#### Message from the Chairman Board of Trustees

Dear Friends and Supporters,

As the Chairman of the Board of Trustees for Mission Salaam, I am honoured to extend my heartfelt gratitude to each and every one of you who has contributed to our mission over the past year. Your generous support and unwavering trust in our cause have been instrumental in helping us achieve our goals and make a tangible difference in the lives of those we serve.

At Mission Salaam, our mission is to empower communities and provide essential resources to those in need. This past year, with your invaluable support, we have been able to implement meaningful projects that have positively impacted countless lives. From providing educational opportunities to ensuring access to healthcare and improving living conditions, our initiatives have brought hope and healing to those who need it most.

Your donations have enabled us to reach new heights and expand our efforts in ways we could not have imagined.

Every contribution, whether big or small, has played a crucial role in advancing our mission and enabling us to serve our communities with dedication and compassion. It is through your trust and belief in our work that we are able to continue this vital mission.

We are proud of the progress we have made, but there is still much to be done. As we look to the future, we remain committed to our mission and driven by the passion and generosity of our donors. Together, we can continue to create positive change and build a brighter future for all.

Once again, thank you for your continued support and belief in Mission Salaam. We are incredibly grateful for your partnership and look forward to another year of transformative impact.

#### Achievements and performance

Throughout this reporting period, Mission Salaam has remained dedicated to our core mission of providing humanitarian aid to communities in need. We are proud to share the following accomplishments:

##### **WATER HAND PUMP:**

Access to clean water is a fundamental human right. This year, Mission Salaam installing water hand pumps in underserved communities, providing thousands of people with access to safe drinking water. These pumps are strategically placed to serve the most vulnerable populations, reducing the burden of water collection and improving overall health.

In the last year, we installed over 65 hand pumps in the Khairpur and Naushero Feroze districts of Sindh, Pakistan. Families are now enjoying clean water for their household and hygiene needs. Their animals are also benefiting from fresh and clean water. Children have returned to school, and mothers can stay at home, saving themselves hours of labor in the extreme heat.

##### **WATER WELL IN AFRICA:**

In many parts of Africa, access to clean water remains a critical challenge, with millions of people facing severe water scarcity. The need for sustainable water sources is essential for improving health, agriculture, and overall quality of life. To address this urgent issue, we initiated a project to dig deep-water wells, providing communities with a reliable source of clean water. These wells are not only meeting the immediate water needs but are also contributing to long-term solutions for drinking, farming, and sanitation.

We have recently installed 2 deep water wells in Uganda. The communities are absolutely jubilant and are enjoying supply of clean and fresh water at their doorstep which was a dream for them before.

##### **ZAKAT FOR LIVELIHOOD:**

Mission Salaam's Zakat for Livelihood project is dedicated to uplifting families living below the poverty line by offering them the means to achieve financial independence. We target those with no access to income, providing them with small business opportunities that pave the way for sustainable livelihoods.

Our support helps break the cycle of poverty, enabling these families to build a stable future. Through this initiative, we empower individuals to transform their lives and contribute positively to their communities.

##### **MASJID CONSTRUCTION IN PAKISTAN:**

We are deeply committed to providing places of worship and community gathering through our Masjid Construction projects. This year, we have successfully built four new masjids in Azad Kashmir alone, in addition to others in remote areas of Pakistan. These masjids serve not only as centres for prayer but also as hubs for community development and support.

We are hopeful to continue this mission and build more masjids in underserved areas, fostering both spiritual growth and communal unity. Through these efforts, we aim to uplift and strengthen the communities we serve.

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

#### **MASJID CONSTRUCTION IN AFRICA:**

In many parts of Africa, including Tanzania and Uganda, Muslims face significant challenges in accessing places of worship due to widespread poverty and lack of infrastructure. In these regions, the need for masjids is critical, as they provide not only a space for spiritual growth but also foster community cohesion and support. Recognizing this pressing need, we have successfully constructed two new masjids in Tanzania, offering essential infrastructure for the local Muslim communities. These masjids serve as vital centres for education, worship, and communal support, helping to strengthen the fabric of these communities. Our ongoing efforts aim to address the challenges faced by Muslims in these underserved areas, ensuring they have the necessary resources to practice their faith and build a stronger, united community.

#### **EMERGENCY RELIEF:**

Mission Salaam has been at the forefront of emergency relief efforts, particularly in response to the escalating crises in Yemen and Gaza this year. In Yemen, we have focused on providing essential water supplies to internally displaced families struggling to survive amid ongoing conflict. Meanwhile, in Gaza, following the recent escalation, we have mobilized resources to deliver cooked food, water, and non-food items (NFIs) to vulnerable families caught in the crossfire. Our dedicated relief efforts have brought critical aid to over 10,000 individuals facing dire circumstances, ensuring they receive the immediate support they need during these challenging times. Through our work, we continue to stand with those most affected by these humanitarian emergencies, offering hope and relief in their darkest hours.

#### **WIDOW HOMES:**

Providing shelters for widows and their children in Pakistan is crucial for their protection and well-being. Widows often face social and economic hardships, leaving them and their children vulnerable to exploitation and poverty. Safe shelters offer them a secure environment, access to essential services, and a chance to rebuild their lives. This year, we have already built six widow homes in Pakistan and Azad Kashmir, offering much-needed support and stability to these families, helping them regain their dignity and independence.

#### **QURBANI:**

During this year's Eid al-Adha celebrations, Mission Salaam extended its Qurbani project to three countries: Uganda, Pakistan, and India. We carefully selected beneficiaries from the most needy communities, ensuring that thousands of families received fresh Qurbani meat. Thanks to your generous donations, over 90 families across these regions were able to partake in the festive occasion, enjoying the blessings of Eid with dignity and joy. Your support made a significant impact on the lives of those who needed it most, spreading happiness and sustenance during this special time.

#### **FOOD PACKS:**

This year, we focused our Food Packs project on supporting families in Pakistan who were severely affected by floods or lost their livelihoods due to the flood situation. Understanding the dire circumstances, we distributed food packs containing essential staples to many families in need. Each pack was carefully prepared to provide enough food to sustain a family of five for an entire month.

Your support enabled us to reach these vulnerable communities, ensuring they had the necessary resources to navigate this challenging time and combat hunger and malnutrition in the aftermath of the floods.

### Independent Examiner's Report to the Trustees of MISSION SALAAM

Year ended 30 June 2024

---

I report to the trustees on my examination of the financial statements of MISSION SALAAM ('the charity') for the year ended 30 June 2024.

#### Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

---

**1. General information**

The charity is a public benefit entity and a Charitable Incorporated Organisation, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 113 Chester Avenue, Luton, LU4 9SQ, England.

**2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

**3. Accounting policies**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

**Going concern**

There are no material uncertainties about the charity's ability to continue.

**Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

**Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

# MISSION SALAAM

## Charitable Incorporated Organisation

### Notes to the Financial Statements *(continued)*

Year ended 30 June 2024

#### 3. Accounting policies *(continued)*

##### Financial instruments *(continued)*

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
