- the charity's organisational structure and any wider network with which the charity works.
- relationship with any related parties.
- trustees' consideration of major risks and the system and procedures to manage them.

Induction and Training of Trustees: The charity has clear policies and procedures for the induction and training of trustees, ensuring they understand their roles and responsibilities. The EDI Policy outlines the approach for trustee appointments, promoting fairness and diversity in the selection process.

Organisational Structure and Networks: The charity operates a flat structure and uses Peer Support Groups to foster collaboration and community involvement. It also engages with a wider network of organisations to enhance service delivery and advocacy.

Related Party Relationships: There are no related party transactions or relationships.

Risk Management: Trustees review major risks regularly through a Risk Register to identify and manage potential threats effectively.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charitable objects of Long Covid Support are to promote and protect the health of the public and to relieve the needs of people with Long Covid and their families and carers, in particular by providing information, support, advocacy and guidance, and by supporting and disseminating research into diagnosis, treatment and rehabilitation.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The trustees confirm that, in planning and delivering the charity’s activities, they have had due regard to the Charity Commission’s guidance on public benefit.

During the year, Long Covid Support delivered its objects through three interconnected strands of work:

1. **Support and Community** – Providing peer-to-peer support for people with Long Covid and their carers through online groups, check-in sessions, and wellbeing activities. The charity’s Facebook Support Group now connects over 67,000 members worldwide and offers specialist sub-groups for men and carers. A new Volunteer Strategy was launched to strengthen recruitment, onboarding and retention of volunteers who sustain this work.
2. **Advocacy and Policy Engagement** – Representing the voices of people living with Long Covid in national and devolved policy forums. Highlights included helping to establish the All-Party Parliamentary Group on Long Covid, contributing to the UK Covid-19 Inquiry, and continued collaboration with NICE, NHS England and the Clinical Post-Covid Society on service provision and clinical guidance.
3. **Research and Evidence** – Championing patient-led research through the charity’s Research Involvement Consultancy, partnerships in multiple UK and international studies, and publication of evidence such as the *Disabled, Discharged and Disappearing from View* report on clinic closures.

The charity’s work is supported by more than forty volunteers with lived experience, ensuring that its activities remain informed by and accountable to the community it serves.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making.
- policy programme related investment.
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

1. Peer Support and Community Outreach

- Supported 67,750 members worldwide in the main Facebook Support Group (+ 2,000 on year).
- Ran weekly Check-in & Chat sessions with 6–20 participants each week, including Carers' and Men's Groups.
- Introduced new member-led sessions (career support, working with moderate Long Covid).
- Hosted wellbeing activities — the Long Covid Choir, Opera Breathing, and T'ai Chi Chih sessions.
- Created the Long Covid Community Banner and launched a three-year Community Strategy (15 Mar 2025 at Lyric Theatre Hammersmith).
- Collaborated with Long Covid Kids on Awareness Day and community projects (pins, ribbons, choirs).

2. Volunteering

- Introduced a formal Volunteer Coordinator role (June 2024).
- Conducted a volunteer audit and implemented a structured recruitment and onboarding plan with HR consultancy Nexilis.
- 20 new volunteers engaged (15 onboarded + 5 withdrew for health reasons).
- Established buddy systems, induction interviews, and retention strategies.
- Future plans include volunteer briefings and milestone recognition schemes.

3. Advocacy and Policy Influence

- Partnered with Jo Platt MP to form the All-Party Parliamentary Group (APPG) on Long Covid (Dec 2024).
- Co-organised joint APPG meeting with the APPG on ME (May 2025) — presented lived-experience evidence to Minister Stephen Timms MP.
- Delivered briefing paper with #ThereForME, Action for ME, and others; gathered 1,200+ testimonies.
- Ongoing collaboration with NICE, NHS England, JCVI, and ICBs on clinical guidance, vaccine access, and clinic closures.
- Wales advocacy: presented at Senedd 'Marketplace;' led to parliamentary debate chaired by Hefin David MS.
- Member of Overlapping Illness Alliance (Long Covid SOS, Action for ME, etc.), launching publicly in 2025.

4. Research and Evidence Work

- Launched Research Involvement Consultancy (RIC) (June 2024): 37 enquiries, 6 sessions, 2 desk reviews.
- Collaborated in major studies: LOCOMOTION, PHOSP-COVID, PHOSP-I, REACT-LC, HERITAGE, Episodic Disability, etc.
- Co-authored 10 peer-reviewed papers (June 2024 – May 2025) in *The Lancet*, *BMJ Global Health*, *Nature Genetics*, etc.
- Ran 11 Fireside Chats (40,700 views to date) connecting experts and patients.
- Partnered with Costello Medical to create a Research Dissemination Toolkit and launched a Zotero library.
- Conducted economic impact analysis feeding into Covid-19 Inquiry Module 9 and APPG briefings.

5. UK Covid-19 Inquiry

- Active Core Participant in Modules 2, 3 and 9.
- Provided written submissions and oral evidence (Natalie Rogers).
- Advocacy highlighted economic and healthcare impacts of Long Covid; collaborated with legal team Bhatt Murphy.

6. Fundraising and Financial Growth

- Raised £57,000 (nearly double previous year).
- Secured £10,000 grant from Assura (reflected in the 2026 FY) and £2,500 from Marketors' Trust.
- Merchandise (Awareness pins and ribbons) successful; community fundraising highlights:
 - Kate Weinberg – Via Francigena walk (£8,000)
 - Rose McGoldrick – Half Marathon (£1,900)
 - Marcus & Henry Hudson – Geneva Marathon (£1,600)
- Expanded fundraising team and recruited two new volunteers.
- Introduced funders' database and grant-application capacity.

7. Communications and Public Profile

- Partnership with Confido Collective (pro bono support) to develop strategic communications.
- Delivered Long Covid Awareness Day 2025 video series featuring high-profile voices (Prof Rachael Evans, Dr Maria Van Kerkhove, Morgan Fairchild, etc.).
- Maintained active social media across X, Facebook, Instagram, LinkedIn, Bluesky, strengthening visibility.

Section E

Financial review

Brief statement of the charity's policy on reserves

The trustees aim to maintain unrestricted reserves equivalent to approximately six months of operating expenditure to ensure financial stability and the ability to respond to unforeseen needs. At 31 May 2025, reserves exceeded this target, reflecting the charity's prudent financial management and growing income base. Surplus funds are held in interest-bearing accounts in line with our finance policy, which prioritises capital security and ethical use of funds.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising).
- how expenditure has supported the key objectives of the charity.
- investment policy and objectives including any ethical investment policy adopted.

Total income for the year was approximately £60,000, representing over double of the previous year. Income sources included community fundraising and donations (around 74%), Patient and Public Involvement (PPI) and consultancy income (about 16%), Merchandise Sales (approximately 5%), and grants (approximately 4%). Significant grant awards included £2,500 from the Marketors' Trust.

Expenditure was primarily directed toward activities advancing the charity's objectives. Total expenditure was approximately £35,000.

- **Consultancy and staffing** (around 64% of operating costs) supported fundraising, communications, and administration capacity essential for growth.
- **Advocacy and research dissemination** (around 16% of costs) included production of the *Long Covid Clinics Report* (93% of advocacy cost) and APPG meetings.
- **Long Covid Awareness Day** meeting expenses accounted for 11% of total costs, underpinning the charity's peer support and outreach work.
- **Office expenses** accounted for the remainder,

The charity continues to operate with minimal fundraising overheads, as most campaigns and events are led by volunteers. The trustees are satisfied that the year's financial performance places Long Covid Support on a secure footing for continued development and delivery of its mission.

INDEPENDENT EXAMINER'S REPORT ON THE FINANCIAL STATEMENTS TO THE TRUSTEES OF LONG COVID SUPPORT

I report on the financial statements for the year ended 31 May 2025 set out on pages 4 - 12.

This report is made solely to the Trustees of Long Covid Support, as a body, in accordance with regulations made under section 145 of the Charities Act 2011 and Charity SORP. My work has been undertaken so that I might state to the Trustees matters I am required to state to them in an independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and Charity's trustees for my independent examination work, for this report, or for the statement I have given below.

Respective responsibilities of Trustees and independent examiner

As charity trustees of the organisation and for the purposes of charity law, are responsible for the preparation of the financial statements. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed.

I report in respect of my examination of the Charity's accounts carried out:-

- a) examine the accounts under section 145 of the 2011 Act;
- b) follow the procedures laid down in the general Directions given by the Charity Commissioners under section 145(5)(b) of the 2011 Act; and
- c) state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity, and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the reports limited to those matters set out in the statement on the next page.

INDEPENDENT EXAMINER'S REPORT ON THE FINANCIAL STATEMENTS TO THE TRUSTEES OF LONG COVID SUPPORT

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements
 - a) to keep accounting records in accordance with Section 130 of the Charities Act; and
 - b) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 MAY 2025

1. Accounting Policies

Basis of Preparation.

These accounts have been prepared on an accrual basis and include income and expenditure as they are earned or incurred, rather than as cash received or paid. Reference to the "Charities SORP" refers to the Charities SORP (FRS 102): Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland. 2nd edition effective 1 January 2019.

1a. Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

1b. Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is possible that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1c. Government grants

Government grants are credited to the Statement of financial activities as the related expenditure is incurred.

1d. Fund accounting

Unrestricted Funds are receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Restricted Funds are subjected to restrictions on their expenditure imposed by the donor.

Designated Funds are unrestricted funds but earmarked by the trustees for particular purposes.

NOTES TO THE ACCOUNTS **FOR THE YEAR ENDED 31 MARCH 2025**

1e. Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1f. Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at amount prepaid.

1g. Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1h. Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

1i. Financial Instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1j. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Charity does not currently have any significant accounting estimates or areas of judgement.

1k. Tangible Fixed Assets

Equipment and other tangible fixed assets are capitalised when the cost is £500 or more

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment	-	straight line over 3years
