Trustees Responsibilities

The Charities Act 2011 requires the trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the trust for that period. In preparing these financial statements the trustees are required to:

Select suitable accounting policies and apply them consistently

Make judgements and estimates that are reasonable and prudent

Prepare financial statements on the going concern basis unless it is inappropriate to presume that the trust will continue in existence

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the trust. They are also responsible for safeguarding the assets of the trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
