Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance education for the public benefit, particularly but not exclusively in Yorkshire, by providing grants, resources and materials to children and young people in need of educational support.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>This year The Foundation's main activities included the following: Fundraising and Grant giving.</p> <p>Fundraising The Foundation has undergone significant fundraising activities to ensure that The Foundation will have a strong financial basis to operate in the future. These have included the following the Great North Run (£3,837) and an Charity Lunch (£8,100)</p> <p>Grant giving The Foundation continues to work with trusted partners to deliver services that are in accordance with its purpose, mission, and vision and for the public's benefit.</p> <p>We continued our work with Chefs In Schools and Leeds Children's Charity. We identified these organisations with great potential to support children through education in Yorkshire. We aim to create multi-year relationships with these organisations after a successful year and incredible impact made.</p> <p>This year our donations have repeated year two for £3,000 and £2,000 respectively.</p> <p>With this range of services, DBF is creating trusted partners to provide children with better nutrition, mental health support, and time in nature. At the Foundation we believe these are key elements to supporting a</p>

This year we have made fewer donations, our cost basis has increased slightly, however, this is due to uneven cash flows, we expect this to be reflected in the 2026 accounts with lower costs and increased donations.</p> <p>As such we consider this good progress towards our target, and the Trustees consider this to be a good performance that provides us with a strong base to grow our impact.</p> <p>Over the coming years we will look to expand our fundraising work to scale the donations accordingly. Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Charity remains in a strong financial position, with ample reserves to cover further fundraising activities costs and a good donation reserve to continue its charitable objectives.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Reserves are held to ensure the charity is able to meet the costs of fundraising events. With no reserves, the charity's ability to generate revenue would be severely hampered. As such, the trustees consider a healthy reserve to be necessary to ensure the charity can continue as a going concern. This should be at a minimum of £10,000 at the year end.
Amount of reserves held	Para 1.22	£23,957
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The Trustees consider The Foundation to be in a strong financial position and able to meet all upcoming liabilities. Therefore, the trustees have a strong basis of evidence that it will continue as a going concern and be able to meet its charitable objectives.

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	As detailed above, the charity's only source of funding was donations from the public through fund-raising events.
Investment policy and objectives including any social investment policy adopted	Para 1.46	We do not make any investments with the donations due to insufficient capacity and expertise. The trustees will periodically review this position. We have made a small amount of interest income from saved funds.
A description of the principal risks facing the charity	Para 1.46	We do not see significant risks for the charity, below we have summarised the key risks and mitigations Financial We consider the financial risk of the foundation to be low, with an extremely low-cost base (due to all trustees volunteering time) and a prudent grant giving process (meaning we never commit to granting more than we have in reverse) we consider all financial risk to be well mitigated. Governance and Legal

		<p>All decisions are made at Trustee meetings and signed-off by the Trustees. We ensure we have good internal controls and separation of duties to mitigate risks of any trustees acting without consent of the Board. We consider these risks to be well mitigated.</p> <p>Reputational Working with Trusted partners, and with volunteer fundraisers we are aware of potential reputational risks as they act on behalf of the Foundation.</p> <p>For all grants and fundraising events, the Trustees perform due diligence holding meetings with partners, as well as making in-person visits to fund raising events. All grants are then made in accordance with our grant-making policy and we therefore consider these risks to be mitigated.</p>

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance education for the public benefit, particularly but not exclusively in Yorkshire, by providing grants, resources and materials to children and young people in need of educational support.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>In the first year, The Foundation's main activities included the following: Fundraising, strategic review and alignment, donations, and foundation-led events.</p> <p>Seed funding The charity was funded with £6658 from an initial appeal on Just Giving (undertaken before the formation of the charity). These funds were donated to the charity and used as a float for initial expenses and costs of further fundraising events.</p> <p>Fundraising The Foundation has undergone significant fundraising activities to ensure that The Foundation will have a strong financial basis to operate in the future. These have included the following: <i>Sports Challenges</i> Doit4 James & Dave - raising £7750.</p> <p><i>Fundraising events</i> Black Tie Evening at Sun Pavilion - £7995</p> <p>Strategic Review and Alignment In the first year, the foundation and its trustees underwent a careful strategic review to ensure that they were able to carry out the charity's purpose for the public benefit. This has included creating a well-understood mission and vision and adding the appropriate trustees to the Board to ensure sufficient knowledge and skills are represented on the board to carry out Charity's purpose.</p>

		<p>Donations</p> <p>The Foundation intends to work with trusted partners to deliver services that are in accordance with its purpose, mission, and vision and for the public's benefit.</p> <p>This year, we worked with Sporting Influence, donating £1,000 to provide support for 20 places for children to attend a Sporting Influence Camp, which goes beyond just sports; they're about creating a safe and fun environment where kids can develop their confidence, learn new skills, and form lasting friendships. It's a holistic approach to youth development, focusing on the participant's physical, social, and emotional growth.</p> <p>Foundation-led events</p> <p>This year, the foundation held the David Brown Foundation Mental Health Conference. We invited over 40 teachers from schools in North Yorkshire to raise awareness of mental health and give practical advice on Mental Health First Aid. We worked with Damaged Good Co's Founder, Danny Wilsher, and Live Well Consultancy's Founder, Sarah Wray to provide informative and practical information to teachers and staff at schools, ensuring children in education can thrive.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees have carefully considered the public benefit of The Foundation's activities throughout the year and have met monthly to ensure the prudent running of The Foundation in its first year. Achievements against objectives set	Para 1.41	In our first year, we aimed to build our mission, vision, knowledge and skills by appointing the right trustees to the board, growing our fundraising base, and identifying partners to work with to deliver on our purpose. We have met all these objectives, which will provide us with a strong base going forward.
Performance of fundraising activities against objectives set	Para 1.41	In our first year, we aimed to raise £25,000. This will enable us to make £15,000 worth of donations in the following year and provide a solid float to enable us to raise further funds. We were just under this target, raising £22,403. The Trustees consider this to be a solid performance in our first year and provide us with a strong base to grow our impact.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Charity remains in a strong financial position in its first year, with ample reserves to cover further fundraising activities costs and a good donation reserve to continue its charitable objectives.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Reserves are held to ensure the charity is able to meet the costs of fundraising events. With no reserves, the charity's ability to generate revenue would be severely hampered. As such, the trustees consider a healthy reserve to be necessary to ensure the charity can continue as a going concern. This should be at a minimum of £10,000 at the year end.
Amount of reserves held	Para 1.22	£19,993
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The Trustees consider The Foundation to be in a strong financial position and able to meet all upcoming liabilities. Therefore, the trustees have a strong basis of evidence that it will continue as a going concern and be able to meet its charitable objectives.
