**Trustees' Report For The Year Ended 6 April 2025**

---

The trustees present their report and the financial statements for the year ended 6 April 2025.

## **Objectives and Activities**

### **Aims and Objectives**

Kitty Kat Rescue & Rehoming is a cat rescue which operates in London and Hertfordshire, with its main base of operations in Watford. Its volunteers locate, care for and rehome cats and kittens which are lost or abandoned.

The objects of the charity are to relieve the suffering of cats and kittens in need of care and attention and to provide and maintain rescue homes or other facilities for the reception, care, treatment and rehoming of such animals.

The main activities of the charity are as follows:

- Rescuing and providing food, shelter and medical attention to cats that are lost or that have been abandoned.
- Providing ongoing care and attention to such cats until a suitable home is found for them.
- Rehoming cats that have been in the care of the Charity with suitable owners after assessment and;
- Providing advice and microchipping services to the wider community
- To trap, neuter/spay and return (TNR) feral stray cats or find suitable farms or smallholdings for their rehoming.

As animal welfare is at the heart of what Kitty Kat Rescue & Rehoming does, cats and kittens are only rehomed with suitable owners after a home visit from an experienced volunteer. If a home or owner is found to be unsuitable, a request for adoption will be denied.

### **Public Benefit**

The activities of the Charity benefit the community by alleviating the suffering of the animals in the care of the Charity. Additionally, the advice and services provided by the Charity to the local community seek to reduce the potential for cats to be lost or stolen and reduce the instance of mistreatment by educating owners.

The trustees confirm that they have complied with the requirements of Section 17 of the Charities Act 2011 to have due regard to the Charity Commission's guidance on public benefit.

### **Contributions made by volunteers**

The Trustees would like to thank each of the volunteers that have sacrificed their time and put in many hours of hard work; without such assistance, Kitty Kat Rescue & Rehoming could not have made such a large impact and helped so many cats.

## **Achievements and Performance**

### **Main Achievements**

The Charity has performed well, especially considering the limited funds and resources available to it. During the year to 5th April 2025, the Charity rehomed 420 cats and kittens and microchipped countless others.

Fundraising has been successful in raising much needed cash to pay for medical bills, food and shelter for the cats in the Charity's care. This has been achieved through various car boot events, raffles, organised events and social media campaigns.

During the year, the Charity continued to increase its capacity, making good progress on creating new pens to temporarily house rescued cats awaiting adoption. The pens are expected to be finished in the current (2025/26) year, with heating being installed soon to enable their use during the colder months.

**Kitty Kat Rescue & Rehoming  
Trustees' Report (continued)  
For The Year Ended 6 April 2025**

---

### **Future Plans**

The plans for the 2025/26 year are to continue to increase the number of places available for rescued cats, so that the Charity can continue to rescue cats whilst adoption rates are lower than usual due to ongoing cost-of-living pressures, which continue to affect both the numbers of cats being found and the number of available homes for them. This is being achieved by completing the new pens which were mostly finished in 2024/25.

The Charity is interested in starting a trap, neuter/spay, return (TNR) programme in partnership with veterinary practices and using funding from grants. The viability of such a programme will be explored in the near future.

It is also the intention of the Charity to provide support for owners who cannot afford to feed/care for their cats, to avoid owners making the decision to abandon their pets in the first instance.

### **Financial Review**

#### **Financial Position**

Cash at bank was £31,053 at 5th April 2025, which comprises unrestricted funds. These funds are being held so that the Charity can continue to operate should its operating costs exceed its donations.

Over the last financial year, a portion of the reserves have been used to build new pens to temporarily house rescued cats awaiting rehoming. The pens are almost complete and the remaining work to install electrical cables to enable the pens to be heated will be completed in the current financial year.

The charity relies on donations and income from adoptions and microchipping, which is topped up by a small amount of trading income from raffles and sales of second-hand goods. The Charity did not receive any grants from government or other charities during the year.

As no volunteers or trustees are paid and the Charity does not have any employees, all donations have been put towards the animals that the Charity has been set up to care for, with any excess held to do the same in future.

### **Structure, Governance and Management**

#### **Governing Document**

Kitty Kat Rescue & Rehoming is a charitable incorporated organisation (CIO) foundation which was registered on 26th May 2022. On the same date it adopted its constitution which sets out the framework on which the Charity's activities are based.

#### **Trustee Selection Methods**

Trustees are appointed at the annual general meeting (AGM), held each June and the current trustees, as set out on the information page, will be asked to continue at the next AGM.

#### **Management**

The Charity is mainly managed by the Chair, Dawn Lewis, but governance of the CIO is provided by the Trustees. The day-to-day management of the operations (and much of the volunteer work) is carried out by Dawn whilst the Trustees provide ideas as to how to enhance and improve the Charity's service offerings, as well as oversight.

**Independent Examiner's Report to the Trustees of Kitty Kat Rescue & Rehoming**  
**For The Year Ended 6 April 2025**

---

I report to the trustees on my examination of the accounts of Kitty Kat Rescue & Rehoming (the Trust) for the year ended 6 April 2025.

**Responsibilities and Basis of Report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiner's Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and contents of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## 1. General Information

Kitty Kat Rescue & Rehoming is a charitable incorporated organisation registered with the Charity Commission, registered charity number 1199095. The principal address is 4 St. Annes Close, Watford, Hertfordshire, WD19 6RZ.

## 2. Accounting Policies

### 2.1. Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)", Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities Act 2011.

The charity is a Public Benefit Entity as defined by FRS 102.

### 2.2. Incoming Resources

Incoming resources are recognised in the Statement of Financial Activities on an accruals basis, to the extent that the charity is entitled to the income, it is probable that the income will be received and the amount can be measured reliably.

Donations and gifts are recognised when received. Adoption and rehoming fees and microchipping income are recognised when the relevant service has been provided. Income from fundraising activities, including the sale of donated and bought-in goods and raffle proceeds, is recognised when the fundraising activity has taken place.

Bank interest receivable is included in the period in which it is earned. Commission income is recognised when the related service has been provided.

All incoming resources are included as unrestricted funds unless subject to specific restrictions imposed by the donor.

### 2.3. Resources Expended

Resources expended are accounted for on an accruals basis and have been classified under headings that aggregate all costs related to the relevant activity.

Expenditure on charitable activities comprises costs incurred directly in relation to the rescue, care, treatment and rehoming of cats, including veterinary fees, food and consumables, transport costs, premises costs, insurance and other directly attributable expenses.

Costs of raising funds comprise expenditure incurred in generating voluntary income, including fundraising events and marketing and advertising costs.

Governance costs, including independent examiner's fees and other costs associated with the governance of the charity, are included within charitable activities where they relate to the overall management and administration of the charity.

All expenditure is allocated to the appropriate activity on a direct basis. The charity has no staff costs and all activities are supported by volunteers.

### 2.4. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Motor Vehicles	20% Reducing Balance

## **KITTY KAT RESCUE & REHOMING**

### **TRUSTEES REPORT FOR THE PERIOD ENDED 5<sup>TH</sup> APRIL 2024**

#### **Introduction**

The trustees are pleased to present their report, accompanying the accounts for the period ended 5<sup>th</sup> April 2024.

Kitty Kat Rescue & Rehoming is a charitable incorporated organization (CIO) foundation which was registered on 26<sup>th</sup> May 2022. On the same date, it adopted its constitution which sets out the framework on which the Charity's activities are based.

Trustees are appointed at the annual general meeting (AGM), held each June and the current trustees as set out on the information page will be asked to continue at the next AGM.

#### **About the charity and its governance**

Kitty Kat Rescue & Rehoming is a cat rescue which operates in London and Hertfordshire, with its main base of operations in Watford. Its volunteers locate, care for and rehome cats and kittens which are lost or abandoned.

The charity is mainly managed by the Chair, Dawn Lewis, but governance of the CIO is provided by the Trustees. The day-to-day management of the operations (and much of the volunteer work) is carried out by Dawn whilst the trustees provide ideas as to how to enhance and improve the Charity's service offerings as well as oversight.

As animal welfare is at the heart of what Kitty Kat Rescue & Rehoming does, cats and kittens are only rehomed with suitable owners after a home visit from an experienced volunteer. If a home or owner is found to be unsuitable, a request for adoption will be denied.

#### **Objectives and activities**

The objects of the charity are to relieve the suffering of cats in need of care and attention and to provide and maintain rescue homes or other facilities for the reception, care, treatment, and rehoming of such animals.

The main activities of the charity are as follows:

- Rescuing and providing food, shelter and medical attention to cats that are lost or that have been abandoned.
- Providing ongoing care and attention to such cats until a suitable home is found for them.
- Rehoming cats that have been in the care of the Charity with suitable owners after assessment and;
- Providing advice and microchipping services to the wider community.

The activities benefit the community by alleviating the suffering of the animals in the care of the Charity. Additionally, the advice and services provided by the Charity to the local community seek to reduce the potential for cats to be lost or stolen and reduce the instance of mistreatment by educating owners.

#### **Contributions made by volunteers**

The Trustees would like to thank each of the volunteers that have sacrificed their time and put in many hours of hard work; without such assistance Kitty Kat Rescue & Rehoming could not have made such a large impact and helped so many cats.

### **Achievements and performance**

The Charity has performed well, especially considering the limited funds and resources available to it. During the year to 5<sup>th</sup> April 2024, the Charity rehomed 230 cats and kittens and microchipped countless others.

Fundraising has been successful in raising much needed cash to pay for medical bills, food and shelter for the cats in the Charity's care. This has been achieved through various car boot events, raffles, organised events and social media campaigns.

### **Financial review**

Cash at bank was £43,429 at the 5<sup>th</sup> April 2024, which comprises unrestricted funds. These funds are being held so that the Charity can continue to operate if its operating costs exceed its donations. In addition, some funds are being used in the current year to build more pens in which to temporarily house cats until they can be adopted. The main risk to the Charity is a loss of income due to the cost-of-living crisis and a lack of suitable owners to adopt cats that are in its care.

The Charity relies on donations and income from adoptions and microchipping, which is topped up by a small amount of trading income from book sales and raffles. The Charity did not receive any grants from government or other charities.

As no volunteers or trustees are paid and the Charity does not have any employees, all donations have been put towards the animals that the Charity has been set up to care for, with any excess held to do the same in future.

### **Future plans**

The plans for the 2024-25 year are to continue to increase the number of places available for rescue cats so that the Charity can continue to rescue cats whilst adoption rates are lower than usual due to cost-of-living pressures, which continue to affect both the numbers of cats being found and the number of available homes for them. This will be achieved by building new pens, for which work is underway.

In addition, as the rescue is at capacity in terms of available places, it is the intention of the Charity to double down on efforts to find homes for the cats currently in rescue.

### **Declaration**

The Trustees declare that they have approved the trustees' report above.

**INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS**

---

**Report to the trustees of Kitty Kat Rescue & Rehoming on the accounts for the year ended 5th April 2024, Charity No: 1199095 as set out on pages five and six.**

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 5th April 2024.

**Responsibilities and basis of report**

As the charity's trustees, you are responsible for the preparation of the account in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounting and Reports) Regulations 2008 other than any requirement that then accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**KITTY KAT RESCUE & REHOMING**  
**TRUSTEES REPORT FOR THE PERIOD ENDED 5<sup>TH</sup> APRIL 2023**

**Introduction**

The trustees are pleased to present their report, accompanying the accounts for the period ended 5<sup>th</sup> April 2023.

Kitty Kat Rescue & Rehoming is a charitable incorporated organization (CIO) foundation which was registered on 26<sup>th</sup> May 2022. On the same date, it adopted its constitution which sets out the framework on which the Charity's activities are based.

Trustees are appointed at the annual general meeting (AGM), held each June and the current trustees as set out on the information page will be asked to continue at the next AGM.

**About the charity and its governance**

Kitty Kat Rescue & Rehoming is a cat rescue which operates in London and Hertfordshire, with its main base of operations in Watford. Its volunteers locate, care for and rehome cats and kittens which are lost or abandoned.

The charity is mainly managed by the Chair, Dawn Lewis, but governance of the CIO is provided by the Trustees. The day-to-day management of the operations (and much of the volunteer work) is carried out by Dawn whilst the trustees provide ideas as to how to enhance and improve the Charity's service offerings as well as oversight.

As animal welfare is at the heart of what Kitty Kat Rescue & Rehoming does, cats and kittens are only rehomed with suitable owners after a home visit from an experienced volunteer. If a home or owner is found to be unsuitable, a request for adoption will be denied.

**Objectives and activities**

The objects of the charity are to relieve the suffering of cats in need of care and attention and to provide and maintain rescue homes or other facilities for the reception, care, treatment, and rehoming of such animals.

The main activities of the charity are as follows:

- Rescuing and providing food, shelter and medical attention to cats that are lost or that have been abandoned.
- Providing ongoing care and attention to such cats until a suitable home is found for them.
- Rehoming cats that have been in the care of the Charity with suitable owners after assessment and;
- Providing advice and microchipping services to the wider community.

The activities benefit the community by alleviating the suffering of the animals in the care of the Charity. Additionally, the advice and services provided by the Charity to the local community seek to reduce the potential for cats to be lost or stolen and reduce the instance of mistreatment by educating owners.

**Contributions made by volunteers**

The Trustees would like to thank each of the volunteers that have sacrificed their time and put in many hours of hard work; without such assistance Kitty Kat Rescue & Rehoming could not have made such a large impact and helped so many cats.

**Achievements and performance**

The Charity has performed well, especially considering the limited funds and resources available to it. During the year to 5<sup>th</sup> April 2023, the Charity rehomed 198 cats and kittens and microchipped countless others.

Fundraising has been successful in raising much needed cash to pay for medical bills, food and shelter for the cats in the Charity’s care. This has been achieved through various car boot events, raffles, organised events and social media campaigns.

**Financial review**

Cash at bank was £41,663 at the 5<sup>th</sup> April 2023, which comprises unrestricted funds. These funds are being held so that the Charity can continue to operate if its operating costs exceed its donations. In addition, some of the funds will be used in the coming years to build more pens in which to temporarily house cats until they can be adopted. The main risk to the Charity is a loss of income due to the cost-of-living crisis and a lack of suitable owners to adopt cats that are in its care.

The Charity relies on donations and income from adoptions and microchipping, which is topped up by a small amount of trading income from book sales and raffles. The Charity did not receive any grants from government or other charities.

As no volunteers or trustees are paid and the Charity does not have any employees, all donations have been put towards the animals that the Charity has been set up to care for, with any excess held to do the same in future.

**Future plans**

The plans for the 2023-24 year are to continue to increase the number of places available for rescue cats so that the Charity can continue to rescue cats whilst adoption rates are lower than usual due to cost-of-living pressures. This will be achieved by building new pens, for which work has already started.

**Declaration**

The Trustees declare that they have approved the trustees’ report above.
