Report of the Trustees for the year ended 31 March 2024

The Trustees of Zakat Aid are pleased to present their annual report for the year ended 31 March 2024. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP 2005) and Accounting Standards Charities Act 2011.

Principle objectives and activities

The main objectives of the organisation are:

- 1) the provision of monetary grants, payments or in-kind aid for individuals, charities, educational trusts, or other organisations working to relieve or prevent poverty.
- 2) the provision and use of Zakat funds for the Muslim community.
- 3) raising awareness and educating the public on the subject of Zakat and voluntary giving.

Activities and achievements in the year

Our Educational programs

1. In this year we have been setting up all necessary procedures to run this charity as efficiently as possible in the near future.

Our Community Services

1. **Youth Work & Activities:** We plan on organising events and activities for the youth to ensure that our youth are not engaged in activities that are contrary to Islamic teachings and values. We try to communicate to them through mediums that are effective. We have made plans to introduce professional development workshops and leadership trainings for college and university students and normal community members.

Governance, Structure and Management

The Trust is constituted as a charitable trust registered with the Charity Commission. It is governed by a constitution.

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

"The trustees meet together as a body quarterly and are responsible for all decisions taken in relation to running the organisation and the activities provided by the charity. At the quarterly meetings, the Trustees review the charity's financial position, progress, issues and direction of the organisation."

Recruitment and appointment of trustees

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders and other members of the organisation. The trustees believe this approach ensures that new trustees are respected and trustworthy members of the faith and local communities and ensures that good relations are fostered between the Trust and the people of the local community that we serve.

In selecting new trustees, we seek to identify people who regularly attend events and functions organised by the charity and are willing to volunteer to help in our broader community work. Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they are then proposed as new trustees at the subsequent trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Risk management

The Trustees routinely review risks relevant to the charity and take mitigating actions to manage such risks. The trustees are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified.

Financial Review

In this financial year, the Charity made a surplus of £1,732. With the increase in demand for services and support for the charity, the financial outlook going forward is positive. The Trustees will continue to work towards ensuring that the charity achieves its key objectives.

Reserve Policy

The Trustees have established a policy whereby the unrestricted funds held by the charity should be sufficient to cover four months of the resources expended. The Trustees will ensure that the restricted funds are expended so that the conditions attached to such funds are met. At present, the level of unrestricted funds exceeds the target level.

Trustees and their responsibilities

Charity trustees are the people who serve on the governing body of a charity. They may be known as trustees, board members, governors or committee members.

The principles and main duties are the same in all cases. Trustees have, and must accept, ultimate responsibility for directing the affairs of a charity, and ensuring that it is solvent, well-run, and meeting the needs for which it has been set up.

Independent examiner's report to the trustees of Compass Learning Centre

I report on the Financial Statements of the Charity for the year ended 31 March 2024 which are set out on pages 9 to 18.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) or under Regulation 10 (1) (a) to (c) of The Charities Accounts (Scotland) Regulations 2006 (the 2006 Accounts Regulations) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of the Chartered Institute of Public Finance and Accountancy.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 44(1)(a) of the 2005 Act; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the section 44(1)(b) of the 2005 Act; and
 - which are consistent with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Note 2 Accounting policies

2.1 INCOME

Recognition of income	<p>These are included in the Statement of Financial Activities (SoFA) when:</p> <ul style="list-style-type: none">• the charity becomes entitled to the resources;• it is more likely than not that the trustees will receive the resources; and• the monetary value can be measured with sufficient reliability.
Grants and donations	<p>Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).</p> <p>In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).</p>
Tax reclaims on donations and gifts	<p>Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.</p>
Donated goods	<p>Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.</p> <p>The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.</p>
