Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The prevention or relief of poverty of people who are homeless and those at risk of homelessness in Forest Gate, East London and the surrounding areas in particular but not exclusively. The CIO is committed to relieving the plight of the homeless by: helping them become independent to enable them to contribute positively towards the community; placing the faith/church into the community to help the homeless find their vocations/talents through vocational training for trades such as electrical and plumbing; supporting the provision of short-term accommodation and shelter; helping reduce the ethnic generational dependency on government benefits; promoting the integration of homeless and disadvantaged ethnic minorities into British culture.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	In collaboration with the parish priest, Rev Father John Jesus, at St Antony's Catholic Church, in Forest Gate East London, who runs a winter homeless charity project at the church hall, with NewWay charity and the Knights and Ladies of Marshall, a homeless person attending the project was identified. We provided approved a certified vocational training course (Electric and Gas and Plumbing) through Alpha Engineering College at Canning Town, East London. NewWay charity provides temporary shelter for the homeless and refers the homeless people to the St Antony's church winter homeless project. The Knights and Ladies of Marshall is a Catholic friendly society supporting St. Antony's winter homeless project.
Statement confirming whether the trustees have had regard to the guidance	Para 1.18	When planning our activities for the year, the Trustees considered the Commission's guidance on public benefit and, in particular,

issued by the Charity Commission on public benefit		<p>the specific guidance on the prevention or relief of poverty and for the relief of those in need, by reason of youth, age, ill-health, disability, financial hardship or other disadvantages the homeless. In particular, we assisted St Antony's Church's winter homeless project aimed at offering temporary shelter and food at the church. Volunteers from the CIO helped to prepare the hall with beds, mattresses, sheets, duvets and covers, blankets, etc; find suitable accommodation after the winter homeless project in St Antony's; gain skills through formal vocational training, leading to employment, and increase confidence through learning.</p> <p>The CIO has specifically provided funding for vocational training to one homeless person who was part of the St Antony's homeless winter project. The homeless person has completed a plumbing course and moved into supported youth accommodation. He is working in construction while he looks for his first job in plumbing.</p>
