Trustee selection methods (eg. appointed by, elected by)	As per the Constitution, 13 (1) Appointment of charity trustees: Charity trustees may be appointed by the decision of the members at the annual general meeting or by the decision of the trustees at a meeting of trustees. In both cases a simple majority of vote is sufficient.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Policies and procedures adopted for the induction and training of trustees: As per the Constitution, 14 Information for new charity trustees: The charity trustees will make available to each new charity trustee, on or before his or her first appointment: (a) a copy of the constitution and any amendments made to it; and (b) a copy of the CIO's latest trustees' annual report and statement of accounts.

Organisational structure. As per the Charity Commission registration and Constitution, the organisation is a CIO with voting members and trustees, all of whom are volunteers. The trustees manage the affairs of the CIO on the behalf of the members, and can delegate any of their powers or functions to a committee or committees subject to determining the terms and conditions on which the delegation is made. Trustees and members must be employed by the Windsor Learning Partnership or a parent or guardian of pupils or themselves be a former pupil (over the age of 18). Other members may be admitted at the discretion of the trustees.

Wider network and related parties. The CIO exists to support music and the performing arts by students attending the schools of the Windsor

Learning Partnership, an exempt charity under the Academies Act 2010. It is developing working relationships with the CEO of WLP and the senior and headteachers of individual schools and music leads.

Major risks. The trustees consider major risks at their meetings and prepare policies and procedures accordingly which are voted on by the membership at the next opportunity, for example, the Safeguarding Policy and the Grant Awarding Policy. Possible conflicts of interest and how to attend to them are dealt with in the Constitution.

Summary of the objects of the charity set out in its governing document

As per the Constitution.
The objects of the CIO are:
The advancement of education and the advancement of the arts for the public benefit, in particular, by promoting the study and performance of music and the performing arts by children attending the schools of the Windsor Learning Partnership.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As per the Constitution
Nothing in this constitution shall authorise an application of the property of the CIO for purposes which are not charitable in accordance with section 7 of the Charities and Trustee Investment (Scotland) Act 2005 and section 2 of the Charities Act (Northern Ireland) 2008.

Main fundraising activities undertaken include regular raffles and refreshments alongside music and performing arts events throughout the school year, a quiz, and participation at a local community summer fair.

Community building activities include practical help at music and performing arts school events such as assisting with parking, checking tickets, set up and clear up. Social events are organised to build relationships with families of pupils at Windsor Learning Partnership schools, expand our membership and encourage participation in music and the performing arts.

Additional details of objectives and activities (Optional information)

The charity has policies on grant-giving to Windsor Learning Partnership Schools and Safeguarding.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The Charitable Incorporated Organisation for Friends of Windsor Music (Windsor Learning Partnership) was approved by the Charity Commission on 14th July 2022. A charity bank account with Metro Bank was approved soon after.

Activities for the financial year ending 31 August 2023 relate to the further establishment of the CIO and the attending governing documents. The focus in 2022-2023 was on developing operational capacity, raising funds, and developing experience within the community of volunteers, including trustees. Branding for the charity was also established, and used across social media platforms and marketing communications.

During the year over £6,000 was raised through raffles, and over £1,000 from a quiz event. Other events such as a flower sale were also successful fundraisers. Mostly ad hoc Donations were received from individuals and families of students in schools, and from other money raised through music activities within the Learning Partnership. The bank balance as at the end of August 2023 was over £15,000.

Several external grants were applied for but without success to date.

All grant applications received from Windsor Learning Partnership schools were approved. These included glockenspiels for two first schools (OAKfield and Clewer Green) and the purchase of a new sound system for Dedworth Middle School, Small gifts (charity branded water bottles) for year 13 leavers from the two Windsor Learning Partnership Upper Schools were purchased in July 2022 and July 2023.

Brief statement of the charity's policy on reserves

The charity's policy on reserves is to retain £500 of unrestricted funds. This charity does not have any fixed or substantive operating costs, with no employees, thus a low amount of reserve does not represent an unreasonable risk. In the event of any difficulty retaining this level of reserve, a single fundraising event can replenish these funds. The reserves policy will be reviewed annually.

Details of any funds materially in deficit

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
