**FINANCIAL STATEMENTS FOR YEAR ENDED 31 MARCH 2022**

**INDEPENDENT EXAMINER'S REPORT**

We report on the financial statements for the year ended 31 March, 2022 which are set out on previous pages.

**Respective responsibilities**

The charity's trustees is responsible for the preparation of the financial statements, and consider that the audit requirement of Section 43(2) of the Charities Act 1993 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners under Section 43(7)(b) of the Act, whether particular matters have come to my attention.

**Basis of Independent Examiner's Report**

Our examination was carried out in accordance with the General Directions of the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

**Independent Examiner's Statement**

In connection with my examination of the accounts, nothing came to my attention which gave me cause to believe otherwise than that the financial statements accord with the accounting records of the charity, and that those records satisfied the requirements of the Act. I am not aware of any matter to which attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Please note that Fair Value in this context is the amount for which an asset could be exchanged between knowledgeable and willing parties in an arm's length transaction. For traded securities, the fair value is the value of the security quoted on the London Stock Exchange Daily Official List or equivalent. For other assets where there is no market price on a traded market, it is the trustees' or valuers' best estimate of fair value.
