# MESSAGE FROM THE CHAIR

**WE ARE THRILLED** to present our annual report, focusing on a new and exciting chapter in our organisation's journey. Titled "Revealing a New Scene," this report highlights the establishment of a youth club that has revolutionised the way we engage with teenagers in our community.

**ONE OF THE KEY ASPECTS** that sets this youth club apart is our commitment to empowering teens to run the club themselves. We believe in giving them a platform to have their say, allowing their voices to shape the club's direction and activities. By actively involving them in decision-making processes, we have witnessed remarkable growth in their confidence, leadership abilities, and sense of ownership.

**THROUGHOUT OUR FIRST YEAR,** we have encouraged the club members to truly contemplate their challenges and brainstorm effective solutions. By providing a safe and supportive environment, we have fostered a space for them to share their experiences openly, leading to meaningful discussions and collaborative problem-solving. Witnessing the youth grappling with their own issues and devising strategies to overcome them has been an inspiring and humbling experience.

**MOREOVER,** the strength of this youth club lies in the positive impact it has made within our community. Through various initiatives and outreach programs, our club members have not only addressed their own challenges but have also extended their support to other young individuals facing similar issues. By organising workshops, awareness campaigns, and community events, they have become catalysts for change, inspiring others to take charge of their lives and make a difference.

**AS WE NAVIGATE** the cost of living crisis, it has become increasingly crucial to support our youth in meaningful ways. Our youth club has risen to the occasion, providing essential staples to teens in need. By recognizing the scene of financial strain, we have acted as a beacon of hope, ensuring that no young individual goes without necessities such as food, clothing, and personal care items. Through our dedicated efforts, we have alleviated the burden on these teenagers, allowing them to focus on their personal and educational development.

**LOOKING AHEAD,** we remain steadfast in our mission to expand the impact of our youth club. By embracing the power of collaboration and continued support, we aspire to create even more impactful scenes, empowering teenagers to overcome challenges, unlock their potential, and thrive in an ever-changing world.

Thank you for being part of our journey

  
**LEO GROSZ**

# VISION

## TRUSTEES' REPORT

### FOR THE PERIOD ENDED 31 MARCH 2023

---

The trustees present their annual report and financial statements for the Period ended 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

#### Objectives and activities

The charity's objects are

1. To advance in life and relieve needs of young people.
2. To relieve financial hardship of children and young adults that are disadvantaged by poverty.

The charity carries out its objectives by providing recreational and leisure time activities provided in the interest of social welfare, designed to improve the young peoples conditions of life, and by providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.

The charity relieves financial hardship of children and young adults that are disadvantaged by poverty through the provision of food.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Due regard is also given to the deliverance of the Child Protection Policies within the direct work undertaken by the charity and within the organisations in receipt of grants.

#### Achievements and performance

##### Financial review

In the period under review the charity generated income of £166,210 and incurred expenses of £165,397 resulting in net incoming resources of £813.

The trustees are satisfied with the results of the charity.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to approximately three month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. The charity has increased its fundraising efforts to enable the charity to reach this level of reserves.

The trustees have identified and reviewed the major risks to which the charity is exposed. Both manual and automated checks are regularly invoked, particularly those relating to the operations and finance of the charity. The trustees are satisfied that these systems and procedures mitigate any perceived risks.

#### Plans for future periods

There are no current plans to change the activities or modus operandi in the foreseeable future.

#### Structure, governance and management

The charity is a Charitable Incorporated Organisation and is governed by its governing document. It was registered as a charity on 05 May 2022.

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF TEENS TRAILBLAZERS

---

I report to the trustees on my examination of the financial statements of Teens Trailblazers (the charity) for the Period ended 31 March 2023.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE PERIOD ENDED 31 MARCH 2023

---

#### 1 Accounting policies

##### Charity information

Teens Trailblazers is a Charitable Incorporated Organisation.

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future, based on the continued support from the community. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

##### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

# TEENS TRAILBLAZERS

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

**FOR THE PERIOD ENDED 31 MARCH 2023**

---

### **1 Accounting policies**

**(Continued)**

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

#### **1.5 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

#### **1.6 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### ***Basic financial assets***

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### ***Basic financial liabilities***

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### ***Derecognition of financial liabilities***

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

### 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
