Accounts

Caddington Heathfield Centre Trustees' Annual Report for the period Year from 1 April 2024 to 31 March 2025

Objectives and Activities

To further or benefit the residents of Caddington and the neighbourhood and to provide facilities in the interest of social welfare for recreation and leisure time occupation.

To establish or secure the establishment of a Community Centre and to maintain or manage or co-operate with any statutory authority in the maintenance and management of such a centre.

The Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

Throughout the period, the Community Centre has been open for the residents of Caddington and the neighbourhood. On average, there has been over 500 residents a week using the Centre.

Financial Review

The Charity's financial position at the end of the period is deemed to be satisfactory for its purposes.

The Trustees consider that a reasonable level of reserves should be held, so that funds are available if there is a significant cost required for a one-off significant repair/maintenance. The desired minimum amount of reserves to cover these costs at the period end is £5,000.

The Building and Land are currently owned by Central Bedfordshire Council, who are at present taking significant steps regarding the sale of the Site, which may include refurbishing the Building, which in turn may impact upon the Charity's ability to continue to provide a Community Centre. Given the uncertainty regarding how long the Building may not be usable for Caddington Heathfield Centre and what costs may be incurred when no income is being generated, and if it becomes usable again whether there will be sufficient business to sustain it, the Trustees have attempted to increase Reserves much more than the desired minimum in normal circumstances of £5,000 as noted above.

Structure, Governance and Management

Caddington Heathfield Centre is a Charitable Incorporated Organisation that is governed by a Constitution.

The agreement of the majority of the Trustees by a resolution is required to appoint a new Trustee. Any new Trustee will be appointed for a 3-year term. In the appointment process of a new Trustee, the Trustees must have regard to the skills, knowledge and experience needed for the administration of the Charity.
