

Trustee Annual report to 5 April 2024 & also Accounts (same period)

- The Trustees have identified a source of further donations and are working to obtain this
- Once the scope of this is fully known & realised, the trustees will then be able to make donations
- The charity has been successfully set-up and discussions are ongoing with some potential organisations to support in the future
- The trustees look forward to grant making as the charity becomes more established
- Income in year: £10,000 donation obtained. No other income.
- Expenditures in year: £1,733.50
