Trustees' Annual Report for the period

Charity name: Paros Trust

Charity registration number: 1199488

Objectives and Activities

The charity is a CIO which provides financial support to people in need in High Wycombe.

In our second year, we began forming a partnership with a local charity and made our first donation through them. We also made a donation to an individual through our local church.

Some personal circumstances affected the running of the charity from April 23 to December 24, slowing our progress for the year.

Other details

In this first year the charity formed partnerships with other local organisations who we would offer financial support via, to individuals in the local community who need that help.
