**Report of the Trustees
for the Year Ended 31st March 2025**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Charitable objectives

The objectives of the Charity are, for the public benefit:

- to provide or assist in the provision of facilities and services for recreation or other leisure-time occupation in the interests of social welfare, such facilities and services being provided to the public at large or to persons who have need of the facilities because of their youth, age, infirmity or disability, poverty or social or economic circumstances; and
- the promotion and protection of good health including through community participation in healthy recreation.

The Charity provides the local community of Hungerford and the surrounding area with high-quality facilities and services for healthy recreation and leisure-time occupation in the interests of social welfare at an affordable price.

The Charity aims to encourage members of the local community to come together and find common interests, to create a social atmosphere that provides a way to enhance beneficiaries' health and general outlook on life.

The trustees endeavour to use their experience to support and help others in the areas that the Charity covers.

Our aims

The trustees meet regularly to discuss the charitable activities being undertaken and assess whether and to what extent these are furthering the Charity's objects. The trustees work in partnership with the Charity's leadership team to ensure a positive working environment that nurtures ideas and suggestions at all levels.

The trustees set the Charity's strategy and its aims for the forthcoming year on an annual basis, considering how successful the Charity's key activities have been and how the Charity can most effectively further its objectives.

The activities of the Charity are set out in further detail in this Report. The Charity, being only recently registered in May 2022, is making great progress and has developed a good community working relationship. The Charity is working hard to identify and support local people, charities and small businesses that help the community while providing excellent local facilities.

**Report of the Trustees
for the Year Ended 31st March 2025**

OBJECTIVES AND ACTIVITIES

Significant activities

The Charity provides the local community of Hungerford and the surrounding area with high-quality facilities and services for healthy recreation and leisure-time occupation in the interests of social welfare at an affordable price.

The Charity provides facilities and services to the public through premises that it leases from Herongate Leisure Limited, under which a peppercorn rent is payable until 1 July 2029.

The Charity provides facilities and services for: swimming, various exercise classes, yoga, pilates, squash, spinning and a fully equipped gymnasium. The gym has state of the art equipment designed for use by persons of all abilities. Functional training areas, free weights, fixed resistance and cardiovascular equipment are all included. There are two spaces for exercise where the Charity offers a variety of fitness classes which are, again, designed to cater for people of all abilities. Classes include high intensity fitness, dance, yoga and spinning.

The Charity also runs specialised classes aimed at particular groups. For example, the Charity runs several "active ageing" classes which include chair mobility, stride, pilates and aqua aerobics. These classes are designed to improve mobility and keep joints and muscles healthy.

The building includes a small sauna, steam room and spa bath. As the Charity has access to these facilities under the lease, it offers its beneficiaries the opportunity to access these facilities at no extra cost. The facilities are limited but can provide health benefits to those using them, particularly after exercise. Health benefits include relaxing muscles, reducing joint pain and aiding recovery. Use of the sauna can also benefit persons with rheumatic diseases.

The Charity also runs a small number of dedicated classes and specialist access periods, including:

- A quiet gym space for members who struggle with spatial awareness and other 'noise' issues.
- Dedicated pool access is provided to residents and carers of West Berkshire Mencap's Newbury Centre every week.
- Dedicated swimming sessions are provided for beneficiaries with disabilities every Monday afternoon.
- Beyond providing access to the Charity's sporting facilities, it also holds a dedicated Ukraine support group which offers weekly drop-in sessions to provide support, advice and social interaction for the newest community members.

The Charity is also looking ahead to developing new relations with community projects within Hungerford in addition to supporting its existing contacts. The trustees note that there are a number of exciting opportunities arising. We are supporting a new school for children with unique learning profiles, including Autistic Spectrum Condition and associated communication, language, social, emotional, and mental health needs. The trustees provide access to our club facilities to help facilitate their learning and development of social skills and interaction.

New joiners are offered an initial health assessment designed to ensure that they can use the Charity's facilities safely and where qualified staff provide advice on the types of exercise and recreation that may best suit the beneficiary. All members are offered free fitness programmes and program reviews by fully qualified fitness professionals.

Report of the Trustees for the Year Ended 31st March 2025

OBJECTIVES AND ACTIVITIES

Outside of the leisure centre itself, the Charity also delivers "in office" fitness classes and training sessions to local businesses which focus on creating healthy work environments and promoting the importance of movement exercise. For example, classes focus on desk based exercises and how to prevent poor posture when working at a desk.

The trustees have had regard to the guidance issued by the Charity Commission on public benefit. All the Charity's activities focus on the promotion of good health and community participation in healthy recreation and leisure-time occupation in the interest of social welfare in furtherance of its charitable objectives.

OBJECTIVES AND ACTIVITIES

Pricing Policy (cont)

The trustees are pleased to note that an increase in fees (7.5%) was made in May 2025 which was accepted by all members.

Inevitably some members will struggle with membership fees and may have to freeze or cancel memberships. The Charity operates a 30 day notice period on memberships and has given the staff the ability to waive this if someone requests it on grounds of finances. The trustees have also permitted members to take longer freeze periods if required or make payment by other means outside of Direct Debits. All requests are dealt with individually and confidentiality.

Use of our services and facilities

Since its registration in May 2022, the Charity has seen an increase in its membership, and an overall increase in engagement by the community with the facilities and services offered by the Charity.

There are currently 1,365 members across all the different types of membership offered, up from 1201 in May 2024. Increased membership has helped to ensure the viability of the Charity, meaning the trustees are able to make longer-term plans to sustain the Charity's future.

The variety of exercise classes and facilities have had a beneficial impact on the local community, and the Charity has a welcoming culture, emphasising that physical activity is for persons of all ages and abilities.

In particular, the specialised classes aimed at specific groups in need have been very successful, especially the elderly local community who benefit not only from the physical exercise but also draw significant benefits from the social aspect of group classes and engagement with the community. To supplement these specialist classes, the Charity is working closely with the Terrace View Cafe to offer social activities to those attending the classes as well as those who want to simply come and chat. A discount is offered to all members and to those accompanying members on these classes.

Further, swimming sessions that are ring fenced for disabled beneficiaries and residents and carers of West Berkshire Mencap's Newbury Centre every week has meant that people who might not ordinarily be able to or wish to use the facilities during other times are able to benefit too. Mencap regularly brings up to 15 members to use the pool along with their carers, and have been offered additional sessions when needed. New groups including residential supported living for those with learning disabilities are also taking advantage of dedicated pool sessions. The Charity supports upwards of 30 people a week within dedicated sessions.

The Charity has also delivered ten "in office" fitness classes and training sessions to local businesses, which has the effect of creating healthy work environments and promoting the importance of movement exercise beyond visiting the leisure centre itself. These businesses do not have to be corporate members of the gym in order to benefit from the scheme.

The Charity are also keen to promote Health and Wellbeing. We will do this by holding free drop in professionally run sessions to help members and "walk ins" to better manage their health and financial challenges.

The Charity also offers post school term (summer) free vouchers for a set lunch for school children during August in the Terrace View Cafe.

FINANCIAL REVIEW

Financial review

Overall, the Charity's financial position has improved during this year and compared to previous years as it continues to mitigate the long-standing effects of the Covid-19 pandemic. The trustees are pleased to note that many of these constraints have been overcome.

During the pandemic, the Charity took advantage of the period of lower footfall to invest in updating its premises and leisure equipment. The Charity has since marketed this opportunity effectively which has meant that surrounding communities have been able to take advantage of the improved facilities. As a result, memberships and income has increased during this financial year.

The Charity does not currently have any fund or subsidiary undertaking that is materially in deficit.

The Charity does not currently have any uncertainty about the Charity's ability to continue as a going concern.

Principal funding sources

The Charity reports an increase in income as a result of new memberships, from £533,275 in the year ending 2024 to £597,858 in the year ending 2025. Our membership fee increase in May 2024 will account for some of this increase.

Activity fees have increased from £72,161 - £75,958 within the same timeframe.

Income

The Charity has an income target this financial year of £60,000 per month, comprising of £53,000 of membership fees, and £7,000 split between other sources of income including one off activity fees and income from the trading subsidiary.

Approximately £35,000 was spent on raising funds. This was local marketing in and around the Hungerford area. The trustees understand this expenditure has had a positive effect on our increased membership numbers and associated income.

Reserves policy

The Charity does not currently hold any reserves.

The trustees feel that holding reserves is a necessary step for the Charity to make as a means of improving the Charity's long-term financial security. The trustees have therefore set 'achieving a general reserve' as an objective. The trustees wish to build up and maintain a reserve of approximately £120,000 however there has been major maintenance outgoings which may affect this saving in 25/26.

Grants

The Charity has not received any money from the Local council this financial year, or from room hire. The Furlough Scheme has also come to an end. However, the shortfall in these income streams is made up for by the increased membership as described above.

**Report of the Trustees
for the Year Ended 31st March 2025**

FINANCIAL REVIEW

Staff costs

Staff levels have increased slightly from last year, due to Employer's NI costs, as the Charity continues to support the Real Living Wage.

REGULAR FINANCIAL REVIEWS

The Trustees are very aware of the inflationary pressures that are in place at present. They make a point of completing regular monthly accounting checks to ensure that any significant changes in income or expenditure levels are picked up without delay and take appropriate action to keep overall control.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 1 March 2018 and registered as a charity on 22 May 2022. The Charity is governed by a set of Articles of Association adopted on 1 December 2021, which outlines the objects and powers of the charitable company. In the event of the Charity being wound up members are required to contribute an amount not exceeding £1.

Trustees

The directors of the company are also charity trustees for the purposes of charity law and under the Charity's Articles of Association are known as the Board of Trustees. Under the requirements of the Articles of Association the trustees are elected to serve for a period of three years after which they must be re-elected at the next Board Appointment Meeting if they are going to continue to serve.

All trustees give their time voluntarily and receive no benefits from the Charity. Any expenses reclaimed from the Charity are set out in note 7 to the accounts (there were none this financial year).

The Charity must have between 3 and 12 trustees, who must all be aged 16 or above. The Charity currently has five trustees. New trustees are appointed by a resolution of the Board.

Organisational structure

The trustees of the Charity are also its members. The trustees are responsible for the strategic direction of the Charity.

The trustees delegate day-to-day management of the Charity to its Leadership Team comprised of three dedicated employees taking up the following roles: General Manager, Operations Manager, and Duty Manager.

Report of the Trustees for the Year Ended 31st March 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT

Induction and training of new trustees

The Chair of the Trustees J Taylor resigned on 15th August 2024. An existing trustee, A Ford replaced the chair on 1st July 2024. A new trustee S Woods was appointed in July 2024 with suitable skills and experience.

The trustees understand that they must have regard to the Charity Commission guidance on this topic, and that they should recruit trustees who have the requisite skills, experience, and interest needed to help administer the Charity.

All new trustees are given a copy of the Charity's constitution, its latest management accounts, and key policies.

The Charity will arrange for trustee training through reputable providers or its legal advisors as the trustees determine it is needed.

Related parties

The Charity leases the building from Herongate Leisure Limited, which is owned by Kerridge Properties Ltd. None of the trustees of the Charity are directors or shareholders of (or are related to directors or shareholders of) Herongate Leisure Limited, Kerridge Properties Limited or KPL Holdings Limited.

The Charity has a wholly-owned subsidiary, Herongate Enterprises Limited, registered with Companies House number 11811363. One of the Charity's trustees, Angela Ford, is also a director of the trading subsidiary.

The Charity is not part of any other wider network of bodies or umbrella groups.

The Charity also works with a number of other external organisations in delivering their charitable activities. For example, the Charity works with Parkinson's UK Newbury & District Branch to deliver a monthly Parkinson's Disease therapy class to assist persons with Parkinson's Disease. The Charity also gives dedicated pool access to residents and carers of West Berkshire Mencap's Newbury Centre every week.

The Charity also offers Sports Partners membership, with preferential rates, to persons who are members of local sports clubs, where those sports clubs are also charities or CASCs. Participating sports clubs currently include Hungerford Town FC, Kintbury FC, Hungerford Town Rugby Club, East Woodhay Cricket Club and Hungerford darts league.

Independent Examiner's Report to the Trustees of Herongate Fitness & Wellbeing

Independent examiner's report to the trustees of Herongate Fitness & Wellbeing ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent Examiner's Report to the Trustees of Herongate Fitness & Wellbeing

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of Association of Chartered Certified Accountants which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

for the Year Ended 31st March 2025**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 25% on cost and 20% on cost

Related party exemption

The charitable company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

**Notes to the Financial Statements - continued
for the Year Ended 31st March 2025**

1. ACCOUNTING POLICIES - continued**Fund accounting**

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
