INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF HOUSE OF REFUGE APOSTOLIC PENTECOSTAL CHURCH

I report to the trustees on my examination of the financial statements of House of Refuge Apostolic Pentecostal Church (the charity) for the year ended 31 October 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement - matter of concern identified

I have completed my examination. I have identified matters of concern that give me reasonable cause to believe that:

Accounting records were not kept in respect of the Charity as required by section 130 of the Act;

Having not been provided with opening balances in the prior year, we cannot confirm the opening position of assets and liabilities within the Charity for its' comparative period, being 31 October 2023.

The Charity bank accounts were closed on 13 October 2023 with no replacement bank accounts open until 10 May 2024. We have prepared financial statements from manual records maintained by the Trustees of income and expenditure but note the excess income collected per the records does not correlate to banked receipts when the new bank was opened.

I have also identified a matter of concern in my report because there has been a material departure in the use of funds in accordance with Charity Commission guidance regarding related party transactions.

One of the Trustees is operating an informal loan arrangement for which no Charity Commission approval has been obtained. The opening position at 1 November 2023 is based upon an amount of which £3,400 was informally confirmed by another Trustee, along with transactions during 2022/23 of £13,844 in advances and £2,898 in repayments. This leaves an amount due back to the Charity as at 31 October 2024 of £14,346. No formal repayment terms have been agreed. No transactions have occurred in the period.

I confirm that apart from the matters of concern set out above, no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 the financial statements do not accord with those records; or
- 2 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.
- 3 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I confirm that there are no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 OCTOBER 2024

1 Accounting policies

Charity information

House of Refuge Apostolic Pentecostal Church is a charity as registered with the Charity Commission for England and Wales (registration number 1199174). The registered office is 24 Upper Grosvenor Road, Birmingham, West Midlands, B20 3RY.

1.1 Reporting period

The entity produced its' first set of financial statements to a reporting period of 30th October 2023 in line with its' chosen accounting period end, therefore producing a 16-month set of financial statements (from the date of registration with the Charity Commission of 1st June 2022). As a result, the prior year figures are not considered directly comparable to the current period (a standard 12-month period).

1.2 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.3 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.5 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.
