FOR THE YEAR ENDED 31 MAY 2023

2.2 Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments. The Trustees seek to use short- and medium-term deposits where possible to maximise the return on monies held at the bank and to manage cash flow.

2.3 Fund Accounting

Restricted funds are subject to specific conditions by funders as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts. Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity. Unrestricted funds include designated funds which are funds which trustees have allocated to be spent on a specific purpose.

2.4 Restricted Funds

Restricted funds are funds under the Charity's control for a specific purpose. This is a legally binding Obligation and the trustees cannot remove or relax the restriction by themselves. Funds as Permanent Endowment funds are those where the original intention was for the asset to be held forever and cannot therefore be spent.

2.5 Accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgments, estimates, and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised.

The trustees do not consider that there are any critical estimates or areas of judgment that need to be brought to the attention of the readers of the financial statements.
