Annual Trustee's Report 2024 - 2025

In our third year of being a charity we continued to do as much fundraising as possible.

As the field is an outside we are very dependent on the weather to carry out our fundraising activities.

On Sunday 24th August 2024 we arranged our 2nd Beer Barrel Race, after the success of the last one in 2023. We promoted the event as last year and paid for all the insurance costs and provisions, but unfortunately the weather had other ideas. The day before the event we had to cancel due a storm.

The field is constantly being used by Aberporth Football Club on a weekly basis for their league games. Various children's groups also use our open space for recreational sport games e.g. football, cricket, etc.

Junior football also used to field facilities, U6's and U8's Aberporth Mini Minors.

In our third year, continuous development and tidying up of the sport & leisure field was carried out. The community came out to litter pick, tidy area's up etc.

In February we held our AGM and we attracted some new members. We had a full programme for the year ahead.

In March we started an application to the National Lottery for £16K to purchase a sit on lawn mower, container to keep the mower in and a marquee to be able to hold events when the weather is bad. We are still awaiting the outcome of this application.

Next year our aim is to try and secure new funding for various developments and hold more events for our community.

Annual Trustee's Report 2023 - 2024

In our second year of being a charity we continued to do as much fundraising as possible.

As the field is an outside we are very dependent on the weather to carry out our fundraising activities.

In August of 2023 we carried out our 1st Parcllyn Beer Barrel Race. Teams competed carrying a beer barrel around a course set in the field. The quickest team won. We had various other activities for the community e.g. bouncy castles and live music at night. We raised approx £745.00. We aim to do another one next year.

The field is constantly being used by Aberporth Football Club on a weekly basis for their league games. Various children's groups also use our open space for recreational sport games e.g. football, cricket, etc.

Junior football also uses the field facilities, U6's and U8's Aberporth Mini Minors.

Annual Trustee's Report 2022 – 2023

Our first year of being a new charity has been very exciting and successful.

We started off by celebrating the Queen's Jubilee in June. We held a two day event. It started with a live band and bar on the Saturday evening with various raffles and ticket sales to raise money for the field. Then on Sunday we organized a families fun day and football tournament, with various stalls, afternoon teas, children's games etc.

The field is constantly being used by Aberporth Football Club on a weekly basis for their league games. Various children's groups also use our open space for recreational sport games e.g. football, cricket, etc. Junior football also uses the field facilities, U6's and U8's Aberporth Mini Minors.

Then in December to finish off the year a 1st Successful Santa Run was organised from the community field. A 5K run and then back to the field for bacon rolls and hot chocolate. A children's race was also run as well.

In our first year continuous development and tidying up of the sport & leisure field was carried out. The community came out to litter pick, tidy area's up etc.

Next year our aim is to try and secure new funding for various developments and hold more events for our community.
