## Zakat Aid Trustee's Report

For the period ending 31 March 2025, Zakat Aid experienced significant changes in its Board of Trustees. Two trustees stepped down during the year and were subsequently replaced to ensure continuity in governance and oversight. In addition, the charity's bank account was closed in July 2024. As a result of these transitional changes, the organisation was unable to carry out fundraising activities or implement humanitarian projects during the reporting period.

The immediate priority for the Board is to establish a new bank account in the charity's name and resume fundraising efforts. Restoring operational capacity will enable Zakat Aid to continue pursuing its charitable objectives and delivering humanitarian assistance in line with its mission.

The liabilities of £400 and £3,000 recorded in the accounts have been formally waived by the respective creditors.

For the year ending 31 March 2024, the company qualified for exemption from audit under section 477 of the Companies Act 2006, which applies to small companies.

The members did not require the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibility for maintaining proper accounting records and preparing accounts in compliance with statutory requirements.

The financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

## **Report of the Trustees for the year ended 31 March 2024**

The Trustees of Zakat Aid are pleased to present their annual report for the year ended 31 March 2024. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP 2005) and Accounting Standards Charities Act 2011.

### **Principle objectives and activities**

The main objectives of the organisation are:

- 1) the provision of monetary grants, payments or in-kind aid for individuals, charities, educational trusts, or other organisations working to relieve or prevent poverty.
- 2) the provision and use of Zakat funds for the Muslim community.
- 3) raising awareness and educating the public on the subject of Zakat and voluntary giving.

### **Activities and achievements in the year**

#### **Our Educational programs**

1. In this year we have been setting up all necessary procedures to run this charity as efficiently as possible in the near future.

#### **Our Community Services**

1. **Youth Work & Activities:** We plan on organising events and activities for the youth to ensure that our youth are not engaged in activities that are contrary to Islamic teachings and values. We try to communicate to them through mediums that are effective. We have made plans to introduce professional development workshops and leadership trainings for college and university students and normal community members.

## **Governance, Structure and Management**

The Trust is constituted as a charitable trust registered with the Charity Commission. It is governed by a constitution.

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

"The trustees meet together as a body quarterly and are responsible for all decisions taken in relation to running the organisation and the activities provided by the charity. At the quarterly meetings, the Trustees review the charity's financial position, progress, issues and direction of the organisation."

## **Recruitment and appointment of trustees**

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders and other members of the organisation. The trustees believe this approach ensures that new trustees are respected and trustworthy members of the faith and local communities and ensures that good relations are fostered between the Trust and the people of the local community that we serve.

In selecting new trustees, we seek to identify people who regularly attend events and functions organised by the charity and are willing to volunteer to help in our broader community work. Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they are then proposed as new trustees at the subsequent trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

## **Zakat Aid**

### **Risk management**

The Trustees routinely review risks relevant to the charity and take mitigating actions to manage such risks. The trustees are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified.

### **Financial Review**

In this financial year, the Charity made a surplus of £1,732. With the increase in demand for services and support for the charity, the financial outlook going forward is positive. The Trustees will continue to work towards ensuring that the charity achieves its key objectives.

### **Reserve Policy**

The Trustees have established a policy whereby the unrestricted funds held by the charity should be sufficient to cover four months of the resources expended. The Trustees will ensure that the restricted funds are expended so that the conditions attached to such funds are met. At present, the level of unrestricted funds exceeds the target level.

### **Trustees and their responsibilities**

Charity trustees are the people who serve on the governing body of a charity. They may be known as trustees, board members, governors or committee members.

The principles and main duties are the same in all cases. Trustees have, and must accept, ultimate responsibility for directing the affairs of a charity, and ensuring that it is solvent, well-run, and meeting the needs for which it has been set up.

**Independent examiner's report to the trustees of Compass Learning Centre**

I report on the Financial Statements of the Charity for the year ended 31 March 2024 which are set out on pages 9 to 18.

**Respective responsibilities of trustees and examiner**

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) or under Regulation 10 (1) (a) to (c) of The Charities Accounts (Scotland) Regulations 2006 (the 2006 Accounts Regulations) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of the Chartered Institute of Public Finance and Accountancy.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act);
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in accordance with section 44(1)(a) of the 2005 Act; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the section 44(1)(b) of the 2005 Act; and
  - which are consistent with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

#### Note 2 Accounting policies

##### 2.1 INCOME

<b>Recognition of income</b>	<p>These are included in the Statement of Financial Activities (SoFA) when:</p> <ul style="list-style-type: none"><li>• the charity becomes entitled to the resources;</li><li>• it is more likely than not that the trustees will receive the resources; and</li><li>• the monetary value can be measured with sufficient reliability.</li></ul>
<b>Grants and donations</b>	<p>Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).</p> <p>In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).</p>
<b>Tax reclaims on donations and gifts</b>	<p>Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.</p>
<b>Donated goods</b>	<p>Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.</p> <p>The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.</p>

## Zakat Aid

### Financial statements for the year ended 31 March 2024

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

#### **Donated services and facilities**

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

### **Trustees and their responsibilities**

Charity trustees are the people who serve on the governing body of a charity. They may be known as trustees, board members, governors or committee members.

The principles and main duties are the same in all cases. Trustees have, and must accept, ultimate responsibility for directing the affairs of a charity, and ensuring that it is solvent, well-run, and meeting the needs for which it has been set up.

### **Independent examiner's report to the trustees of Compass Learning Centre**

I report on the Financial Statements of the Charity for the year ended 31 March 2023 which are set out on pages 9 to 18.

### **Respective responsibilities of trustees and examiner**

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) or under Regulation 10 (1) (a) to (c) of The Charities Accounts (Scotland) Regulations 2006 (the 2006 Accounts Regulations) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of the Chartered Institute of Public Finance and Accountancy.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

### **Basis of independent examiner's report**

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in accordance with section 44(1)(a) of the 2005 Act; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the section 44(1)(b) of the 2005 Act; and
  - which are consistent with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

### Notes to the Accounts

#### Note 1 Basis of preparation

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

- the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014;
- the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102); and
- with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

#### Note 2 Accounting policies

##### 2.1 INCOME

<b>Recognition of income</b>	<p>These are included in the Statement of Financial Activities (SoFA) when:</p> <ul style="list-style-type: none"><li>• the charity becomes entitled to the resources;</li><li>• it is more likely than not that the trustees will receive the resources; and</li><li>• the monetary value can be measured with sufficient reliability.</li></ul>
<b>Grants and donations</b>	<p>Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).</p> <p>In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).</p>
<b>Tax reclaims on donations and gifts</b>	<p>Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.</p>
<b>Donated goods</b>	<p>Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.</p> <p>The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.</p>

### Financial statements for the year ended 31 March 2023

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

#### **Donated services and facilities**

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

#### **Support costs**

The charity has incurred expenditure on support costs.

#### **Volunteer help**

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

## 2.2 EXPENDITURE AND LIABILITIES

#### **Liability recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

#### **Governance and support costs**

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Deferred income**

No material item of deferred income has been included in the accounts.
