Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To promote social inclusion for the public benefit by preventing people, particularly but not exclusively men aged 18 or over, within Wellow and the surrounding area, from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society through the provision of facilities in which they can meet jointly or individually to undertake creative, physical or recreational activities, learn or pass on skills and knowledge and support each other socially. For the purpose of this clause 'socially excluded' means being excluded from society, or parts of society, as a result of one or more of the following factors: unemployment; financial hardship; youth or old age; ill health(physical or mental).
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	We have set up a temporary facility in which the public can meet to undertake creative activities, learn or pass on skills and knowledge and support each other socially. It also provides space and equipment to enable repairs to be made to items for the local community. These items would possibly otherwise end up in landfill.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees have read and understood the Charity Commission guidance on public benefit and all decisions taken by Trustees in the management of the CIO have been taken in accordance with that guidance.
