Aims and Purpose

Noddfa Baptist Church's aim and purpose is to proclaim the Gospel of Jesus Christ through preaching and teaching the word of God. Our Paster Rev John Funnell is employed by the Church to enable us to full this aim through pastoral care, evangelism and mission.

Objective and Activities

Noddfa Baptist Church provides a building where people are welcomed each week for Sunday services, prayer meeting, children's work, ladies and men's groups and local food share. We are open to the whole community and all are free to join us, we use social media to inform the local community. The commissions guidance on the public benefit and the specific advice for the advancement of religion has been considered when our activities are organized and planned. The objective of the church is also to support our members and visitors to enable them to live out their faith as part of the community in Abersychan and the surrounding area through:-

- Preaching the Gospel through the Word of God
- Worship
- Prayer Meeting
- Youth Work
- Mission Outreach
- Food Share
- Discipleship

To enable all of these services to be provided it is essential that we maintain the church building and surrounding grounds.

Achievements and Performance

Preaching the Gospel

Each week on Sunday at 11 the Church meets; it is a service of worship and preaching and everyone is welcome to attend. Prior to the service at 10am a prayer meeting is held for the service. During the service a Sunday School and Creche is held and afterwards a time of fellowship over a cup of tea/coffee and a biscuit or cake. There are around 140 to 150 people attending this service from all walks of life and our aim as the bible says it to welcome all.

Sunday evening at 6 we hold three house groups meeting in different locations in the valley from Blaenavon to Pontypool, where the message from the morning is discussed, there is fellowship and prayer.

Monday Evening at 7 is our Ladies group called Bibles and Biscuits where the ladies study the word together and have a time of prayer. They all encourage one another having trips out together

Tuesday between 6-9 is our Teens group – they are taught about Jesus and the Bible and have games activities food and trips

Wednesday Morning is our Bible study and prayer meeting – we meet with High Street Baptist Church at their building which is a few hundred meters down the road.

Thursday Evening at 7 is our Men's meeting where the men study, sing and pray together – they also have trips

Friday Mornings – Feet up Friday – a coffee morning is held to welcome the community into our building and provide a warm hub

Friday at 6 is Noddfa Youth which is open to children from 8 to 13, there are activities and games a bible message and refreshments

Pastoral Care

The Pastor has been entirely responsible for the Pastoral Care of the members until recently. We still have one Pastor but we also have four Life Groups led by the elders and deacons. This enables everyone to have an extra layer of care and for the Pastor to be able to do everything that a growing congregation wants and needs. During 2025, as agreed by the church membership, the church appointed two trainee assistant pastors who began their role in September, they assist the Pastor with preaching, prayer meeting, outreach and visiting and supporting the church members.

Mission Outreach

In order for the church to fulfil its aims and purpose in spreading the gospel, the Pastor and others visit schools and local care homes. Although we no longer have our music provision in schools as Laura Robinson has now left this role, other leaders have visited the schools to work with them and share the Gospel this includes stories, singing and craft. The schools are then invited to our various outreach events

All schools in Wales are expected to have links to their local places of worship and to allow the Pastors and other leaders to put on assemblies for the children. Pastor John and the team go into all of the local schools and shares the gospel with them. Very often, this is the only time they get to hear it.

We run youth clubs on a Tuesday and Friday evening. Noddfa Juniors has around 30 or so 7 to 11 year old's who come to be taught the gospel and to have fun. Noddfa Teens (Tuesday) continues to grow and we currently have around 20 young people who come and the numbers are growing. Many of the children of Church members come to Juniors and Youth but there are many for whom the Tuesday and Friday nights are their first taste of doing something in a church.

We leaflet the whole of our community several times a year to inform them of what is going on and this leads to many positive conversations on doorsteps and lets everyone know what we are doing and if they can benefit from it. We make it clear that all are welcome at our events.

We hold special services throughout the year especially at Easter and Christmas, our Christmas event called Carols Under the Arch, which is an outdoor service held underneath a local old railway bridge welcomes hundreds of people and has become a well-known Christmas community event. We also have a summer event when we welcome a team from a church in America and this year we had our first Summer under the Arch which again welcomed hundreds of people from the locality.

The Valleys School of Theology is continuing for those who feel led to go into the ministry but who do not have the qualifications to get them into a seminary. It is a practical, hands-on course as well as one where they have to study and all aspects of it are designed to enable them to become Pastors in

due course. One of our current students also runs the Foodshare and another has taken up one of the assistant trainee pastor roles. The funding for the VST comes from the Sycher Trust who partner with the church regular communication takes place to ensure that the governance of the grant is achieved.

Discipleship – The church has introduced a Discipleship course which involves the small groups being led through a 26 week program to enable deeper understanding of Theology, Christianity and Church works. The aim is to provide this for all members of the Church and others if they are interested.

Foodshare

The Foodshare service has been reviewed during the year and now the service is demand led if anyone who is need asks for help then they are supported through their need, they would also be invited to the church so that they can also get social support too.

At Christmas time the church is provided with details of particular families in need and the church provides hampers and toys for them. Last year almost 50 local families were helped in this way.

Abersychan Comp – Noddfa Hwb

During 2024 we were approached by the headmaster of the local comprehensive school to ask if we could provide space for them to run an offsite support for pupils who are known to disrupt the running of the school. The Hwb was set up in June 2024. The church employes a leader and this is the main point of contact, the school pays the church a monthly fee to cover for this employee and other running costs. The school has already seen benefits of this arrangement and this has been recorded in the local press

Church Building

The Church Building refurbishment which began in January 2024, and is being done by church members and tradesmen as required. The work continues to insulate the walls, new doors, chairs and carpets are all on order. This work is still on-going with monthly work days, the work is taking longer than planned as the church is used each week and so progress is slow. We are currently preparing the rear of the church as a new balcony is on order. There are further plans to install a new stage area.

Church

The church is made up of Christians from all different walks of life and we are more diverse than many would expect in the South Wales valleys. The membership continues to grow and we currently have approximately 85 members with a congregation in excess of 150 adults plus children who regularly attend.

Financial Review

Total income for the Church was £233,906, £46,000 was specific grants to support the Valleys school of Theology (VST). The Church has also received regular support from other churches, grants from various bodies and individuals who are not member of the church.

The expenditure of the church of £172,959 which was used to support the ministry of the Church, the pastor's stipend, the music ministry, the VST costs, the trainee assistant pastors role, Noddfa Hwb, the refurbishment of the church, the outreach of the church, the church running costs and donations.

There was a net surplus of £60,947 this includes the total annual support for the VST and which has not been spent yet and will be used in 2026.

The Church has a total cash balance of £409k, this is made up of both unrestricted and restricted funds, some of which have been set up as recommended by previous reports, to cover works that needs to be done on the church building, the manse, to support the trainee assistant pastor, training, VST and the refurbishment project.

Reserves Policy

The church maintains a general fund for day-to-day expenditure of the Church which currently holds the balances of some of the restricted funds. It has historically held two separate accounts for maintenance and repair of the church and the manse these are currently at £33,390 for the church and £11,906 for the manse.

Volunteers

Noddfa Baptist Church would like to formally thank all of the volunteers who support the various ministries of the church, the band, the youth work, the food share, the leaflet posters, the gardeners, the tea and coffee makers, the cleaners and the many others tasks that are done that nobody realizes but are essential – like putting the bins out and buying supplies. They support all aspects of the work and ensure that our church is open and welcoming to the local community. We are grateful to God for the time that you give to ensure that the works of the church is able to carry on.

Structure, governance and management

Noddfa Baptist Church is an independent church and it is not part of any other religious organisation. The Church's constitution sets out the method and appointment details of our Church's roles from Paster through to church members and this has been agreed by the church membership. The Annual General Meeting is held in the spring and the regular members meetings are held to discuss church business and make decisions on how the church is run, its various ministries and of course how the funds are spent. The Elders and Deacons also have regular meeting to discuss the ministries of the church and the Trustees meet regularly to fulfill their duties. As previously mentioned two trainee assistant Pastors were appointed during the year. One of our Trustees went to be with the Lord during the year so we now have 7 Trustees, the church is planning on appointing a replacement during the coming year. The church also has a safeguarding team, with policies and procedures to follow, all the volunteers are trained and supported in this area

Independent Examination Report

Independent examiner's report to the trustees of Noddfa Baptist Church

I report to the charity trustees on my examination of the accounts of Noddfa Baptist Church (the Trust) for the year ended 31st December 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Aims and Purpose

Noddfa Baptist Church's aim and purpose is to proclaim the Gospel of Jesus Christ through preaching and teaching the word of God. Our Paster Rev John Funnell is employed by the Church to enable us to full this aim through pastoral care, evangelism and mission.

Objective and Activities

Noddfa Baptist Church provides a building where people are welcomed each week for Sunday services, prayer meeting, children's work, ladies and men's groups and local food share. We are open to the whole community and all are free to join us, we use social media to inform the local community. The commissions guidance on the public benefit and the specific advice for the advancement of religion has been considered when our activities are organized and planned. The objective of the church is also to support our members and visitors to enable them to live out their faith as part of the community in Abersychan and the surrounding area through

- Preaching the Gospel through the Word of God
- Worship
- Prayer Meeting
- Youth Work
- Mission Outreach
- Food Share

To enable all of these services to be provided it is essential that we maintain the church building and surrounding grounds.

Achievements and Performance

Preaching the Gospel

Each week on Sunday at 11 the Church meets, it is a service of worship and preaching and everyone is welcome to attend. During the service a Sunday School and Creche is held and afterwards a time of fellowship over a cup of tea/coffee and a biscuit or cake. There are around 140 to 150 people attending this service from all walks of life and our aim as the bible says it to welcome all.

Sunday evening at 6 we held another meeting again open to all but this tends to be smaller with around 20 people attending during the year this has changed to three house groups meeting where the message from the morning is discussed, there is fellowship and prayer.

Monday Evening at 7 is our Ladies group called Bibles and Biscuits where the ladies study the word together and have a time of prayer. They all encourage one another having trips out together

Tuesday between 6-9 is our Teens group – they are taught about Jesus and the Bible and have games activities and trips

Wednesday Morning is our Bible study and prayer meeting – during the later part of the year we began meeting with High Street Baptist Church, at their church which is a few hundred meter's down the road.

Thursday Evening at 7 is our Men's meeting where the men study, sing and pray together – they also have trips

Friday Mornings – Feet up Friday – a coffee morning is held to welcome the community into our building and provide a warm hub

Friday at 6 is Noddfa Youth which is open to children from 8 to 13, there are activities and games a bible message and refreshments

Pastoral Care

The Pastor has been entirely responsible for the Pastoral Care of the members until very recently. We still have one Pastor but we also have four Life Groups led by the elders and deacons. This will enable everyone to have an extra layer of care and for the Pastor to be able to do everything that a growing congregation wants and needs.

Mission Outreach

In order for the church to fulfil its aims and purpose in spreading the gospel, we have expanded our work in schools through the provision of a singing teacher, Laura Robinson who is also one of our trustees. This is funded entirely by the church, and Laura goes into many of the local schools and care homes. The music provision in schools has had to be cutback due to a lack of funding and so Laura goes in each week and runs music lessons for all pupils where they learn to sing. Some schools make this compulsory but others make it optional. The numbers that are taught each week are in the region of 1000 who are learning to sing Christian hymns and songs in harmony.

All schools in Wales are expected to have links to their local places of worship and to allow the Pastors and other leaders to put on assemblies for the children. Pastor John goes into all of the local schools and shares the gospel with them. Very often, this is the only time they get to hear it.

We run youth clubs on a Tuesday and Friday evening. Noddfa Juniors is just into its third year since the relaunch post-Covid and we now have around 40 or so 8 to 13 year olds who come to be taught the gospel and to have fun. Noddfa Teens (Tuesday) restarted this September and we currently have around 12 young people who come and the numbers are growing. Many of the children of Church members come to Juniors and Youth but there are many for whom the Tuesday and Friday nights are their first taste of doing something in a church.

We leaflet the whole of our community several times a year to inform them of what is going on and this leads to many positive conversations on doorsteps and lets everyone know what we are doing and if they can benefit from it. We make it clear that all are welcome at our events.

The Valleys School of Theology is continuing for those who feel led to go into the ministry but who do not have the qualifications to get them into a seminary. It is a practical, hands-on course as well as one where they have to study and all aspects of it are designed to enable them to become Pastors in due course. One of our current students also runs the Foodshare. The funding for the VST comes from the Sycher Trust who partner with the church regular communication takes place to ensure that the governance of the grant is achieved.

Foodshare

The Foodshare was started in late 2019 in response to the observed need for parents, both working and not, to have help with feeding their children at lunchtimes. This was done entirely by Church members donating food for the families to collect. Very soon after this the pandemic struck with the accompanying lockdown which meant that many people were no longer able to have sufficient funds each week to pay for food because they were not able to earn. Therefore, we worked with local supermarkets to collect their surplus food and enable those in need to come to the church and

collect the food or, if they were unable to come to us, the food was delivered to them by church volunteers.

We have progressed from there to being part of a local food network which supplies some of our needs and the rest we buy with money regularly donated by Church members and others.

Abersychan Comp – Noddfa Hwb

During the year we were approached by the headmaster of the local comprehensive school to ask if we could provide space for them to run an offsite support for pupils who are known to disrupt the running of the school. This was brought to a church meeting, as volunteers were needed to work alongside the school to provide life skills and other extra curricula activities. After much consideration it was agreed and the Hwb was set up in June 2024. The church employes a leader and this is the main point of contact, the school pays the church a monthly fee to cover for this employee and other running costs. The school has already seen benefits of this arrangement and this has been recorded in the local press

Church Building

The Church Building refurbishment began in January 2024, this has been done by church members and tradesmen as required. The initial plan was to remove the rotten wooden floor and wall paneling and to replace these, so that the new heating could be installed. However, the condition of the building was far worse than anticipated, a river was discovered running under the church and the balcony was found to be unsafe so everything had to be stripped out. A new drainage system was installed and a concrete floor laid in April quite an achievement. Over the next few months work continued on the walls to insulate them and the electrics were installed. In October the new heating system was installed. The work continues to insulate the walls, new doors, chairs and carpets are all on order. We applied and have been awarded grant funding for some of this work from a number of different sources including Government and charities. We have also received gifts from other churches and from individuals in the church. This work is continuing and a new balcony is now on order.

Church

The church is made up of Christians from all different walks of life and we are more diverse than many would expect in the South Wales valleys. The membership continues to grow and we currently have approximately 80 members with a congregation in excess of 120 adults plus children who regularly attend.

Financial Review

Total income for the Church was £282,614, £64,666 was specific grants to support one of our Elders in Leadership training and the Valleys school of Theology (VST). We also received over £90k towards the refurbishment of the church these were from various sources including the local council, church members and other churches both in Wales and overseas. The Church has also received regular support from other churches, grants from various bodies and individuals who are not members of the church.

The expenditure of the church of £212,195 which was used to support the ministry of the Church, the pastor's stipend, the music ministry, the VST costs, the refurbishment of the church, the outreach of the church, the church running costs and donations.

There was a net surplus of £70,419 this includes the total annual support for the VST and grants and gifts for the improvements to the building which have not been spent yet and will be used in 2025.

The Church has a total cash balance of £350k, this is made up of both unrestricted and restricted funds, some of which have been set up as recommended by previous report, to cover works that needs to be done on the church building and the manse and to support the music ministry, training, VST and the refurbishment project.

Reserves Policy

The church maintains general funds for day to day expenditure of the Church which are currently held as unrestricted funds. It has historically held two separate accounts for maintenance and repair of the church and the manse these are currently at £32,778 for the church and £11,838 for the manse.

Volunteers

Noddfa Baptist Church would like to formally thank all of the volunteers who support the various ministries of the church, the band, the youth work, the food share, the leaflet posters, the gardeners, the tea and coffee makers, the cleaners and the many others tasks that are done that nobody realizes but are essential – like putting the bins out and buying supplies. They support all aspects of the work and ensure that our church is open and welcoming to the local community. We are grateful to God for the time that you give to ensure that the works of the church is able to carry on.

Structure, governance and management

Noddfa Baptist Church is an independent church and it is not part of any other religious organisation. The Church's constitution sets out the method and appointment details of our Church's roles from Paster through to church members and this has been agreed by the church membership. The Annual General Meeting is held in the spring and the regular members meetings are held to discuss church business and make decisions on how the church is run, its various ministries and of course how the funds are spent. The Elders and Deacons also have regular meeting to discuss the ministries of the church and the Trustees meet regularly to fulfill their duties. During the year 2 new deacons were appointed and 3 new Trustees. The church also has a safeguarding team, with policies and procedures to follow, all the volunteers are trained and supported in this area

Independent Examination Report

Independent examiner's report to the trustees of Noddfa Baptist Church

I report to the charity trustees on my examination of the accounts of Noddfa Baptist Church (the Trust) for the year ended 31st December 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees Annual Report 2023

Aims and Purpose

Noddfa Baptist Church's aim and purpose is to proclaim the Gospel of Jesus Christ through preaching and teaching the word of God. Our Paster Rev John Funnell is employed by the Church to enable us to full this aim through pastoral care, evangelism and mission.

Objective and Activities

Noddfa Baptist Church provides a building where people are welcomed each week for Sunday services, prayer meeting, children's work, ladies and men's groups and local food share. We are open to the whole community and all are free to join us, we use social media to inform the local community. The commissions guidance on the public benefit and the specific advice for the advancement of religion has been considered when our activities are organized and planned. The objective of the church is also to support our members and visitors to enable them to live out their faith as part of the community in Abersychan and the surrounding area through

- Preaching the Gospel through the Word of God
- Worship
- Prayer Meeting
- Youth Work
- Mission Outreach
- Food Share

To enable all of these services to be provided it is essential that we maintain the church building and surrounding grounds.

Achievements and Performance

Preaching the Gospel

Each week on Sunday at 11 the Church meets; it is a service of worship and preaching and everyone is welcome to attend. During the service a Sunday School and Creche is held and afterwards a time of fellowship over a cup of tea/coffee and a biscuit or cake. There are around 140 to 150 people attending this service from all walks of life and our aim as the bible says it to welcome all.

Sunday evening at 6 we hold another meeting again open to all but this tends to be smaller with around 20 people attending.

Monday Evening at 7 is our Ladies group called Bibles and Biscuits where the ladies study the word together and have a time of prayer. They all encourage one another having trips out together

Wednesday Morning is our Bible study and prayer meeting

Thursday Evening at 7 is our Mens meeting where the men study, sing and pray together – they also have trips

Friday at 6 is Noddfa Youth which is open to children from 8 to 13, there are activities and games a bible message and refreshments

Pastoral Care

The Pastor has been entirely responsible for the Pastoral Care of the members until very recently. We still have one Pastor but we also have four Life Groups led by the elders and deacons. This will enable everyone to have an extra layer of care and for the Pastor to be able to do everything that a growing congregation wants and needs.

Mission Outreach

In order for the church to fulfil its aims and purpose in spreading the gospel, we are expanding our work in schools through the provision of a singing teacher, Laura Robinson who is also one of our trustees, who is funded entirely by the church, and goes into many of the local schools. The music provision in schools has had to be cutback due to a lack of funding and so Laura Robinson goes in each week and runs music lessons for all pupils where they learn to sing. Some schools make this compulsory but others make it optional. The numbers that are taught each week are in the region of 1000 who are learning to sing Christian hymns and songs in harmony.

All schools in Wales are expected to have links to their local places of worship and to allow the Pastors and other leaders to put on assemblies for the children. Pastor John goes into all of the local schools and shares the gospel with them. Very often, this is the only time they get to hear it.

We run youth clubs on Friday evenings. Noddfa Juniors is just into its second year since the relaunch post-Covid and we now have around 40 or so 7 to 11 year old's who come to be taught the gospel and to have fun. Noddfa Youth restarted this September and we currently have around 12 young people who come and the numbers are growing. Many of the children of Church members come to Juniors and Youth but there are many for whom the Friday nights are their first taste of doing something in a church.

We leaflet the whole of our community several times a year to inform them of what is going on and this leads to many positive conversations on doorsteps and lets everyone know what we are doing and if they can benefit from it. We make it clear that all are welcome at our events.

We have started the Valleys School of Theology for those who feel led to go into the ministry but who do not have the qualifications to get them into a seminary. It is a practical, hands-on course as well as one where they have to study and all aspects of it are designed to enable them to become Pastors in due course. One of our current students also runs the Foodshare. The funding for the VST comes from the Sycher Trust who partner with the church regular communication takes place to ensure that the governance of the grant is achieved.

Foodshare

The Foodshare was started in late 2019 in response to the observed need for parents, both working and not, to have help with feeding their children at lunchtimes. This was done entirely by Church members donating food for the families to collect. Very soon after this the pandemic struck with the accompanying lockdown which meant that many people were no longer able to have sufficient funds

each week to pay for food because they were not able to earn. Therefore, we worked with local supermarkets to collect their surplus food and enable those in need to come to the church and collect the food or, if they were unable to come to us, the food was delivered to them by church volunteers.

We have progressed from there to being part of a local food network which supplies some of our needs and the rest we buy with money regularly donated by Church members and others.

Church Building

The Church Building does require improvements and we are working on these. The problems include the need to replace the old boiler, which has been condemned for safety reasons, and removing old woodwork and putting in new. We are applied and have been awarded grant funding for some of this work from a number of different sources including Government and charities. We have also received gifts from other churches. This work which will take several years to complete will begin in January 2024.

Church

The church is made up of Christians from all different walks of life and we are more diverse than many would expect in the South Wales valleys. The membership continues to grow and we currently have approximately 80 members with a congregation in excess of 120 adults plus children who regularly attend.

Financial Review

Total income for the Church was £177,953, £68,000 was specific grants to support our Pastor, to support one of our Elders in Leadership training, the music ministry and the Valleys school of Theology (VST). It was encouraging during the year that the members offering increased by almost 50%, mainly related to individual donations, with the HMRC gift aid refund also showing an increase. The Church has also received support from other churches, grants from various bodies and individuals who are not member of the church.

The expenditure of the church of £91,698 which was used to support the ministry of the Church, the pastor's stipend, the music ministry, the VST costs, the outreach of the church, the church running costs and donations.

There was a net surplus of £86,255 this includes the total annual support for the VST and grants and gifts for the improvements to the building which have not been spent yet and will be used in 2024.

The Church has a total cash balance of £278k, this is made up of some individual funds which have been set up as recommended by previous report to cover works that may need to be done on the church building and the manse and to support the music ministry and VST.

Volunteers

Noddfa Baptist Church would like to formally thank all of the volunteers who support the various ministries of the church, the band, the youth work, the food share, the leaflet posters, the gardeners, the tea and coffee makers, the cleaners and the many others tasks that are done that nobody realizes

but are essential – like putting the bins out. They support all aspects of the work and ensure that our church is open and welcoming to the local community. We are grateful to God for the time that you give to ensure that the works of the church is able to carry on.

Structure, governance and management

Noddfa Baptist Church is an independent church and it is not part of any other religious organisation. The Church's constitution sets out the method and appointment details of our Church's roles from Paster through to church members and this has been agreed by the church membership. The Annual General Meeting is held in the spring and the regular members meetings are held to discuss church business and make decisions on how the church is run, its various ministries and of course how the funds are spent. The Elders and Deacons also have regular meeting to discuss the ministries of the church and the Trustees meet regularly to fulfill their duties.

Administrative information

Noddfa Baptist Church is in Church Road, Abersychan, with the Manse also situated on site Noddfa Cottage

Pastor John Funnell is the church leader, he is supported by two church elders, two deacons and five trustees

Independent examiner's report on the accounts

Report to the trustees of **Noddfa Church**
On accounts for the year ended **31st December 2023**

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirement of the Charities Act 2011.

I report in respect of my examination of the accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matter has come to my attention which gives me reasonable cause to believe that in any material respect:

1. accounting records were not kept in accordance with section 130 of the 2011 Act
2. the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with my examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached

Trustees Annual Report 2022

Aims and Purpose

Noddfa Baptist Church's aim and purpose is to proclaim the Gospel of Jesus Christ through preaching and teaching the word of God. Our Paster Rev John Funnell is employed by the Church to enable us to fulfill this aim through pastoral care, evangelism and mission.

Objective and Activities

Noddfa Baptist Church provides a building where people are welcomed each week for Sunday services, prayer meeting, children's work, ladies and men's groups and local food share. We are open to the whole community and all are free to join us, we use social media to inform the local community. The commissions guidance on the public benefit and the specific advice for the advancement of religion has been considered when our activities are organized and planned. The objective of the church is also to support our members and visitors to enable them to live out their faith as part of the community in Abersychan and the surrounding area through

- Preaching the Gospel through the Word of God
- Worship
- Prayer Meeting
- Youth Work
- Mission Outreach
- Food Share

To enable all of these services to be provided it is essential that we maintain the church building and surrounding grounds.

Achievements and Performance

Preaching the Gospel

Each week on Sunday at 11 the Church meets; it is a service of worship and preaching and everyone is welcome to attend. The whole service is recorded and is available on line. During the service a Sunday School and Creche is held and afterwards a time of fellowship over a cup of tea/coffee and a biscuit or cake. There are around 140 to 150 people attending this service from all walks of life and our aim as the bible says it to welcome all.

Sunday evening at 6 we hold another meeting again open to all but this tends to be smaller with around 20 people attending.

Monday Evening at 7 is our Ladies group called Bibles and Biscuits where they ladies study the word together and have a time of prayer. They all encourage one another having trips out together

Tuesday Morning, we have a toddlers group which is open to all – there are toys and activities for the babies and toddlers and the bible story is shared for them. There is tea and coffee for the adults and juice and snacks for the little ones

Wednesday Morning is our Prayer meeting which again is open to all – the Pastors gives a message then there is a corporate time of prayer – these services are recorded and shared on line.

Thursday Evening is the Men's meeting at 7 where the men led by the Pastor study the word and pray together.

Pastoral Care

The Pastor has been entirely responsible for the Pastoral Care of the members until very recently. We still have one but we have elders and deacons, who are able to support the Pastor in meeting the needs of a growing congregation.

Mission Outreach

In order for the church to fulfil its aims and purpose in spreading the gospel, our Pastor visits the local schools speaking at their assemblies and inviting them to visit our Church.

We run youth clubs on Friday evenings. Noddfa Juniors is just into its second year since the relaunch post-Covid and we now have around 40 or so 7 to 11 year old's who come to be taught the gospel and to have fun. Noddfa Youth restarted this September and we currently have around 12 young people who come and the numbers are growing. Many of the children of Church members come to Juniors and Youth but there are many for whom the Friday nights are their first taste of doing something in a church.

We leaflet the whole of our community several times a year to inform them of what is going on and this leads to many positive conversations on doorsteps and lets everyone know what we are doing and if they can benefit from it. We make it clear that all are welcome at our events.

One of our Elders is being sponsored on a church leadership course and this means that he is being trained to spread the Gospel.

Foodshare

The Foodshare was started in late 2019 in response to the observed need for parents, both working and not, to have help with feeding their children at lunchtimes. This was done entirely by Church members donating food for the families to collect. Very soon after this the pandemic struck with the accompanying lockdown which meant that many people were no longer able to have sufficient funds each week to pay for food because they were not able to earn. Therefore, we worked with local supermarkets to collect their surplus food and enable those in need to come to the church and collect the food or, if they were unable to come to us, the food was delivered to them by church volunteers.

We have progressed from there to being part of a local food network which supplies some of our needs and the rest we buy with money regularly donated by Church members and others.

Church Buildings

The Church Building does require improvements and we are working on these. The problems include the need to replace the old boiler, which has been condemned for safety reasons, and removing old woodwork and putting in new. We are currently applying for grant funding for this work from a number of different sources including Government and charities. This work will take several years to complete.

The Church Manse is located adjacent to the church and is occupied by the Pastor and his family

Church

The church is made up of Christians from all different walks of life and we are more diverse than many would expect in the South Wales valleys. The membership continues to grow and we currently have approximately 70 members with a congregation in excess of 120 adults plus children who regularly attend.

Financial Review

Total income for the Church was £89,081, £10,973 was specific grants to support our Pastor and to support one of our Elders in Leadership training. It was encouraging during the year that the members offering increased by almost 30% with the HMRC gift aid refund also showing an increase. The Church has also received support from other churches, grants from various bodies and individuals who are not member of the church.

The expenditure of the church of £64,251 which was used to support the ministry of the Church, the pastor's stipend, outreach of the church, the church running costs and donations.

There was a net surplus of £24,830 and it was decided that this would be set aside to provide support for a new musical ministry to the local schools and old people's homes

The Church has a total cash balance of £191k, this is made up of some individual funds which have been set up as recommended by previous report to cover works that may need to be done on the church building and the manse.
