Activities

Objects: THE OBJECTS OF COTSWOLD BOATMOBILITY ARE: "TO PROVIDE OR ASSIST IN THE PROVISION OF FACILITIES IN THE INTERESTS OF SOCIAL WELFARE FOR RECREATION OR OTHER LEISURE TIME OCCUPATION IN PARTICULAR ACCESSIBLE BOATING OPPORTUNITIES ON THE COTSWOLD CANALS, OF INDIVIDUALS WHO HAVE NEED OF SUCH FACILITIES BY REASON OF THEIR YOUTH, AGE, INFIRMITY OR DISABILITY, FINANCIAL HARDSHIP OR SOCIAL CIRCUMSTANCES WITH THE OBJECT OF IMPROVING THEIR CONDITIONS OF LIFE."

Activities: Cotswold Boatmobility provides opportunities for accessible boating, using specially adapted boats, on the Stroudwater canal for those unable, through reasons of disability or mobility issues, to access traditional boats. Friends, families and carers are also able to participate in this social activity in the open air in a peaceful context.

Cotswold Boatmobility CIO

Report of the Trustees

For the year ended 31 December 2024

The Trustees present their report and the financial statements for the year ended 31 December 2024.

The charity was formed in May 2022 and acquired, by way of donation, the assets and operation of a former unincorporated charity with the same name and objectives.

Structure, governance and management

Organisational structure

The affairs of the charity are directed by the board of trustees. The trustees meet formally at least six times a year. The charity has no employees and the day to day management of the charity is carried out by the trustees assisted by a number of volunteers.

The trustees

The trustees during the period covered by this report are:

Michael Cartledge (resigned 22 April 2024)
Keith Creighton (appointed 14 March 2024)
Yvonne Hobbs (resigned June 2024)
Laura MacLennan (appointed 29 November 2024)
Mark Merrill (resigned 9 April 2024)
Chris Mitford-Slade (appointed 11 January 2024, resigned 31 December 2024)
Mattie Ross (appointed 12 June 2024)
Janet Thomas
Keith Tibbitts
Ian White (appointed 14 March 2024, resigned 16 May 2025)

Appointment of trustees

New trustees are appointed by a resolution of the existing trustees in accordance with the provisions of the constitution of the CIO.

Related parties and connected organisations

The charity works closely with and receives pro bono support from the Cotswold Canals Connected project, a major Lottery funded project aiming to open up a major stretch of the canal network through Gloucestershire. Through this connection the charity worked with Stroud District Council and the companies and charities owning and restoring the Stroudwater Navigation canal.

Risk statement

The trustees have undertaken a full risk assessment and keep this under review at Trustee meetings. There are written procedures for operating the charity's boats and appropriate qualifications are required for those volunteers operating the boats.

Cotswold Boatmobility CIO

Report of the Trustees

For the year ended 31 December 2024

Objectives and activities

The charity's objectives as set out in its constitution are to provide or assist in the provision of facilities in the interest of social welfare for recreation or other leisure time occupation in particular accessible boating opportunities on the Cotswold Canals, of individuals who have need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances with the object of improving their wellbeing.

The charity does this by organising boating and other activities on the canal on its fleet of boats which currently consist of two motorised boats capable of carrying wheelchairs and several Katakanus, being twin hulled six person canoes.

The service is currently provided by a range of volunteers who have had appropriate training.

Public benefit

In considering how the Charity fulfils its aims and objectives the Trustees have taken account of the Charity Commission guidance on public benefit. The descriptions of the Charity's activities and plans in the remainder of this report are drafted with this guidance in mind. The services and support which the Trust provides are available to a wide range of beneficiaries.

Achievements and performance

The charity provided guest trips to beneficiaries including the learning disabled clients of a number of supported care providers as well as the residents of three local care homes for the elderly who are regular guests. Guests include those with a range of conditions. These include physical disabilities as well as those with autism, downs syndrome, visual impairment and learning difficulties. For many the activity on the canal in one of the boats is an essential activity to socialise outside their residential environment. The charity is one of the few in the locality which can provide these opportunities for wheelchair users. The charity also participates in a number of the local festivals and events based around the canal and is involved with a range of the local community groups.

The charity took delivery of its new boat, Symphony, during 2023 and was able to use it to take several wheelchair users and others on trips during 2024. This boat was provided with funding from the NHLF funded Cotswold Canals Connected project. In addition Stonehouse Rotary provided the funding for an additional KataKanu.

A new shelter which protects the pontoon names "Woody's Wharf" in memory of our site manager Colin Wood was constructed in 2024 to give protection from heavy rainfall. This was funded by Cotswold Canals Trust.

The trustees have devoted time to improving its operational procedures particularly in respect of how the charity manages its volunteers, with a view to increasing its reach in 2025. This has included setting up an online rostering system with help from Cotswold Canal Trust and introducing new e-mail, calendar and data storage facilities transferred from Microsoft to Google Workspace.

Cotswold Boatmobility CIO

Report of the Trustees

For the year ended 31 December 2024

Plans for future periods

At present the charity operates on two mornings a week, occasional charters and attends other public events. It plans to increase its routine operations and to do this will need to recruit additional volunteers. Fundraising will enable it to recruit an experienced part-time self-employed consultant in future, to coordinate the deployment of volunteers and guests and hence widen the access for service users.

Training has been organised for all volunteers in boat safety and first aid. A new Code of Conduct and related policies ensure that all volunteers are able to welcome the charity's beneficiaries in an appropriate and welcoming manner.

Financial review

The results for the year to 31 December are set out in the Statement of Financial Activities on page 9 and are summarised below:

	2024	2023
	£	£
Income	32,261	43,826
Boat operating costs (including depreciation of £9,983)	(14,383)	(13,582)
Other costs	(3,777)	(7,778)
Net movements in funds	14,101	22,466

The income in 2024 included grants totaling £20,540, including a grant from The Lottery Community Fund to cover the costs of a part-time charity consultant. Income from supporters, small donations, bequests and grants for continuing operations amounted to £11,721.

Expenditure on the day to day operations including depreciation of the boating assets is shown in note three on page 13.

In June 2025 the charity was awarded a grant of £25,615 for the purchase of six new katakanus and accessories.

Reserves policy

The cash positions is monitored and reviewed regularly by the trustees to ensure that the charity has sufficient accessible assets to enable it to carry on its activities for the benefit of current and future beneficiaries.

The trustees aim to maintain sufficient cash to enable them to continue to provide a service to beneficiaries on at least three days a week for a period of six months.

Cotswold Boatmobility CIO

Report of the Trustees

For the year ended 31 December 2024

Statement of the trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the constitution of the CIO, applicable law and regulations.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (United Kingdom Generally Accepted Accounting Practice) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable incorporated organisation's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and The Charity (Accounts and Report) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 20 October 2025 and signed on their behalf by:

Mattie Ross

Independent Examiner's Report to the Trustees

Independent Examiner's Report to the Trustees of Cotswold Boatmobility CIO

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity's trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5) (b) of the Act.

Independent examiners statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Act other than any requirement that the accounts give a true and fair view
3. which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

For the year ended 31 December 2024

1. Accounting policies

- a) The financial statements have been prepared under the historical cost convention and in preparing the financial statements the charity follows best practice as laid down in the Statement of Recommended Practice "Accounting and Reporting by Charities" (Charities SORP (FRS 102)) and comply with the Charities (Accounts and Reports) Regulations 2019 and the Charities Act 2011.
- b) Voluntary income is received by way of donations and gifts and is included in full in the statement of financial activities when receivable.
- c) Grants paid are recognised in full in the statement of financial activities in the year in which they are paid.
- d) Resources expended are recognised in the period in which they are incurred. Resources expended include attributable VAT which cannot be recovered.
- e) Resources expended are allocated to the particular activity where the cost relates directly to that activity. The cost of overall direction and administration of each activity is apportioned to each activity on the basis of the cost of each activity.
- f) Boats are depreciated over their expected economic life.
- g) Governance costs are the costs associated with the governance arrangements of the charity. These costs are associated with constitutional and statutory requirements and include any costs associated with the strategic management of the charity's activities.
- h) Restricted funds are to be used for specific purposes as laid down by the donor or grantor. Expenditure which meets these criteria is charged to the fund together with a fair allocation of management and support costs.
- j) Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity.
- k) Designated funds are unrestricted funds earmarked by the trustees for particular purposes.
- l) Transfers between funds are made by the Trustees to reflect appropriate charges between funds in the years after the original income has been recognised in the financial statements.

Report of the trustees

For the period ended 31 December 2023

The trustees present their report and the financial statements for the period ended 31 December 2023.

The charity was formed in May 2022 and acquired, by way of donation, the assets and operation of a former unincorporated charity with the same name and objectives. This report therefore covers the financial results for the first full financial year with the comparative figures being for the period from May to December 2022.

Structure, governance and management

Organisational structure

The affairs of the charity are directed by the board of trustees. The trustees meet formally at least six times a year. The charity has no employees and the day to day management of the charity is carried out by the trustees assisted by a number of volunteers.

The trustees

The trustees during the period covered by this report are:

Michael Cartledge	
Yvonne Hobbs	
Heidi Horn	
Valerie Kirby	(appointed January 2023 resigned May 2023)
Mark Merrill	(Appointed April 2023)
Janet Thomas	
Keith Tibbitts	

Appointment of trustees

New trustees are appointed by a resolution of the existing trustees in accordance with the provisions of the constitution of the CIO.

Related parties and connected organisations

The charity works closely with and receives pro bono support from the Cotswold Canals Connected project, a major Lottery funded project aiming to open up a major stretch of the canal network through Gloucestershire. Through this connection the charity works with Stroud District Council and the companies and charities owning and operating on the canals.

Risk statement

The trustees have undertaken a full risk assessment and keep this under review at Trustee meetings. There are written procedures for operating the charity's boats and appropriate qualifications are required for those volunteers operating the boats.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2023

Objectives and activities

The charity's objectives as set out in its constitution are to provide or assist in the provision of facilities in the interest of social welfare for recreation or other leisure time occupation in particular accessible boating opportunities on the Cotswold canals, of individuals who have need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.

The charity does this by organising boating and other activities on the canal on its fleet of boats which currently consist of two motorised boats capable of carrying wheelchairs and several Katakanus, being stabilised six person canoe type boats.

The service is currently provided by a range of volunteers who have been provided appropriate training.

Public benefit

In considering how the Trust fulfils its aims and objectives the Trustees have had regards to the Charity Commission guidance on public benefit. The descriptions of the Trust's charitable activities and plans in the remainder of this report are drafted with this guidance in mind. The services and support which the Trust provides are available to a wide range of beneficiaries.

Achievements and performance

The charity provided around 5,000 guest trips in 2023. Those beneficiaries included the learning disabled clients of a number of supported care providers as well as the residents of three local care homes for the elderly who are regular guests. Guests include those with a range of conditions. These include physical disabilities as well as those with autism, downs syndrome, visual impairment and learning difficulties. For many the activity on the canal in one of the boats is an essential activity to socialise outside their residential environment. The charity is one of the few in the locality which can provide these opportunities for wheelchair users.

The charity also participates in a number of the local festivals and events based around the canal and is involved with a range of the local community groups.

The charity took delivery of its new boat, Symphony, during the year and was able to use it to take several wheelchair users and others on trips from April. This boat was provided with funding from the Heritage Lottery funded Cotswold Canals Connected project. In addition Stonehouse Rotary provided the funding for an additional KataKanu.

The charity was able to move its operations during the year to a new, more permanent base on the canal with security of occupation for at least six years. Volunteers provided significant support to prepare the site which was in use from August.

The trustees have devoted time to improving its operational procedures particularly in respect of how the charity manages its volunteers, with a view to increasing its reach in 2024. This has included setting up an online rostering system with help from Cotswold Canal Trust personnel.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2023

Plans for future periods

At present the charity operates on two mornings a week and on other occasions for planned events. It plans to increase its routine operations and to do this will need to recruit additional volunteers. As part of the plan to recruit further volunteers it is fundraising to enable it to recruit a part-time employee to co-ordinate the deployment of volunteers and to widen the access of those needing the service provided.

The improved operational procedures will involve organising training for all volunteers both in matters related to the safe operation on the canal but also ensuring that all volunteers are able to welcome the charity's beneficiaries in an appropriate and welcoming manner.

Financial review

The results for the year to 31 December are set out in the Statement of Financial Activities on page 7 and are summarised below:

	2023	2022
Income	£43,826	£8,272
Boat operating costs (including depreciation of £9,605)	(13,582)	(£6,712)
Other costs	(£2,778)	(£1,571)
Net movements in funds	£27,466	(£11)

The income includes grants totaling £38,003 in respect of the acquisition of both Symphony, the wheel chair accessible boat and an additional KataKanu. Income from supporters and small donations and grants for continuing operations amounted to £5,773.

Expenditure on the day to day operations including depreciation of the boating assets is shown in note three on page.

Reserves policy

The cash positions is monitored and reviewed regularly by the trustees to ensure that the charity has sufficient accessible assets to enable it to carry on its activities for the benefit of current and future beneficiaries.

The trustees aim to maintain sufficient cash to enable them to continue to provide a service to beneficiaries on at least three days a week for a period of six months.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2023

Statement of the trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the constitution of the CIO, applicable law and regulations.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (United Kingdom Generally Accepted Accounting Practice) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable incorporated organisation's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and The Charity (Accounts and Report) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 16 May 2024 and signed on their behalf by:

Notes to the financial statements

For the year ended 31 December 2023

1. Accounting policies

- a) The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK, the Charities Act 2011 and UK Generally Accepted Accounting Practice as it applies from 1 January 2015.
- b) Voluntary income is received by way of donations and gifts and is included in full in the statement of financial activities when receivable.
- c) Grants paid are recognised in full in the statement of financial activities in the year in which they are paid.
- d) Resources expended are recognised in the period in which they are incurred. Resources expended include attributable VAT which cannot be recovered.
- e) Resources expended are allocated to the particular activity where the cost relates directly to that activity. The cost of overall direction and administration of each activity is apportioned to each activity on the basis of the cost of each activity.
- f) Bosts are depreciated over their expected economic life.
- gf) Governance costs are the costs associated with the governance arrangements of the charity. These costs are associated with constitutional and statutory requirements and include any costs associated with the strategic management of the charity's activities.
- h) Restricted funds are to be used for specific purposes as laid down by the donor or grantor. Expenditure which meets these criteria is charged to the fund together with a fair allocation of management and support costs.
- Jj) Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity.
- k) Designated funds are unrestricted funds earmarked by the trustees for particular purposes.
- l) Transfers between funds are made by the Trustees to reflect appropriate charges between funds in the years after the original income has been recognised in the financial statements.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2023

The trustees present their report and the financial statements for the period ended 31 December 2023.

The charity was formed in May 2022 and acquired, by way of donation, the assets and operation of a former unincorporated charity with the same name and objectives. This report therefore covers the financial results for the first full financial year with the comparative figures being for the period from May to December 2022.

Structure, governance and management

Organisational structure

The affairs of the charity are directed by the board of trustees. The trustees meet formally at least six times a year. The charity has no employees and the day to day management of the charity is carried out by the trustees assisted by a number of volunteers.

The trustees

The trustees during the period covered by this report are:

Michael Cartledge	
Yvonne Hobbs	
Heidi Horn	
Valerie Kirby	(appointed January 2023 resigned May 2023)
Mark Merrill	(Appointed April 2023)
Janet Thomas	
Keith Tibbitts	

Appointment of trustees

New trustees are appointed by a resolution of the existing trustees in accordance with the provisions of the constitution of the CIO.

Related parties and connected organisations

The charity works closely with and receives pro bono support from the Cotswold Canals Connected project, a major Lottery funded project aiming to open up a major stretch of the canal network through Gloucestershire. Through this connection the charity works with Stroud District Council and the companies and charities owning and operating on the canals.

Risk statement

The trustees have undertaken a full risk assessment and keep this under review at Trustee meetings. There are written procedures for operating the charity's boats and appropriate qualifications are required for those volunteers operating the boats.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2023

Objectives and activities

The charity's objectives as set out in its constitution are to provide or assist in the provision of facilities in the interest of social welfare for recreation or other leisure time occupation in particular accessible boating opportunities on the Cotswold canals, of individuals who have need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.

The charity does this by organising boating and other activities on the canal on its fleet of boats which currently consist of two motorised boats capable of carrying wheelchairs and several Katakanus, being stabilised six person canoe type boats.

The service is currently provided by a range of volunteers who have been provided appropriate training.

Public benefit

In considering how the Trust fulfils its aims and objectives the Trustees have had regards to the Charity Commission guidance on public benefit. The descriptions of the Trust's charitable activities and plans in the remainder of this report are drafted with this guidance in mind. The services and support which the Trust provides are available to a wide range of beneficiaries.

Achievements and performance

The charity provided around 5,000 guest trips in 2023. Those beneficiaries included the learning disabled clients of a number of supported care providers as well as the residents of three local care homes for the elderly who are regular guests. Guests include those with a range of conditions. These include physical disabilities as well as those with autism, downs syndrome, visual impairment and learning difficulties. For many the activity on the canal in one of the boats is an essential activity to socialise outside their residential environment. The charity is one of the few in the locality which can provide these opportunities for wheelchair users.

The charity also participates in a number of the local festivals and events based around the canal and is involved with a range of the local community groups.

The charity took delivery of its new boat, Symphony, during the year and was able to use it to take several wheelchair users and others on trips from April. This boat was provided with funding from the Heritage Lottery funded Cotswold Canals Connected project. In addition Stonehouse Rotary provided the funding for an additional KataKanu.

The charity was able to move its operations during the year to a new, more permanent base on the canal with security of occupation for at least six years. Volunteers provided significant support to prepare the site which was in use from August.

The trustees have devoted time to improving its operational procedures particularly in respect of how the charity manages its volunteers, with a view to increasing its reach in 2024. This has included setting up an online rostering system with help from Cotswold Canal Trust personnel.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2023

Plans for future periods

At present the charity operates on two mornings a week and on other occasions for planned events. It plans to increase its routine operations and to do this will need to recruit additional volunteers. As part of the plan to recruit further volunteers it is fundraising to enable it to recruit a part-time employee to co-ordinate the deployment of volunteers and to widen the access of those needing the service provided.

The improved operational procedures will involve organising training for all volunteers both in matters related to the safe operation on the canal but also ensuring that all volunteers are able to welcome the charity's beneficiaries in an appropriate and welcoming manner.

Financial review

The results for the year to 31 December are set out in the Statement of Financial Activities on page 7 and are summarised below:

	2023	2022
Income	£43,826	£8,272
Boat operating costs (including depreciation of £9,605)	(13,582)	(£6,712)
Other costs	(£2,778)	(£1,571)
Net movements in funds	£27,466	(£11)

The income includes grants totaling £38,003 in respect of the acquisition of both Symphony, the wheel chair accessible boat and an additional KataKanu. Income from supporters and small donations and grants for continuing operations amounted to £5,773.

Expenditure on the day to day operations including depreciation of the boating assets is shown in note three on page.

Reserves policy

The cash positions is monitored and reviewed regularly by the trustees to ensure that the charity has sufficient accessible assets to enable it to carry on its activities for the benefit of current and future beneficiaries.

The trustees aim to maintain sufficient cash to enable them to continue to provide a service to beneficiaries on at least three days a week for a period of six months.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2023

Statement of the trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the constitution of the CIO, applicable law and regulations.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (United Kingdom Generally Accepted Accounting Practice) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable incorporated organisation's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and The Charity (Accounts and Report) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 16 May 2024 and signed on their behalf by:

Independent Examiner's Report to the Trustees of Cotswold Boatmobility

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2023

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the accounts do not accord with those records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Kathryn Creed

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2022

The trustees present their report and the financial statements for the period ended 31 December 2022.

The charity was formed in May 2022 and acquired, by way of donation, the assets and operation of a former unincorporated charity with the same name and objectives. This report therefore covers the financial results for the period from May to December 2022. To enable a full picture of the operation and effectiveness of the charity this report also refers to the activities of the former charity in the calendar year 2022.

Structure, governance and management

Organisational structure

The affairs of the charity are directed by the board of trustees. The trustees meet formally at least six times a year. The charity has no employees and the day to day management of the charity is carried out by the trustees assisted by a number of volunteers.

The trustees

The trustees during the period covered by this report are:

Michael Cartledge
Yvonne Hobbs
Heidi Horn
Valerie Kirby (appointed January 2023)
Steve Pickover (resigned December 2022)
Janet Thomas
Keith Tibbitts

Appointment of trustees

New trustees are appointed by a resolution of the existing trustees in accordance with the provisions of the constitution of the CIO.

Related parties and connected organisations

The charity works closely with and receives pro bono support from the Cotswold Canals Connected project, a major Lottery funded project aiming to open up a major stretch of the canal network through Gloucestershire. Through this connection the charity works with Stroud District Council and the companies and charities owning and operating the canals.

Risk statement

The trustees have undertaken a full risk assessment and keep this under review at Trustee meetings. There are written procedures for operating the charity's boats and appropriate qualifications are required for those volunteers operating the boats.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2022

Objectives and activities

The charity's objectives as set out in its constitution are to provide or assist in the provision of facilities in the interest of social welfare for recreation or other leisure time occupation in particular accessible boating opportunities on the Cotswold canals, of individuals who have need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.

The charity does this by organising boating and other activities on the canal on its fleet of boats which currently consist of two motorised boats capable of carrying wheelchairs and several Katakonus, being stabilised six person canoe type boats.

The service is currently provided by a range of volunteers who have been provided appropriate training.

Public benefit

In considering how the Trust fulfils its aims and objectives the Trustees have had regards to the Charity Commission guidance on public benefit. The descriptions of the Trust's charitable activities and plans in the remainder of this report are drafted with this guidance in mind. The services and support which the Trust provides are available to a wide range of beneficiaries.

Achievements and performance

As Cotswold Boatmobility operates a service for its beneficiaries which is entirely outdoors we were able, with the approval of the District Council's Covid officers, to continue to provide boating activities through the early part of the year when restrictions for other activities were in place.

The charity provided around 5,000 guest trips in 2022. Those beneficiaries included the learning disabled clients of a number of supported care providers as well as residents of several care homes for the elderly. For many the activity on the canal in one of the boats is an essential activity to socialise outside their residential environment. The charity is one of the few in the locality which can provide these opportunities for wheelchair users.

Plans for future periods

In April 2023 the charity took delivery of a new boat, Symphony, which will enable several wheelchair users and others to take trips on the canal. The charity has also got agreement to move its base to a more accessible location in Stonehouse with a purpose built landing stage and toilet and other facilities appropriate for our client group.

The operation is currently restricted to two days a week mainly because of the lack of volunteers. The trustees aim to recruit and train additional volunteers which will enable operation on additional days. The trustees plan to invest in systems, including an improved website, to enable the volunteer force to be organised and communicated with efficiently and sensitively.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2022

Financial review

The results for the period between 13 May and 31 December are set out in the Statement of Financial Activities on page* and are summarised below:

	2022
Income	£8,272
Boat operating costs (including depreciation of £4,600)	(£6,712)
Other costs	<u>(£1,571)</u>
Net movements in funds	<u>(£11)</u>

The financial results for the period are shown in the Statement of Financial Activities on page *. Funding comes mainly from a wide range of individual donations from supporters and, in 2022, from a grant from the Charities Aid Foundation.

The main expenses are of running and maintaining the charity's boats and facilities. During the period the charity acquired a "Mobiloo" with funding from the Barnwood Trust. This cost £18,000 and is being depreciated over five years.

Reserves policy

The cash positions is monitored and reviewed regularly by the trustees to ensure that the charity has sufficient accessible assets to enable it to carry on its activities for the benefit of current and future beneficiaries.

The trustees aim to maintain sufficient cash to enable them to continue to provide a service to beneficiaries on at least three days a week for a period of six months.

Cotswold Boatmobility CIO

Report of the trustees

For the period ended 31 December 2022

Statement of the trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the constitution of the CIO, applicable law and regulations.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (United Kingdom Generally Accepted Accounting Practice) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable incorporated organisation's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and The Charity (Accounts and Report) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 22 June 2023 and signed on their behalf by:

Janet Thomas
Trustee

Notes to the financial statements

For the year ended 31 December 2022

1. Accounting policies

- a) The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK, the Charities Act 2011 and UK Generally Accepted Accounting Practice as it applies from 1 January 2015.
- b) Voluntary income is received by way of donations and gifts and is included in full in the statement of financial activities when receivable.
- c) Grants paid are recognised in full in the statement of financial activities in the year in which they are paid.
- d) Resources expended are recognised in the period in which they are incurred. Resources expended include attributable VAT which cannot be recovered.
- e) Resources expended are allocated to the particular activity where the cost relates directly to that activity. The cost of overall direction and administration of each activity is apportioned to each activity on the basis of the cost of each activity.
- f) Governance costs are the costs associated with the governance arrangements of the charity. These costs are associated with constitutional and statutory requirements and include any costs associated with the strategic management of the charity's activities.
- g) Restricted funds are to be used for specific purposes as laid down by the donor or grantor. Expenditure which meets these criteria is charged to the fund together with a fair allocation of management and support costs.
- h) Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity.
- j) Designated funds are unrestricted funds earmarked by the trustees for particular purposes.
- k) Transfers between funds are made by the Trustees to reflect appropriate charges between funds in the years after the original income has been recognised in the financial statements.

2. Income	2022
