Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Grants from the Dan Maskell Tennis Trust (£350) and the LTA (£300) were granted this year to support us. Both grants are restricted to the delivery of our disability tennis sessions. Our costs this year (coaching fees, facilities & insurance) came to £1340 leaving us with £261 of restricted funds and £592 of unrestricted funds at year end for the on-going delivery of our activities in year 25/26.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Our on-going financial commitments are limited to the cost of running the sessions for the visually impaired and learning disability players. We aim to maintain a balance of cash to cover 3 months-worth of costs relating to session delivery.
Amount of reserves held	Para 1.22	£853 at year end
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	Not Applicable
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	<p>The members of Ryde Mead Lawn Tennis Club non-incorporated organisation voted unanimously in favour of incorporation to Ryde Mead Lawn Tennis Club CIO.</p> <p>To allow the winding down of the non-incorporated club with transfer of assets between it and Ryde Mead Lawn Tennis Club CIO, agreement is required from the Landlord of the tennis courts to change the beneficiary of the lease from the non-incorporated club to the CIO. Discussions regarding this are yet to be completed.</p> <p>Although failure to transfer the lease does not jeopardise the CIO's ability to continue as a going concern into the future the two main consequences are: the CIO's ability to realise its full potential is reduced, but liabilities are limited as the CIO has no responsibility for the maintenance or upkeep of the tennis courts.</p>

Appointment of charity trustees

For Clarification Informal or associate (non-voting) membership also referred to as playing members

Within the constitution of the CIO “members” and “membership” do not apply to non-voting members and non-voting members (playing members) do not qualify as members for any purpose under the Charities Acts, General Regulations or Dissolution Regulations.

Apart from the first charity trustees, every appointed trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.

The Trustees are appointed by the Trustee Members (Trustees of the CIO).

Apart from the first Trustees of the Club, every appointed Trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the Club’s Trustees. The Trustees are required to serve a term of three years, retire at each Annual General Meeting (except the first Annual General Meeting of the Club to which special rules apply) and either seek re-election or step down as a Trustee.

The Playing Members may propose and second a Trustee for appointment only if the Playing Members decide that it is in the best interests of the Club that the Trustee in question should be recommended/nominated for appointment as a Trustee and pass a vote by a two thirds majority of the Playing Members to that effect.

Appointment of Trustees shall be carried out by those Trustee Members eligible to vote in accordance with the Constitution and they shall appoint a person who is willing to act to be a Trustee and who is a Member.

No person, other than a Trustee standing down due to term limits, may be appointed a Trustee at any Annual General Meeting unless:

- **He or she is recommended/nominated for election or re-election by the Playing Members**
- **within 2 weeks of the date at which notice of such general meeting having been sent, the Club is given a notice to its registered address by not less than 10 Playing Members proposing the appointment of a person as a Trustee (including, for the avoidance of doubt, Proposer and Secunder).**

The number of Playing Members required to sign a recommendation/nomination paper will be reviewed every year by the Trustee Board in response to the risk facing the Club.

In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experienced needed for the effective administration of the CIO.

In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to any nominations or elections made by the Informal or Associate (Non-Voting) Membership of the Charity.

		<p>Nominated Trustees</p> <p>Any appointment must be made at a meeting held according to the ordinary practice of the appointing body of trustee members.</p> <p>Each appointment must be for a term not exceeding three years.</p> <p>The appointment will be effective from the later of: the date of the vacancy; and the date on which the charity trustees or their secretary or clerk are informed of the appointment.</p> <p>A trustee appointed by the appointing body has the same duty as the other charity trustees to act in the way he or she decides in good faith would be most likely to further the purposes of the CIO.</p>

<p>Policies and procedures adopted for the induction and training of trustees</p>	<p>Para 1.51</p>	<p>The charity trustees will make available to each new charity trustee, on or before his or her appointment: a copy of the current version of this constitution; and a copy of the CIO’s latest Trustees’ Annual Report and statement of accounts.</p>
<p>The charity’s organisational structure and any wider network with which the charity works</p>	<p>Para 1.51</p>	<p>RYDE MEAD TENNIS CLUB CIO (‘THE CLUB’)</p> <p>INTRODUCTION</p> <p>GOVERNANCE STRUCTURE</p> <p>1. Background</p> <p>The Club is a CIO Foundation Model with Charity Number 1199560 .The Club was incorporated and registered with the Charity Commission on 06-July-2022.</p> <p>The Club was established in order to replace the existing unincorporated charity known as Ryde Mead Tennis Club (‘the unincorporated charity’). This was done in order to provide the Charity’s Trustees and Members with the benefit of an incorporated structure which, following professional advice taken by the trustees of the unincorporated charity, was agreed to be the most appropriate structure.</p>

2. Structure

As a CIO with the Foundation Model, the Club is required as a minimum to have a Board of Trustees and a body of Members.

The Club's structure satisfies this minimum requirement but there are added layers of complexity that are designed to capture the full range of Membership categories and the structure that existed in relation to the unincorporated charity.

The roles of the Trustees and all classes of Members are set out below.

3. The Trustees and Trustee Members

The Trustees are responsible for the management and administration of the Club. Their details are recorded with the Charity Commission.

The Trustees are appointed by the Trustee Members. Apart from the first Trustees of the Club, every appointed Trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the Club's Trustees. The Trustees are required to serve a term of three years, retire at each Annual General Meeting (except the first Annual General Meeting of the Club to which special rules apply) and either seek re-election or step down as a Trustee.

At all times there will be a minimum of 3 Trustees.

A person is only eligible to act as a Trustee of the Club if they are a Playing Member (or a Trustee Member in the case of a Trustee seeking re-election).

The Trustees are also Members of the Club and are categorised as *Trustee Members* and they have the full range of Membership rights prescribed by Charity Law, in particular the Charities Act 2011 (or any act that supersedes it) and the Club's Constitution.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>Grants from the Dan Maskell Tennis Trust (£700) and the LTA (£1,000) were received this year to support us. Both grants are restricted to the delivery of our disability tennis sessions and our costs this year (coaching fees, facilities & insurance) came to £1098 leaving us with £650 to fund our activities in the current year. This year, in addition to seeking further grant income, our volunteers are undertaking fundraising activities to raise donational income.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>Our on-going financial commitments are limited to the cost of running the sessions. We aim to maintain a balance of cash to cover 3 months-worth of costs relating to session delivery.</p>

Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	<p>Not Applicable</p>
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	<p>The members of Ryde Mead Lawn Tennis Club non-incorporated organisation voted unanimously in favour of incorporation to Ryde Mead Lawn Tennis Club CIO.</p> <p>To allow the winding down of the non-incorporated club with transfer of assets between it and Ryde Mead Lawn Tennis Club CIO, agreement is required from the Landlord of the tennis courts to change the beneficiary of the lease from the non-incorporated club to the CIO. Discussions regarding this are yet to be completed.</p> <p>Although failure to transfer the lease does not jeopardise the CIO's ability to continue as a going concern into the future the two main consequences are: the CIO's ability to realise its full potential is reduced, but liabilities are limited as the CIO has no responsibility for the maintenance or upkeep of the tennis courts.</p>

Appointment of charity trustees

For Clarification Informal or associate (non-voting) membership also referred to as playing members

Within the constitution of the CIO “members” and “membership” do not apply to non-voting members and non-voting members (playing members) do not qualify as members for any purpose under the Charities Acts, General Regulations or Dissolution Regulations.

Apart from the first charity trustees, every appointed trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.

The Trustees are appointed by the Trustee Members (Trustees of the CIO).

Apart from the first Trustees of the Club, every appointed Trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the Club’s Trustees. The Trustees are required to serve a term of three years, retire at each Annual General Meeting (except the first Annual General Meeting of the Club to which special rules apply) and either seek re-election or step down as a Trustee.

The Playing Members may propose and second a Trustee for appointment only if the Playing Members decide that it is in the best interests of the Club that the Trustee in question should be recommended/nominated for appointment as a Trustee and pass a vote by a two thirds majority of the Playing Members to that effect.

Appointment of Trustees shall be carried out by those Trustee Members eligible to vote in accordance with the Constitution and they shall appoint a person who is willing to act to be a Trustee and who is a Member.

No person, other than a Trustee standing down due to term limits, may be appointed a Trustee at any Annual General Meeting unless:

- **He or she is recommended/nominated for election or re-election by the Playing Members**
- **within 2 weeks of the date at which notice of such general meeting having been sent, the Club is given a notice to its registered address by not less than 10 Playing Members proposing the appointment of a person as a Trustee (including, for the avoidance of doubt, Proposer and Secunder).**

The number of Playing Members required to sign a recommendation/nomination paper will be reviewed every year by the Trustee Board in response to the risk facing the Club.

In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experienced needed for the effective administration of the CIO.

In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to any nominations or elections made by the Informal or Associate (Non-Voting) Membership of the Charity.

		<p>Nominated Trustees</p> <p>Any appointment must be made at a meeting held according to the ordinary practice of the appointing body of trustee members.</p> <p>Each appointment must be for a term not exceeding three years.</p> <p>The appointment will be effective from the later of: the date of the vacancy; and the date on which the charity trustees or their secretary or clerk are informed of the appointment.</p> <p>A trustee appointed by the appointing body has the same duty as the other charity trustees to act in the way he or she decides in good faith would be most likely to further the purposes of the CIO.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Ryde Mead Lawn Tennis Club CIO, having been created 06-July-2022, has had no outgoings during the financial period 2022 -2023. Excepting a small token donation of £50 made by the CIO's Bank on opening its charitable account, there has been no other income to declare. For the financial period there was an opening balance of £0 and a closing balance of £50.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The trustees are reviewing the need for a reserves policy.
Amount of reserves held	Para 1.22	
Reasons for holding zero reserves	Para 1.22	The CIO currently has no regular ongoing financial commitments that are not funded by grant income in the current financial year. This position will be reviewed periodically.
Details of fund materially in deficit	Para 1.24	Not Applicable
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The members of Ryde Mead Lawn Tennis Club non-incorporated organisation voted unanimously in favour of incorporation to Ryde Mead Lawn Tennis Club CIO. To allow the winding down of the non-incorporated club with transfer of assets between it and Ryde Mead Lawn Tennis Club CIO, agreement is required from the Landlord of the tennis courts to change the beneficiary of the lease from the non-incorporated club to the CIO. Discussions regarding this are yet to be completed. Although failure to transfer the lease does not jeopardise the CIO's ability to continue as a going concern into the future the two main consequences are: the CIO's ability to realise its full potential is reduced, but liabilities are limited as the CIO has no responsibility for the maintenance or upkeep of the tennis courts.

Appointment of charity trustees

For Clarification Informal or associate (non-voting) membership also referred to as playing members

Within the constitution of the CIO “members” and “membership” do not apply to non-voting members and non-voting members (playing members) do not qualify as members for any purpose under the Charities Acts, General Regulations or Dissolution Regulations.

Apart from the first charity trustees, every appointed trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.

The Trustees are appointed by the Trustee Members (Trustees of the CIO).

Apart from the first Trustees of the Club, every appointed Trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the Club’s Trustees. The Trustees are required to serve a term of three years, retire at each Annual General Meeting (except the first Annual General Meeting of the Club to which special rules apply) and either seek re-election or step down as a Trustee.

The Playing Members may propose and second a Trustee for appointment only if the Playing Members decide that it is in the best interests of the Club that the Trustee in question should be recommended/nominated for appointment as a Trustee and pass a vote by a two thirds majority of the Playing Members to that effect.

Appointment of Trustees shall be carried out by those Trustee Members eligible to vote in accordance with the Constitution and they shall appoint a person who is willing to act to be a Trustee and who is a Member.

No person, other than a Trustee standing

down due to term limits, may be appointed a Trustee at any Annual General Meeting unless:

- He or she is recommended/nominated for election or re-election by the Playing Members
- within 2 weeks of the date at which notice of such general meeting having been sent, the Club is given a notice to its registered address by not less than 10 Playing Members proposing the appointment of a person as a Trustee (including, for the avoidance of doubt, Proposer and Secunder).

The number of Playing Members required to sign a recommendation/nomination paper will be reviewed every year by the Trustee Board in response to the risk facing the Club.

In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experienced needed for the effective administration of the CIO.

In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to any nominations or elections made by the Informal or Associate (Non-Voting) Membership of the Charity.

Nominated Trustees

Any appointment must be made at a meeting held according to the ordinary practice of the appointing body of trustee members.

Each appointment must be for a term not exceeding three years.

The appointment will be effective from the later of:
the date of the vacancy; and
the date on which the charity trustees or their secretary or clerk are informed of the appointment.

A trustee appointed by the appointing body has the same duty as the other charity trustees to act in the way he or

		she decides in good faith would be most likely to further the purposes of the CIO.

Structure</p> <p>As a CIO with the Foundation Model, the Club is required as a minimum to have a Board of Trustees and a body of Members.</p> <p>The Club's structure satisfies this minimum requirement but there are added layers of complexity that are designed to capture the full range of Membership categories and the structure that existed in relation to the unincorporated charity.</p> <p>The roles of the Trustees and all classes of Members are set out below.</p> <p>3.
