3 Income**

All income is recognised once the Charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

**1.4 Expenditure**

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grants payable are payments made to third parties in furtherance of the charitable objects of the Trust. Grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the Trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of the Trust.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of the grant payable.

**1.5 Governance costs**

Governance costs comprise all costs involving the public accountability of the Charity and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees.

**1.6 Fixed asset investments**

Investments are recognised initially at fair value which is normally the transaction price (but excludes any transaction costs). Subsequently, investments are held at market value, with all realised and unrealised gains and losses passing through the SOFA.

**1.7 Realised gains and losses**

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (or purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

**1.8 Cash at bank and in hand**

Cash at bank and in hand comprise of cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

**1.9 Creditors**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

**1.10 Taxation**

As a registered charity, the charity is not liable to corporation tax to the extent that income and gains are applied to charitable objectives.

**1.11 Financial instruments**

The charity only holds basic financial instruments as defined in FRS 102. The financial assets and liabilities of the charity and their measurements are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 9. Investment portfolios are basic financial instruments measured at fair value through the income and expenditure account. Prepayments are not financial instruments.

Cash at bank and deposit accounts– is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 9. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

### Trustees' Report

For the financial year ended 31 March 2024

---

The Trustees present their annual report and financial statements of the Charity for the year ended 31 March 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's CIO Constitution, the Charities Act 2011 and the requirement of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **Structure, governance and management**

Levy2 is a registered Charity, number 1198595, and is constituted under a CIO Constitution document dated 12 April 2022. The Charity was established by an unrestricted grant from the Joseph Levy Foundation following an agreement signed on 24 March 2022.

Levy2 does not actively fundraise but seeks to manage the resources it has carefully in order to provide funds to make grants in accordance with its objects.

New Trustees are appointed by existing Trustees. The CIO Constitution provides for a minimum of two Trustees and no maximum.

Following the initial 'setting up' period, the Trustees intend to meet quarterly, principally to consider the making of grants and to review investment performance. The relatively straightforward nature of the Charity's affairs and the small number of Trustees means that no sub-committees are considered necessary.

All Trustees are made aware of their obligations when taking on the appointment.

#### **Risk management**

The affairs of the Charity are very straightforward and hence the risks to which it is exposed are minimal. The principal risks are in relation to managing the Charity's investments, both as regards maintenance and growth of capital and maximising income. To mitigate this risk, the Trustees employ professional investment managers to manage the investments in accordance with stated requirements.

#### **Objectives and Activities**

The Charity's objects, as set out in its CIO Constitution are "... such exclusively charitable purposes as the charity trustees may in their absolute discretion determine" and the Trustees intend to apply the income of the assets under their control and may apply the whole or any part or parts of the capital of such assets in furtherance of the objects.

In practice the Charity intends to fulfil its objectives by making grants as determined by its Trustees.

During this tumultuous year of geopolitical events, war, and climate change disasters on both a local and global scale, the Trustees have been actively considering where the Charity's funds could really make a difference. Emotions have been understandably high and perspectives have differed but the Charity's objects are first and foremost in the Trustees' minds as they move towards potential grant making in the short-term and weighing up sustainability in the long-term.

Our **vision** is of a world where all people feel connected, valued and included.

Our **mission** is to promote change by partnering with organisations which offer resources and opportunities for marginalised communities. We want to support people who do not feel part of a community and communities which do not feel part of society.

### **Investment policy**

The Trustees have agreed an investment policy with the Charity's investment managers which states that a balance will be achieved between capital growth and income, putting an emphasis on providing the best possible income to the grantees, without losing sight of the need for long term capital growth.

### **Achievements and Performance**

Since the Charity's registration in April 2022, the Trustees have successfully opened both bank and investment accounts, held and minuted regular board meetings, created Charity policies, declared commitment to charitable purposes and identified future plans for the Charity. While discussions about grant making actively continue, the Trustees did not award any grants in the year ending 31 March 2024.

### **Public Benefit**

The Trustees have had due regard to the Charity Commission guidance on public benefit and consider that the Charity's aims and objectives comply with this.

### **Fundraising**

The charity does not undertake fundraising activities and therefore does not work with professional fundraisers.

### **Plans for the future**

The Trustees intend to follow their stated policy for making grants primarily out of the income received on the Charity's investments, but not exclusively so. Using the Charity's vision and mission as a guideline, the Trustees have proactively researched priority areas and identified potential projects which align with both the grant making policy and the Trustees' current standpoints. Proposals for funding have been invited and will be brought to the next trustee meeting for discussion and approval. These initial Levy2 grants will hopefully pave the way for the Charity to play a pivotal role in community development and to actuate positive change - we aim to make a difference.

### **Reserves policy**

At 31 March 2024, total Charity funds held were £3,381,384 of which £3,255,387 is invested and £125,997 is held in liquid funds. The Trustees intend to continue to maintain sufficient investment funds to provide an ongoing income to enable grants to be made to worthy causes. The Trustees also intend to maintain sufficient cash reserves to enable grants to be made and to give flexibility to make emergency payments to worthy causes as the need arises. Reserves may vary from year-to-year dependent on fluctuations in income and depending on the quality and appropriateness of grant applications. Should reserves increase significantly trustees will consider whether there are larger projects they consider it appropriate to support or whether they consider it appropriate to provide regular funding to a cause or causes over a sustained period.

**Levy2**  
Trustees' Report  
For the financial year ended 31 March 2024

---

**Trustees' responsibilities in relation to the financial statements**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Independent Examiners Report to the Trustees and Members For the financial year ended 31 March 2024**

---

#### **Independent examiners report to the Trustees of Levy2**

I report to the trustees on my examination of the accounts for Levy2 ("the charity") for the year ended 31 March 2024.

#### **Responsibilities and basis of report**

As the charity trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not comply with these records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**1. Accounting Policies**

**1.1 Basis of accounting**

The financial statements have been prepared in £ sterling on the historical cost basis and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102)).

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**1.2 Funds structure**

The Charity has a single expendable endowment fund, created by a grant from the Joseph Levy Foundation. The income of this Trust is restricted to furtherance of the Charity's objectives. The terms allow the capital of the fund to be spent if the Trustees so determine.

**1.3 Income**

All income is recognised once the Charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

**1.4 Expenditure**

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grants payable are payments made to third parties in furtherance of the charitable objects of the Trust. Grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the Trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of the Trust.

*Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of the grant payable.*

**1.5 Governance costs**

Governance costs comprise all costs involving the public accountability of the Charity and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees.

**1.6 Fixed asset investments**

Investments are recognised initially at fair value which is normally the transaction price (but excludes any transaction costs). Subsequently, investments are held at market value, with all realised and unrealised gains and losses passing through the SOFA.

**Levy2**  
Notes to the Financial Statements  
For the financial year ended 31 March 2024

---

**1.7 Realised gains and losses**

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (or purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

**1.8 Cash at bank and in hand**

Cash at bank and in hand comprise of cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

**1.9 Creditors**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

**1.10 Taxation**

As a registered charity, the charity is not liable to corporation tax to the extent that income and gains are applied to charitable objectives.

**1.11 Financial instruments**

The charity only holds basic financial instruments as defined in FRS 102. The financial assets and liabilities of the charity and their measurements are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 9. Investment portfolios are basic financial instruments measured at fair value through the income and expenditure account. Prepayments are not financial instruments.

Cash at bank and deposit accounts– is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 9. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

**8. Trustees and employees**

The charity has no employees, and hence none that receive remuneration of over £60,000.

None of the Trustees (or persons connected with them) received any remuneration during the current year (2023: £nil).

There have been no transactions with any related parties in the year ended 31 March 2024. In the previous year, the charity received a one-off grant of £3,030,000 from the Joseph Levy Foundation. Two of the Trustees of Levy2 were formerly Trustees of the Joseph Levy Foundation and are also close family members to the Trustees of the Joseph Levy Foundation. The terms of the grant are that the funds are used for charitable purposes.

### **Trustees' Report**

**For the Period from 12 April 2022 to 31 March 2023**

---

#### **Report of the Trustees for the period from 12 April 2022 to 31 March 2023**

The Trustees present their annual report and financial statements of the Charity for the period from 12 April 2022 to 31 March 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's CIO Constitution, the Charities Act 2011 and the requirement of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **Structure, governance and management**

Levy2 is a registered Charity, number 1198595, and is constituted under a CIO Constitution document dated 12 April 2022. The Charity was established by an unrestricted grant from the Joseph Levy Foundation following an agreement signed on 24 March 2022.

Levy2 does not actively fundraise but seeks to manage the resources it has carefully in order to provide funds to make grants in accordance with its objects.

New Trustees are appointed by existing Trustees. The CIO Constitution provides for a minimum of two Trustees and no maximum.

Following this year's initial 'setting up' period, the Trustees intend to meet quarterly, principally to consider the making of grants and to review investment performance. The relatively straightforward nature of the Charity's affairs and the small number of Trustees means that no sub-committees are considered necessary.

All Trustees are made aware of their obligations when taking on the appointment.

#### **Risk management**

The affairs of the Charity are very straightforward and hence the risks to which it is exposed are minimal. The principal risks are in relation to managing the Charity's investments, both as regards maintenance and growth of capital and maximising income. To mitigate this risk, the Trustees employ professional investment managers to manage the investments in accordance with stated requirements.

#### **Objectives and Activities**

The Charity's objects, as set out in its CIO Constitution are "... such exclusively charitable purposes as the charity trustees may in their absolute discretion determine" and the Trustees intend to apply the income of the assets under their control and may apply the whole or any part or parts of the capital of such assets in furtherance of the objects.

In practice the Charity intends to fulfil its objectives by making grants as determined by its Trustees.

## **Levy2**

### **Trustees' Report**

For the Period from 12 April 2022 to 31 March 2023

---

During this first year, the Trustees have been actively considering governance arrangements and policies.

Our vision is of a world where all people feel connected, valued and included.

Our mission is to promote change by partnering with organisations which offer resources and opportunities for marginalised communities. We want to support people who do not feel part of a community and communities which do not feel part of society.

#### **Investment policy**

The Trustees have agreed an investment policy with the Charity's investment managers which states that a balance will be achieved between capital growth and income, putting an emphasis on providing the best possible income to the grantees, without losing sight of the need for long term capital growth.

#### **Achievements and Performance**

Since the Charity's registration in April 2022, the Trustees have successfully opened both bank and investment accounts, held and minuted regular board meetings, created Charity policies, declared commitment to charitable purposes and identified future plans for the Charity.

#### **Public Benefit**

The Trustees have had due regard to the Charity Commission guidance on public benefit and consider that the Charity's aims and objectives comply with this.

#### **Fundraising**

The charity does not undertake fundraising activities and therefore does not work with professional fundraisers.

#### **Plans for the future**

The Trustees intend to follow their stated policy for making grants to suitable organisations primarily out of the income received on the Charity's investments. Having identified the Charity's vision and mission, the Trustees are proactively researching priority areas and identifying the prospect of a project that aligns with the grant making policy prior to inviting proposals for funding.

#### **Reserves policy**

At 31 March 2023, total Charity funds held were £3,037,421 of which £2,984,391 is invested and £53,030 is held in liquid funds. The Trustees intend to continue to maintain sufficient investment funds to provide an ongoing income to enable grants to be made to worthy causes. The Trustees also intend to maintain sufficient cash reserves to enable grants to be made and to give flexibility to make emergency payments to worthy causes as the need arises. Reserves may vary from year-to-year dependent on fluctuations in income and depending on the quality and appropriateness of grant applications. Should reserves increase significantly trustees will consider whether there are larger projects they consider it appropriate to support or whether they consider it appropriate to provide regular funding to a cause or causes over a sustained period.

## **Levy2**

### **Trustees' Report**

For the Period from 12 April 2022 to 31 March 2023

---

#### **Trustees' responsibilities in relation to the financial statements**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- There is no relevant audit information of which the charitable trust's auditors are unaware; and
- The Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Approved by the Trustees on 6 July 2023 and signed on their behalf by:

## Levy2

### Independent Auditor's Report to the Trustees and Members For the Period from 12 April 2022 to 31 March 2023

---

#### Opinion

We have audited the financial statements of Levy2 (the 'charity') for the period from 12 April 2022 to 31 March 2023, which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2023, and of its incoming resources and application of resources, for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## Levy2

### Independent Auditor's Report to the Trustees and Members For the Period from 12 April 2022 to 31 March 2023

---

#### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report;
- sufficient accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement set out on page 4 the trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under the Charities Act 2011, s. 144 and report in accordance with regulations made under the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

#### **The extent to which the audit was considered capable of detecting irregularities including fraud**

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with management, and from our commercial knowledge and experience of the charity sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the charity, including the Charities Act 2011, fundraising regulator, anti-bribery and data protection legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

### Independent Auditor's Report to the Trustees and Members For the Period from 12 April 2022 to 31 March 2023

---

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation, claims and breaches of relevant legislation; and
- reviewing correspondence with the Charity Commission and other relevant regulators including the charity's legal advisors and insurers.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### **Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

#### **Albert Goodman LLP**

Statutory Auditor  
Goodwood House  
Blackbrook Park Avenue  
Taunton  
TA1 2PX

Date: 21 September 2023

Albert Goodman LLP is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

### Notes to the Financial Statements

For the Period from 12 April 2022 to 31 March 2023

---

#### 1. Accounting Policies

##### 1.1 Basis of accounting

The financial statements have been prepared in £ sterling on the historical cost basis and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102)).

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

##### 1.2 Funds structure

The Charity has a single expendable endowment fund, created by a grant from the Joseph Levy Foundation. The income of this Trust is restricted to furtherance of the Charity's objectives. The terms allow the capital of the fund to be spent if the Trustees so determine.

##### 1.3 Income

All income is recognised once the Charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

##### 1.4 Expenditure

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grants payable are payments made to third parties in furtherance of the charitable objects of the Trust. Grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the Trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of the Trust.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of the grant payable.

##### 1.5 Governance costs

Governance costs comprise all costs involving the public accountability of the Charity and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees.

##### 1.6 Fixed asset investments

Investments are recognised initially at fair value which is normally the transaction price (but excludes any transaction costs). Subsequently, investments are held at market value, with all realised and unrealised gains and losses passing through the SOFA.

## Levy2

### Notes to the Financial Statements

For the Period from 12 April 2022 to 31 March 2023

---

#### 1.7 **Realised gains and losses**

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (or purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

#### 1.8 **Cash at bank and in hand**

Cash at bank and in hand comprise of cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### 1.9 **Creditors**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

#### 1.10 **Taxation**

As a registered charity, the charity is not liable to corporation tax to the extent that income and gains are applied to charitable objectives.

#### 1.11 **Financial instruments**

The charity only holds basic financial instruments as defined in FRS 102. The financial assets and liabilities of the charity and their measurements are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 9. Investment portfolios are basic financial instruments measured at fair value through the income and expenditure account. Prepayments are not financial instruments.

Cash at bank and deposit accounts– is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 9. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

<b>Total</b>	-	3,048,397	(17,455)	6,479	3,037,421

#### 8. Trustees and employees

The charity has no employees, and hence none that receive remuneration of over £60,000.

None of the Trustees (or persons connected with them) received any remuneration during the current year.

The charity received a one-off grant of £3,030,000 in the year from the Joseph Levy Foundation. Two of the Trustees of Levy2 were formerly Trustees of the Joseph Levy Foundation and are also close family members to the Trustees of the Joseph Levy Foundation. The terms of the grant are that the funds are used for charitable purposes.
