## **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

### **Year ended 31 December 2024**

#### **Structure, governance and management**

The White River Community Church CIO - Charity Registration No. 1199453 - was established on 24 June 2022 from an integration of both South Coast Church - Company No. 05441108 - and St Austell Baptist Church. As a member of the Baptist Union of Great Britain and the South West Baptist Association, the church subscribes to the Baptist Union's Declaration of Principle.

#### **Objectives and activities**

The charitable objective of the church is the advancement of the Christian faith according to the principles of the Baptist denomination. The church undertakes the following activities in pursuit of its charitable objectives:

- Weekly gatherings for public worship, prayer, preaching and teaching.
- Mid-week meetings for small groups, focused on prayer, discipleship and bible study.
- Ongoing provision of pastoral care to church members and congregation.
- Specific activities aimed at the inclusion and discipleship of young people.
- The provision of weekly support groups for the parents and grandparents of pre-school children and grandchildren on Mondays, Wednesdays, and Thursdays.
- The operation of a community coffee shop from Monday to Thursday. The coffee shop hosts various events and regular activities for the benefit of community members.

- Activities in partnership with other churches in the Baptist Union, as well as other churches in St Austell.
- The hiring of its facilities to external parties for meetings and conferences.

## **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

### **Year ended 31 December 2024**

#### **Achievements and performance**

As agreed in May 2022, at Special Members' Meetings of the St Austell Baptist Church and South Coast Church, all activities of these two churches were conducted jointly with effect from 12 June 2022, under the name of White River Community Church. For the period under review, the focus has shifted from the smooth integration of activities and members within the new church, to creating platforms for sustainable growth of the church and its activities. Growth in membership has continued over the period, highlighting the need to build capacity into administrative systems, pastoral care, and building facilities. Minor enhancements to the Cornerstone Hall were completed during the year, creating space for an additional 20-30 seats on Sundays.

The Family Centre support groups run on Mondays and Thursdays for parents and their children have seen increased numbers in attendance, as has the group for grandparents and grandchildren, run on Wednesdays.

The Ark Coffee Shop continues to play an important role in the church's outreach activities in the community. The financial performance of the Coffee Shop continued at a satisfactory level, with income sufficient to cover related direct expenditure.

#### **Financial review**

The church experienced a very satisfactory financial result over the period. Regular monthly income increased significantly over the prior period and there were also some substantial one-off offerings received. As a result, cash balances showed a large increase over the year, from £19 350 to £79 046. Tight control was maintained over expenses, contributing to the vast improvement in the financial position of the church over the year.

#### **Plans for future periods**

Throughout the next period, the focus will remain on maintaining the platform for growth that has been created. At current income levels, capacity exists to consider the appointment of additional staff member(s) to strengthen and expand some of the administrative and pastoral functions.

It is necessary to repairs damp damage and refurbish bathrooms in Cornerstone Hall.

In anticipation of continued membership growth, investigation will commence into the various options to accommodate another 50-100 members over the next three to five years.

A review of various mission partnerships has commenced, aimed at forming long-term, strategic partnerships, particularly with an international focus.

#### **Small company provisions**

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

## **Independent Examiner's Report to the Trustees of White River Community Church CIO**

### **Year ended 31 December 2024**

I report to the trustees on my examination of the financial statements of White River Community Church CIO ('the charity') for the year ended 31 December 2024.

#### **Responsibilities and basis of report**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### 3. Accounting policies *(continued)*

##### **Judgements and key sources of estimation uncertainty**

In the application of the CIO's accounting policies, which are described below, trustees are required to make judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects the current and future periods.

In the view of the trustees, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Incoming resources**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

## Notes to the Financial Statements *(continued)*

### Year ended 31 December 2024

#### 3. Accounting policies *(continued)*

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	-	15% reducing balance

#### **Structure, governance and management**

The White River Community Church CIO - Charity Registration No. 1199453 - was established on 24 June 2022 from an integration of both South Coast Church - Company No. 05441108 - and St Austell Baptist Church. As a member of the Baptist Union of Great Britain and the South West Baptist Association, the church subscribes to the Baptist Union's Declaration of Principle.

#### **Objectives and activities**

The charitable objective of the church is the advancement of the Christian faith according to the principles of the Baptist denomination. The church undertakes the following activities in pursuit of its charitable objectives:

- Weekly gatherings for public worship, prayer, preaching and teaching.- Mid-week meetings for small groups, focused on prayer, discipleship and bible study.- Ongoing provision of pastoral care to church members and congregants.- Specific activities aimed at the inclusion and discipleship of young people.- Activities in partnership with other churches in the Baptist Union, as well as other Christians.- Outreach and mission activities, locally, regionally, nationally, and internationally. In particular, local mission activities are centred around the provision of weekly support groups for parents, caregivers, grandparents and their children or grandchildren; as well as the operation of a community coffee shop from Monday to Thursday.

#### **Achievements and performance**

As agreed in May 2022, at Special Members' Meetings of the St Austell Baptist Church and South Coast Church, all activities and membership of these two churches were joined with effect from 12 June 2022 to form White River Community Church. Throughout the period under review, the focus was on the smooth integration of activities and members within the new church. It was pleasing to note the integration proceeded very smoothly, with all activities benefitting substantially from the increased momentum achieved through the integration.

The Family Centre support groups run on Mondays and Thursdays for parents or caregivers and their children have seen increased numbers in attendance, as has the group for grandparents and grandchildren, run on Wednesdays.

The Ark Coffee Shop has yet to achieve satisfactory financial performance but is improving, and plays an important role in the church's outreach activities in the community.

#### **Financial review**

The first meeting of the new church took place on 12 June 2022 and the CIO was officially registered on 24 June 2022. The transfer of all assets and liabilities of the St Austell Baptist Church and South Coast Church into the name of White River Community Church took place on 28 September 2022.

A number of non-recurring expenditure items took place in the period under review, relating to building maintenance and improvement, contributing significantly to the deficit in the period under review.

#### 3. Accounting policies *(continued)*

##### **Judgements and key sources of estimation uncertainty**

In the application of the CIO's accounting policies, which are described below, trustees are required to make judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects the current and future periods.

In the view of the trustees, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Incoming resources**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

## Notes to the Financial Statements *(continued)*

### Year ended 31 December 2023

#### 3. Accounting policies *(continued)*

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	-	15% reducing balance

### Period from 24 June 2022 to 31 December 2022

#### 3. Accounting policies *(continued)*

##### Judgements and key sources of estimation uncertainty

In the application of the CIO's accounting policies, which are described below, trustees are required to make judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects the current and future periods.

In the view of the trustees, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

##### Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Period from 24 June 2022 to 31 December 2022

### 3. Accounting policies *(continued)*

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

#### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	- 15% reducing balance
