Al-waffaa Madrasah Summer Break Awards

As part of our work to encourage and celebrate the youth of our Madrasah, we held a summer ceremony for our pupils to celebrate their efforts throughout the year.

For their hard work in learning the Islamic religion, behaviour and their Memorisation of the Qur'an.

We awarded students with gifts, such as customised jumpers, gift packs and snacks.

We believe these recognitions are essential to encourage the youth and to let them know that their efforts are noticed.

Arafah Day

On the day of Arafah, we organised a community day for our youth, parents and the community at large.

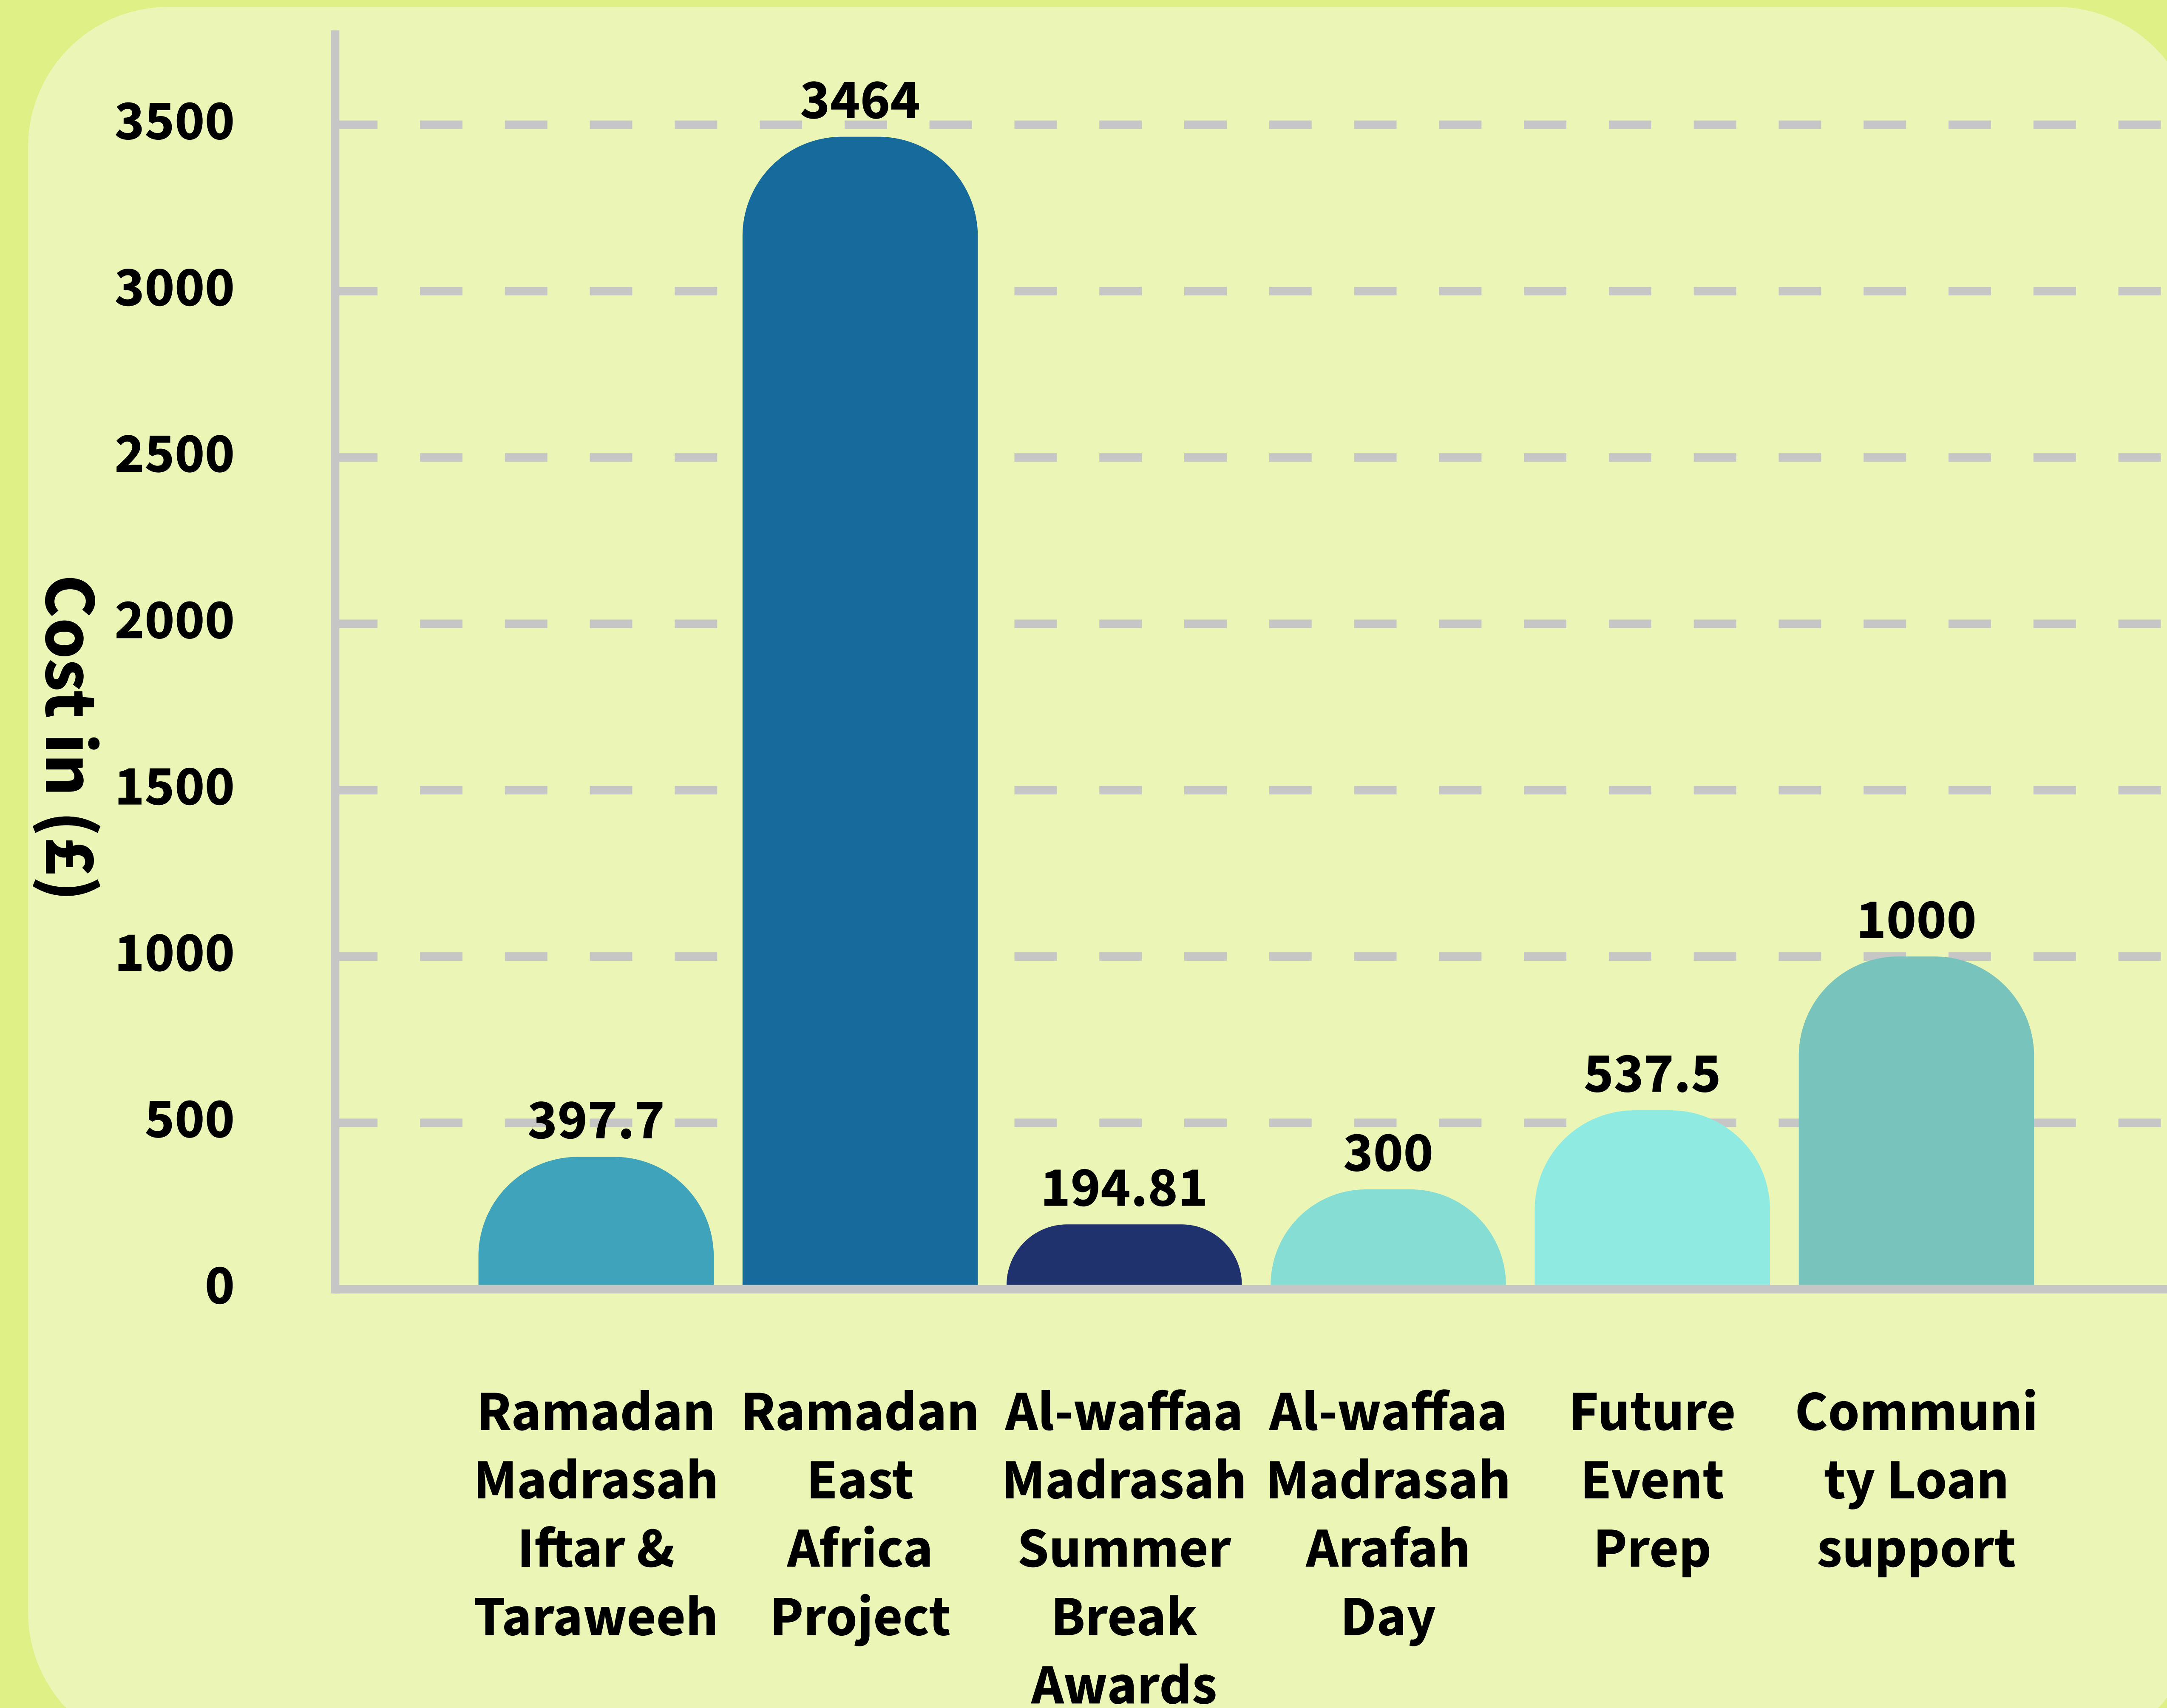

We conducted our event by welcoming parents, pupils and other community members.

Our program consisted of learning and remembering the sacrifices of prophet Abraham and his family; as well as learning about the importance of that day of Arafah as part of the Major Islamic Pilgrimage (Hajj).

We concluded by distributing gifts.
